

St. Paul's United Methodist Church – Facility Use Agreement

St. Paul's United Methodist Church is located in Helena, Montana, at 80 E. Lawrence St., and the business office is directly north of the church at 512 Logan Street, Helena, Montana, 59601. We are happy to be able to provide accommodations for your activities.

Building activities fall under the Facilities Coordinator, who manages the use of the building and facilities. No commitment for building use is finalized until the "Facility Use Agreement" has been completed and executed by the Facilities Coordinator, and the deposit has been paid (if applicable). The following are policies and procedures established for building use. **It is important to read, understand, and become familiar with these policies and comply with the guidelines that have been established:**

1. The space you have requested to use is granted to your organization provided it does not interfere with the on-going program of this church. It is important to remember that all rooms belong primarily to St. Paul's UMC programs. Room arrangements and decor are at the church's discretion. **We reserve the right to cancel any facility use agreement at any time based on ministry needs, and to preempt any facility use for its own in cases of emergencies, such as funerals. Notice will be provided as early as possible.**
2. Please make room reservations *at least four weeks in advance* so that we have time to set door schedules, make preparations, and check availability.
3. St. Paul's UMC requires all users follow these guidelines. Exceptions to guidelines and restrictions may be made for St. Paul's UMC members with approval from the Church. It is the responsibility of the "authorized representative" identified on the "Facility Use Agreement" to notify all participants of these guidelines.
4. Masks and social distancing are optional, but strongly recommended for any who are symptomatic or experiencing a transmittable illness.
5. **Restore any area used to its original condition:**
 - a. A cleaning cart is located in the Fellowship Hall with cleaning supplies for your use.
 - b. Please clean and disinfect any surfaces or spaces that were used for your event.
 - c. Please sweep the floor of any debris.
 - d. If you set up tables and chairs for your event, please make sure to dismantle them and return them to their original location.
 - e. If you have moved anything around, such as tables, chairs, etc., please make sure to put everything back in its original place and configuration.
 - f. If you have a significant amount of garbage from your event, or garbage that will spoil and cause an odor, please empty the garbage cans and place the trash in the dumpster. The St. Paul's dumpster is located behind the Susanna Wesley Place office building at 512 Logan Street (building just north of the church building).
 - g. Decorations may be attached to the walls or doors with blue/green painter's tape that will not damage the surface. All such decorations must be removed immediately following the event. If you remove or change any decorations in the church, please put them back in their original location after your event.
6. Doors are operated on an internet-based door system, which can be scheduled for your event. If your event is public, or your event takes place in our Susanna Wesley Place building, we will schedule the doors to be open for entry. If your event is private, and is taking place in the church building, we will assign you a keypad code for our keypad (please see our *Keypad Usage* section below). Please contact the Facility Coordinator to schedule the doors for your requested times.

- a. Please be aware that, since the doors are scheduled to be open so that your group may access the building, other people may enter the building while the doors are open. If a person enters the church, and is not a member of the church or someone given permission to use the space, please feel free to call the non-emergency police or the emergency contacts listed on page 5.
7. Observe standard church rules while on church grounds or in church buildings:
 - a. NO SMOKING (anywhere in or within 30 feet of the doors of the church building)
 - b. NO POSSESSION OF ALCOHOL or ILLEGAL DRUGS
 - c. NO UNSEEMLY BEHAVIOR (Maintain respect for other people and for the physical property.)
 8. If you need to visualize the space, or use tables or chairs for your event, please schedule a tour of the facility with the Facility Coordinator before your event. Office hours are posted on our website.
 9. Young children are to be supervised at all times during any meetings taking place in the church. Do not leave children unattended or unsupervised.
 10. Rooms must remain fire code-compliant. Please do not block fire exits, and all fire doors must remain closed at all times (fire doors are marked accordingly).
 11. Please adhere to all posted requirements in each room. We appreciate you reading all signs carefully.
 12. The use of audio, visual, musical, or other church equipment requires the assistance of our A/V Team, and a fee will be charged for their time. Our A/V Team needs to be involved if you are utilizing any of the following elements: projections, microphones, live streaming, slides (pictures, lyrics, etc.), and other media (only the St. Paul's Sound Team is allowed access to the Sound Booth). Any of these additions to an event requires prep time by the A/V Team, so please account for this time for your event. Our Sound Team needs a minimum of 7 days' notice to prepare for an event. Please see the Fee Schedules on the last page. If you use our A/V Team services for an event, all materials/files *must* be submitted to our A/V Team *no later than 3 days prior* to the event.
 13. Security:
 - a. If security is needed for your event, your group or organization is responsible for providing your own security, or if needed, for calling the non-emergency police department.
 - b. The congregation works to maintain a safe and secure environment within the facility. However, no systems are foolproof. We ask all users not to leave personal property unattended. St. Paul's UMC is not responsible for theft or damage of personal property.
 14. No person(s) are allowed to camp, loiter, sleep, use the facilities, and/or store their personal belongings on the St. Paul's United Methodist Campus, including in the church, Susanna Wesley's Place, under the stairs, or in any area on the SPUMC properties, unless given explicit permission by St. Paul's staff or administration. Person(s) who do so will be asked to leave immediately and authorities will be called if the person(s) refuse to leave, or continue to try to use the campus in this way. SPUMC may press trespassing charges if necessary.
 15. Emergency Situations:
 - a. If you encounter any situation in which you feel your immediate safety is threatened, please do not hesitate to call 911.
 - b. If you encounter non-immediate safety hazards, please notify our after-hours emergency contacts so that it may be remedied.
 - c. There are fire alarms throughout the facility, and our fire alarm system will automatically call emergency services if a fire is detected.

- d. If you are in the church elevator and it experiences a malfunction, or there is an emergency, please press the Emergency button, and emergency services will be called to your location.
16. St. Paul's Internet:
 - a. Wireless (Wi-Fi) Connections:
 - i. Wireless Network: UMCguest
 - ii. Password: community
 - b. Wired Connections:
 - i. Susanna Wesley Place: Ethernet wall ports are available in every room.
 - ii. Church: An Ethernet wall port is available by the stage in the Sanctuary, and in the Fellowship Hall.
 17. If you need add-ons, such as pastoral services or organ/piano music, we will provide you with their contact information so that you may coordinate these services directly with the pastor or musician. Please be aware, our services may not always be available for the requested date. Services must be requested at least 4 weeks in advance of the event.
 18. Due to limited space and availability, and coordination of services (pastor, A/V, organist, etc.), St. Paul's cannot be booked as a backup location for events. For example, we cannot reserve our Sanctuary as a backup location for weddings due to weather concerns.
 19. Pets are not allowed in the facility except for working service animals that are registered. It is requested that prior notification be given to the Facilities Coordinator for this purpose.
 20. All-Gender Restrooms are available in the church on the 3rd floor.
 21. Handicap Accessibility:
 - a. If you are using a space in the Susanna Wesley Place (SWP) office building, please be aware that the 2nd floor is not handicap-accessible. There are no elevators available in this building.
 - b. The only room that is fully handicap-accessible in SWP is Room 104.
 - c. There is a ramp available at the back (West) of the building, which leads to the rear entrance.
 - d. Handicap parking is available for both buildings.
 - e. The church is fully handicap-accessible, with an elevator and a push button for the front door.
 22. Funerals:
 - a. For funerals, our UWF (United Women in Faith) group assists with the *funeral reception*, and will provide cookies and beverages (coffee, tea, juice, and ice water). The Funeral Reception Coordinator, Shirley Warehime, will contact you regarding the reception.
 23. Parking: Employees, members, and visitors shall park at their own risk and the church will not be responsible for theft or damage to any vehicles parked on or near church property. St. Paul's UMC will not be responsible for personal property left in vehicles that is lost, damaged, stolen, or destroyed.
 24. Disclosures must be made to St. Paul's UMC regarding any situation or activity that would put our church or its members at risk.
 25. To use any part of the St. Paul's UMC facilities, including grounds, any person, group or organization must be law-abiding and non-discriminatory.
 26. No form of gambling is permitted on Methodist premises. It is expected that United Methodist churches abstain from the use of raffles, lotteries, bingo, door prizes, other drawing schemes, and games of chance for the purpose of gambling or fund-raising.

27. Permission to use the organ or piano must be granted by the Facilities Coordinator. If the user wishes to have instruments tuned, a craftsman approved by the Facilities Coordinator will tune them at the user's expense. The pianos cannot be moved except by permission, and the user is liable for damages.

 - b. Choir Room Piano: K. Kawai Baby Grand (tuned three times per year)
 - c. Practice Room Piano: Young Chang upright piano, console model
28. We will do our best to provide the offered services and support. However, please be aware that equipment can sometimes fail or break, and extenuating circumstances can arise. In these cases, please be patient and understanding while we do our best to work through any obstacles.
29. Any changes to this agreement, or the details listed within, need to be forwarded to this office no later than two (2) weeks prior to the event or meeting date.
30. If you are an external entity with liability insurance, please provide your certificate of insurance.
31. If you plan to use risers for your event, special permission is required. Contact the Facility Coordinator for explicit permission to use risers at your event.

Keypad Usage

St. Paul's United Methodist Church (SPUMC) has a keypad door lock system on the front door (Sanctuary entrance, far right door). This system is to improve security and safety in the facility. We still have the auto lock system scheduler in use for public events. This way the church doors will be locked while your meeting is in progress and eliminate unintended visitors from entering the building. Propping the doors open will not be tolerated and could lead to losing access to our building.

Groups meeting in our church, especially in the lower level, will not have the front doors unlocked during their meeting. The keypad code will be issued to the leader/coordinator, and they will be responsible for all entries into the building using this assigned code. The group leader is welcome to share the code with the group, but please be aware that your group is responsible for all usage of this code.

There is a record of usage with a time stamp created every time this code is entered into the keypad. **If unauthorized use happens, you or your group will be held responsible.** If your group has a leader or member change, please report this to SPUMC so a new code can be issued. For recurring groups, and for additional security, a new code will be issued annually. For one-time space use, your code will only be active for the day(s) of the event.

To use our keypad, enter the 4-digit code that has been assigned to your group, with the # sign at the end. When the code is entered, the door will unlock (keypad light changes from red to green) and will relock when the door is closed. As a reminder, propping the door open will not be tolerated. You will receive this code in your reservation confirmation email, which is sent to you from one of the following email addresses: office@stpaulshelena.org or frontdesk@stpaulshelena.org.

Communication

Once you have submitted your request for usage of the facility (Facility Use Agreement), the Facility Coordinator will send you a reservation confirmation email, including all your reservation information. Please be sure to check your email and verify that all reservation details are accurate and meet your needs. If not, please do not hesitate to call or email the Facility Coordinator and see if your reservation can be revised, or if other options are available.

Sound + Slides/Video	\$60/hr (2 A/V Team Members)

A/V fees are paid after the event, and are based on the number of hours each A/V team member spends performing tasks for the event. Please note, the A/V team member's time also includes any preparatory work, such as slides, videos, and other audio-visual materials. Although we routinely assign one A/V team member to some events, be aware that, should an emergency occur, and on-the-spot repairs become necessary, one A/V team member likely cannot realistically cover your event and also handle repair tasks simultaneously. If you want full A/V coverage in all conceivable circumstances, we encourage you to request at least two A/V team members be assigned to your event when you make your reservation. **Please Note: We require at least one A/V person be present for all events held within the Sanctuary.**

All events will be evaluated on a case-by-case basis. Large events typically include concerts, shows, etc. (over 30 people). Small events typically include recitals, small book readings, speakers, etc. (under 30 people). To get a better idea about your event, please contact our Facilities Coordinator at (406) 502-1063.

Non-Sanctuary Usage Fees

For-Profit Events	10% charge of event profit
Not-For-Profit Events	Donation of your choice

If you or your group are using a room other than the Sanctuary, and the event is not for profit, there is no charge. We simply ask you to consider a donation to our church for upkeep.

- Please note, if your event does not fall within one of the above categories, we will determine appropriate use and fees on a case-by-case basis.

Cancellations

In the event the wedding ceremony is cancelled, the Sanctuary fee is 50% refundable if the cancellation occurs at least one month prior to the wedding date. Within 30 days of the date, this fee is non-refundable.

Non-Refundable Deposit

We charge a nonrefundable deposit for events to help us cover utility costs, wear and tear on equipment and the facility, custodial costs, and other costs associated with running the facility. This small fee helps us to continue to make this space available for community use and events. We thank you for your contribution!

Payment Submittal

Deposits are due at the time of the booking. Please submit payment (check or cash) at least four weeks prior to your event (excepting A/V Team fees). You will be notified of the total A/V Team hours after your event. Payments can be mailed to the office, dropped off in the black mailbox in front of the office, or delivered in-person to the office during office hours. Please write **one check to “St. Paul’s United Methodist Church”** for all fees. If you have any questions, please do not hesitate to contact the office. *Staff members of the church are not authorized to accept payment, so please only submit payments directly to the office.*
