

# How are point scales determined?

- All the items listed on the next slide are divided into **Major**, **Intermediate**, **Minor** events and **Non-Ranked** categories.
- All **Major** events are worth 600 points. First place gets 600 points, second place gets 500, and like that, each place gets 100 points less.
- All **Intermediate** events are worth 300 points. First place gets 300 points, second place gets 250 points, and like that, each place gets 50 points less.
- All **Minor** events are worth 120 points. First place gets 120 points, second place gets 100, and like that, each place gets 20 points less.
- All **Non-Ranked** categories will get a custom amount of points based on the significance of the category.
