

BLUFF LAKE NATURE CENTER CAMPUS IMPROVEMENTS

FOR PUBLIC PROGRAMS

During our Campus Improvements Construction Project, all Bluff Lake programs will meet inside of our new **Havana Pedestrian Entrance** on the northwest side of our site.

Please follow the below directions to navigate to the Havana Pedestrian Entrance.

When possible, we encourage walking or biking to the site (bike racks available). Please be courteous of our neighbors if parking in the neighborhood!

Navigate to **3192 N Havana Way, Denver**

Turn **WEST** onto Florence Way and find street parking in the neighborhood.

Cross Havana at the stoplight or follow the Sand Creek Greenway under Havana until you reach our Havana Pedestrian Entrance.
