

Littering & Dumping

Discourage improper waste disposal.

1 Monitor property.

Install recording video cameras, like game cameras, and motion sensor lights.

2 Block access.

Use gates or other barriers to prevent access to dumping-prone sites.

3 Prevent liquid dumping.

Prevent liquid dumping like concrete, paint, grey water, and black water on property.

4 Install waste receptacles.

Place trash and cigarette receptacles at convenient locations.

5 Keep area tidy.

Include litter cleanups in property management contracts.

Long Creek Watershed Management District

Implemented with Assistance from:
