Private Interview:

Miss- 12 minutes, Teen- 8 minutes

The Private Interview provides the Official Panel of Judges the chance to get to know the Contestant on a personal level. The Contestant will be able to share her personality, achievements, aspirations and explain why they are the best person for the job for which they are applying. This will also provide the Contestant with the opportunity to share her passion for and experience with her platform issue. The Private Interview will be conducted in a panel-style format and will be twelve minutes in duration. The Judges will take into consideration the Contestant’s communication skills, ability to command the room, and potential to fulfill the job

responsibilities of the titleholder. Scoring will not be based on a Contestant's opinion on a subject discussed in Private Interview, but, rather, the Contestant's ability to share her opinion and understanding of the issue.

You should choose an outfit that you find appropriate for a job interview, and that reflects your personality. The outfit should make you feel comfortable and confident. Some examples include: pants and a blouse, a nice dress, a skirt with a coordinating top, etc. The outfit can range from dressy casual to business oriented. The most important thing is to wear something that you would normally wear. Do not choose an outfit that is too flashy, as it might be distracting. Do not choose cocktail attire. There should be no beads, sequins, etc. Select shoes that compliment your outfit. Earrings, necklace, bracelets, etc., are appropriate when not overdone.

You will be required to submit a contestant profile. Once your application and deposit are received you will be sent additional information that will include instructions on completing the profile.

Talent:

The talent performance provides the Official Panel of Judges the opportunity to experience the Contestant's talent in the style and format of her choosing. The talent competition includes but is not limited to the performing arts and can include demonstrations of:

- Dance Performance
- Comedy
- Operatic performance
- Illusion performance
- Ventriloquism Athletic skill
- Vocal Performance Monologue
- Instrumental Performance
- Career interest
- Performance art, i.e. Speed painting

Props that will be incorporated into any talent performance are permissible and must be provided by the Contestant. The Official Panel of Judges will

take into consideration the quality of the performance, the Contestant's stage presence, ability to entertain a variety of audiences and should showcase their personality.

Your talent outfit should reflect who you are and serve as an accompaniment to your presentation. It should represent YOUR personality and taste. Accessories as needed.

Evening Gown:

The Evening Gown competition is designed to feature the young woman wearing the dress, rather than the dress itself. The Official Panel of Judges will take into consideration the Contestant's composure, poise and stage presence during this phase of competition. The focus will be on the appropriateness of the gown and, most importantly, on the Contestant's personality and confidence.

All contestants must have a full-length evening gown of their choice. The style, design, and color are up to you. It can be elaborate, or very simple. Choose something that makes you feel like Cinderella. Your gown should represent YOUR own personality and taste. Remember, you can look like a million bucks without spending a million bucks!
