This is a prevailing wage project so subcontractors must be registered with the Department of Industrial Relations prior to bidding. If selected, KCAO would establish a contract for the services to be completed and would become the primary roofing company for similar projects for future sites within a 12 month period. Subcontractor(s) selected shall not be presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any federal department or agency.

Specs for the roof include the following:

- Cool Roof Shingles
- 30 year life warranty
- Sheathing
- Primer coated fascia board
- Attic ventilation
- Seamless gutters with installation
- Installation must not interfere with day to day activities at the site
- Bid must include all costs, i.e., disposal, permits, product, labor, tax, etc.
- Quote submitted must be good for 30 days following bid deadline below
- Prefer job to be completed by December 15, 2023

Bids obtained will be scored and selected by the criteria indicated in this proposal. Selected vendor will be listed as our preferred vendor for 12 months should a future roof with similar listed criteria be needed.
