

Restaurant Waste Management

Properly store and dispose of liquid waste.

1 Store in proper containers.

Store used grease, oil, and fat in specialized outside containers for collection.

2 Keep it covered.

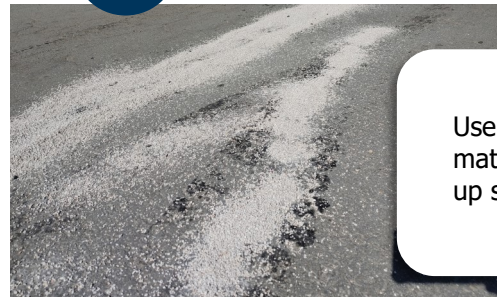

Always keep grease containers closed.

3 Empty regularly.

Schedule grease containers to be emptied before they become full.

4 Clean spills immediately.

Use dry, absorbent material to clean up spills.

5 Use inside drains.

Dispose of mop and bar liquids down the utility sink or kitchen floor drain.

Long Creek Watershed Management District
