### GENERAL MEDICAL RELEASE

It is Nannies on Call's policy to notify a parent when a child is ill or requires medical attention. In the event that this is not possible and immediate medical attention is required, the Nanny would take the child to the nearest emergency medical centre.

I, the undersigned, give a representative of Nannies on call

Permission to sign for any medical treatment that is deemed necessary to protect the health of my child/children in the event that I cannot be reached.

I authorize the caregiver to give my child medication according to written instructions, including name of medication, amount, and specific times. I recognize that the caregiver is not medically licensed and is administering this medication at my request and for convenience.
