Program Accomplishments

9,000 hours of professional interpreting services were provided to 8 Central New York counties through the Marjorie Clere Interpreter Referral Service (MCIRS).

54 youth and adults received vocational and employment placement and training, to lead productive, satisfying lives.

125 patients received comprehensive low vision examinations.

389 individuals learned new skills to manage in their homes, jobs and communities and completed orientation and mobility training to remain safe and independent.

732 people received social work support, care coordination, information and advocacy to develop skills for coping and accessing community resources to deal with a loss in sight or hearing.

1,024 individuals received education through community presentations about treatment, care and prevention of sensory loss, and to promote AURORA and its services.
