

# Easter Chocolate Shopping Guide 2020

Easter is the largest chocolate shopping holiday of the year. **What's really going into the chocolate we buy?** Mighty Earth, Be Slavery Free, and Green America surveyed the world's biggest chocolate companies to find out! Some chocolate companies are rising to the challenge of making cocoa sustainable, but others continue to ignore consumer demand for deforestation-free and child labor free chocolate. This guide breaks down **company commitments and policies**. It does not assess effectiveness or implementation. Of course, commitments are just a first step. Together, Mighty Earth, Be Slavery Free, and Green America are closely monitoring corporate implementation of these policies, and with your support, **we can transform the chocolate industry into one that prioritizes people and the planet.**

- Leading the industry on policy
- Lagging, policy improvements needed
- Bad policy or no policy
