

Typhoon Café transports the “Taste of Taiwan” to the heart of Singapore. A concept birthed in Singapore that unifies Taiwan’s unparalleled flavours, obsession for artisan fruit teas and larger-than-life desserts set in cafe-style comfort.

Located along Singapore’s hottest shopping district, one no longer has to endure “夜市” crowds and compromise sleep to get a Taiwan food fix. Located right in sunny Singapore’s Plaza Singapura, Typhoon Café offers a rendition of Taiwan’s street-style dishes alongside specially curated Instagram-worthy desserts. Showcasing iconic dishes from the famed food capital like Classic Lu Rou Fan, Oyster Omelette to decadently adorned Soufflé Stackers which pairs perfectly when coupled with our artisanal fruit teas for a scrumptious meal. This is done while maintaining the authentic taste of Taiwan, hence the name “台风” (Typhoon) which is an abbreviation of “台湾风味” (Taste of Taiwan).

Typhoon Café is designed to simulate a hole-in-the-wall café along Taiwan’s quaint Fujin Cafe Street, the casual yet modern setting. The soothing ambience is ideal is perfect for any time of the day meals ranging from quick lunches for student/professionals to afternoon high teas and even after-work casual dinners with family and friends. Diners can also relax and unwind, or even study during the off-peak period with refillable hot teas.
