Sponsorship Call to Action

Let’s Work Together!

We ask our partners to support this key event and engage with our community from an educational, technical, and awareness perspective.

Will the event be in-person or virtual?
This event will be held in-person at BMW Welt in Munich, Germany! We highly encourage a hotel reservation be made as soon as possible due to the 2024 European Football Championship taking place.

We have reserved a limited number of rooms at several hotels, check our webpage for details and mention Auto-ISAC Europe when booking your room.

Since I am a sponsor, does that mean I have already registered?
No – you have reserved your sponsorship slot. You must register to assign your passes.

Since I am a Sponsor, can we register extra company elders?
No – each sponsor has an attendee limit. You are allowed to purchase additional passes, if needed.

Can I speak if I don’t want to be a sponsor?
We have limited speaking slots which require a sponsorship, an abstract, and approval by the European Summit Task Force.

When do we pay?
Each sponsor will be invoiced before the European Summit & expected to pay the Auto-ISAC before the event.

If I sponsor, what are my booth options?
Titanium, Platinum, Gold, Silver and Bronze sponsors will have booth options. We also offer an on-site booth and virtual booth.

We encourage our sponsors to take time to get to know all our attendees to form lasting engagements that will result in future business partnerships and shared successes.

To make our summit a success, we ask that sponsors stay away from the following: repeating past presentations, sales pitches, pursuing reluctant attendees, and other behavior that might make attendees feel uncomfortable.

All presentation materials must be submitted by May 28, 2024. However, any revisions or corrections to the presentation materials can be made until June 4. Please reach out to Megan Rasely to coordinate any changes.
Sponsor Code of Conduct

Auto-ISAC values its sponsors, members, and participants at all events. We see our sponsors as part of the Auto-ISAC family and hope that all attendees will feel the same way through collegial conversation, informative discussions, and camaraderie built on a shared vision of safety and security for the automotive sector.
Please note that the initial prices specified are exclusive of Value Added Tax (VAT).

VAT will be added at the prevailing rate set by Germany’s Federal Ministry of Finance at the time of purchase.
