

The book you are holding is published to acknowledge the 5th Anniversary of *Wheatland & Area Hospice Society*. Thank you to all who have organized, donated, volunteered, and supported palliative patients and their families with us. Your dedication, hard work and kindness demonstrate that *together we are a compassionate and caring community*.

It is our hope that this small book may create some precious memories.

Thank you to the Grade 8 art students at Crowther Memorial Junior High School for use of their artwork based on the book "Tuesdays with Morrie."

We didn't realise we were making memories, we just knew we were having fun.

Questions for the Really Brave

Let's keep the conversation going

- What is something you'd like to be remembered for?
- How old would you like to be when you die, and do you think you will reach that age?
- What scares you the most about dying?
- What do you think you'll regret the most when you are dying?
- What would you like your last words to be? To whom?
- What songs would you like to played at your memorial?
