FREQUENTLY ASKED QUESTIONS

Are dancers required to have any previous dance experience?

For the themed 4-day Camps and the Summer Flex Mini Session, dancers do not need to have any prior dance experience to fully enjoy the opportunity! Previous dance experience is recommended for the 1-Day Technique Intensives.

What should dancers wear and bring to the camps?

All campers will receive a detailed camp confirmation packet approximately one week prior to the start of their camp. For our themed camps, most days are standard dance attire, but we usually incorporate a dress up element into the fourth day!

Is my dancer able to participate in more than one camp?

Yes! We have dancers that come to multiple camps! All of the themes are different from week to week, so the experience varies. We also have some dancers enroll in classes AND participate in our camps!

Will there be an opportunity to watch the dancers during camp?

All of our 4-day themed camps will conclude with a short performance for friends & family to come to! We love to showcase what the dancers have been working hard on all week!
