

Your Church Can Help Build Affordable Housing—Starting Now!

*"Everyone will sit under their own vine and under their own fig tree, and no one will make them afraid."
 — Micah 4:4 (NIV)*

LISC Puget Sound + Your Church = Homes for the Community

Many churches dream of using their land to bless their community with affordable housing—but don't know where to start. That's where **Local Initiative Support Corporation of Puget Sound (LISC)** comes in.

We partner with churches to turn that dream into reality. LISC establishes a covenantal relationship with individual churches or regional church denominational offices, working side by side with them to discover land development possibilities specific to them.
