ABOUT ETD

Eryc Taylor Dance is an internationally recognized nonprofit dance company whose outreach program curates over 20 weekly dance and movement workshops throughout NYC. ETD's achievements include performances at the 16th-18th International Avant-Garde Festival in Merida, Mexico with praise from El Universal for ETD's workshops with the local Mayan youth. ETD's 2019 EARTH about climate change was a momentous culmination of ETD's New Choreographer's Grant and was featured on PBS ALL ARTS in a series titled "Climate Artists."
