We respect and honour Aboriginal and Torres Strait Islander Elders past, present and future. We acknowledge the stories, traditions and living cultures of Aboriginal and Torres Strait Islander peoples on this land and hope that by sharing this story we can continue building a brighter future together.

THE BACKLOT

PERTH

Taken from her parents during a time when Aboriginal children were removed from their families through Government mandated policy, Helen was raised by a middle-class family in the suburbs of Perth and believed she was their biological daughter until the age of 14.

Despite being raised by a very loving foster family, Helen has never felt like she truly belonged. Not white, not black, she walks a very lonely grey line.
