

Dear Valued Customers,

We are excited to announce a company merger between two of the best towing companies in Alaska-Vulcan Towing and Webb's Towing.

Vulcan towing started providing towing services in 1991 led by Willie Creech and transferred ownership to his son, Justin Creech in 2004. Vulcan Towing started as a family business and still holds to that tradition today. At Vulcan, we consider our employees and their families an integral part of the company's family. The towing industry takes a great team to keep all aspects running smoothly such as: safety, efficiency, customer care, satisfaction and loyalty. We pride ourselves in each of these areas!

We are honored to merge Webb's Towing with Vulcan Towing as we value the relationships, tenacity and rapport that they have built since 1979! They too are a family-owned business and understand the quality of customer care and satisfaction that needs to be met each day.

We want to thank you for your continued support and your loyalty. Our business truly thrives because of you!

Sincerely,

The Vulcan/Webb's Team!
