Title: What you don't know will hurt you

August- 13-14 -2022

As we continue in our series on the 7 churches

1. What stood out to you the most in this weekend's message? Why was this so impactful to you?
2. Bob had spoken of how a church when they lose their head which is Christ, we the church still run around as if we still have Jesus, but as he also explained a chicken can also do it but it is no longer alive and neither are we without Christ. I say we and don't say it lightly, as each of us individually makes up the church. While this is a hard topic to discuss, it has to be discussed lest we become a people living in an empty shell. We all have areas that affect us spiritually and those areas can make us dead or alive. What areas do you have in your life that are bringing death; clue anything where Christ isn't the head is death?
3. In Revelation 3:15 Jesus talked about being hot, and cold but how the church is lukewarm. Bob had expounded on this talking about the cold, and brought up a good point why would Christ want to have His bride cold? But as Bob dug deeper into what the words mean according to the culture back in the day using the stones that were used for a water system, I understood better, how did Bobs teaching give you a better understanding of scripture?
 1. Hot- healing
 2. Cold- refreshing
 3. Lukewarm- well does anyone really like anything lukewarm (my quote)
4. As we read in Revelation 3:17 we can see that the "culture impacted the church, instead of the church impacting the culture, with financial health. Bob brought up a good point when he talked about certain preachers that will have no problem taking money from

the church but care nothing for the church.” How long church will we allow our culture to impact the way we choose to live for Christ? What can we do as a church to not become like Laodicea?

5. In Revelation 3:18 Jesus had shown us why He is angry and what we can do to fix our relationship with Him. What do you think Jesus is angry with you about and what is He calling you to do to fix your relationship with Him? Search your heart, search the depths of your soul, He will reveal the areas that upset Him and will tell you what you need to do to make things right in your heart.

 6. In conclusion of our study with Revelation 3:19-20 Jesus gives us clear instruction; He says be zealous and repent. He stands at the door knocking those who hear His voice and open the door, He will then come in. The only way to hear His voice is by repenting and giving your life to Him, there is no other way. Then opening the door for Him to come in and do what He needs to do and while it is not all roses and champagne, it is an unforgettable journey and worth it. You will never be the same, maybe your new to a group or you have never met this Jesus, open your heart and let Him in, ask someone to pray with you that you may come to know Him as your savior. If there are things in your life that you know aren't pleasing to Him, repent of them and invite Jesus in to change your way of thinking.
