5.   Confidentiality.

A.   Confidential Information. In connection with this License, each Party (as the "Disclosing Party") may disclose or make available confidential information to the other Party (as the "Receiving Party"). Without limiting the foregoing: (i) the Application is the Confidential Information of Ostrich; and (ii) the financial terms and existence of this License are the Confidential Information of each of the Parties. As a condition to being provided with any disclosure of or access to Confidential Information, the Receiving Party shall:

   a.   not access or use Confidential Information other than as necessary to exercise its rights or perform its obligations under and in accordance with this License;

   b.   except as may be permitted under the terms and conditions of Section 5(C), not disclose or permit access to Confidential Information other than to its Representatives who: (i) need to know such Confidential Information for purposes of the Receiving Party's exercise of its rights or performance of its obligations under and in accordance with this License; (ii) have been informed of the confidential nature of the Confidential Information and the Receiving Party's obligations under this Section 5; and (iii) are bound by written confidentiality and restricted use obligations at least as protective of the Confidential Information as the terms set forth in this Section 5;

   c.   safeguard the Confidential Information from unauthorized use, access or disclosure using at least the degree of care it uses to protect its most sensitive information and in no event less than a reasonable degree of care;

   d.   promptly notify the Disclosing Party of any unauthorized use or disclosure of Confidential Information and take all reasonable steps to prevent further unauthorized use or disclosure; and

   e.   ensure its Representatives' compliance with, and be responsible and liable for any of its Representatives' non-compliance with, the terms of this Section 5.

Notwithstanding any other provisions of this License, the Receiving Party's obligations under this Section 5 with respect to any Confidential Information that constitutes a trade secret under any applicable law will continue until such time, if ever, as such Confidential Information ceases to qualify for trade secret protection

under one or more such applicable laws other than as a result of any act or omission of the Receiving Party or any of its Representatives.

B.   Exclusions. Confidential Information does not include information that the Receiving Party can demonstrate by written or other documentary records: (i) was rightfully known to the Receiving Party without restriction on use or disclosure prior to such information being disclosed; (ii) was or becomes generally known by the public other than by the Receiving Party's or any of its Representatives' noncompliance with this License; (iii) was or is received by the Receiving Party on a non-confidential basis from a third party that, to the Receiving Party's knowledge, was not or is not, at the time of such receipt, under any obligation to maintain its confidentiality; or (iv) was or is independently developed by the Receiving Party without reference or use of any Confidential Information of the Disclosing Party.

C.   Compelled Disclosures. If the Receiving Party or any of its Representatives is compelled by applicable law to disclose any Confidential Information then, to the extent permitted by applicable law, the Receiving Party will: (i) promptly, and prior to such disclosure, notify the Disclosing Party in writing of such requirement so that the Disclosing Party can seek a protective order or other remedy or waive its rights under Section 5(A); and (ii) provide reasonable assistance to the Disclosing Party opposing such disclosure or seeking a protective order or other limitations on disclosure. If the Disclosing Party waives compliance or, after providing the notice and assistance required under this Section 5(C), the Receiving Party remains required by law to disclose any Confidential Information, the Receiving Party will disclose only that portion of the Confidential Information that the Receiving Party is legally required to disclose and, on the Disclosing Party's request, will use commercially reasonable efforts to obtain assurances from the applicable court or other presiding authority that such Confidential Information will be afforded confidential treatment.

6.   **Intellectual Property.** Licensee acknowledges and agrees that the Application is provided under license, and not sold, to Licensee for use only under the terms of this License. Such content may be protected by copyright or other intellectual property laws and treaties and may be subject to terms of use of any third party providing such content. Except as expressly set forth herein, this License does not grant to Licensee any rights to use such content. Ostrich may remove Licensee's access to a Beta Program at any time in its sole discretion. Ostrich may also discontinue a Beta Program or choose not to make a Beta Program generally available at any time in its sole discretion.

C. Free Program. Ostrich may make certain programs, products, portions of products or programs, or certain usage tiers available to Licensee free of charge ("Free Program"). Licensee's right to access and use the Free Program is not guaranteed for any period of time and Ostrich reserves the right, in its sole discretion, to: (i) limit or terminate Licensee's use of the Free Program; or (ii) reduce, charge or deprecate the functionality of the Free Program.

C.   Licensee shall not assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance under this License, in each case whether voluntarily, involuntarily, by operation of law, or otherwise, without Ostrich's prior written consent. Any purported assignment, delegation, or transfer in violation of this License is void. This License is binding on and inures to the benefit of the Parties hereto and their respective successors and permitted assigns.

D.   No amendment to or modification of, or rescission, termination, or discharge of, this License is effective unless it is in writing, identified as an amendment to, or rescission, termination, or discharge of, this License, and signed by an authorized representative of each Party. No waiver by any Party of any of the provisions hereof is effective unless explicitly set forth in writing and signed by the Party so waiving. Except as otherwise set forth in this License, no failure to exercise, or delay in exercising, any rights, remedy, power, or privilege arising from this License will operate or be construed as a waiver thereof; nor will any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.
