

SUN VALLEY FORUM

Program

July 15-18, 2024

Restoring Harmony with Nature

Welcome to the

Restoring Harmony with Nature

At its heart, the Sun Valley Forum is a community, one of leaders, innovators, and change-makers across sectors, surfacing the strategies, stories, technologies, business models, and inspiration that can power the urgent transformation of our energy and food systems, the restoration of nature, and the revitalization of communities worldwide.

At the 9th Sun Valley Forum, Restoring Harmony with Nature, our program centers nature as the genius needed most now, and we will experience:

Knowledge

Learning from nature and
Indigenous people

Innovation

Scaling solutions for nature

Culture

Shifting the human relationship
with nature through art,
stories and experiences

Systems Change

Transforming food, energy,
business and finance to
restore nature

And **leadership**, to develop the presence, capacities and relationships to lead change.

Welcome Letter

SUN
VALLEY
FORUM

Dear Attendees,

Welcome to the 9th Sun Valley Forum! I am thrilled to have you join us for what promises to be an inspiring and impactful event. As the Forum host, and CEO of Christensen Global, I am deeply honored to gather such a diverse and dynamic group of leaders and innovators dedicated to advancing solutions for planetary health and resilience.

Our world is facing unprecedented challenges, and it is through our collective efforts that we can drive the transformative change needed to create a resilient future. Over the next few days, we will engage in thought-provoking discussions, explore innovative ideas, and build partnerships that will protect and restore our vital natural systems for a healthy, safe and beautiful planet.

This year's Forum features an exceptional lineup of speakers and sessions designed to inspire action and foster collaboration. I encourage you to take full advantage of the opportunities to connect, share insights, and work together on the pressing issues we face, whether in the sessions or out in nature.

Thank you for your commitment to making a difference and for being a part of this incredible community. I look forward to the meaningful conversations and impactful outcomes that will emerge from our time together.

Warm regards,

AIMÉE CHRISTENSEN

ADVENTURE DAY

Let's go!

We love Adventure Day each year because, like our morning hikes, we dedicate time to getting outside: rafting, hiking, biking, and time in the water. We challenge ourselves and come together on the trail, on (and in!) the water, expanding our worlds physically and mentally. *Join us!*

8:00 AM - 11:00 AM

LOCAL HIKE

For those with afternoon flights, we didn't want you to miss out, so join us for a local hike from 8:00am, returning 11:00am, with plenty of time to get to the airport for your flight!

8:00 AM - 2:00 PM

RAFTING TRIP

SALMON RIVER

Rafting the Main Salmon River: Pre-registration is required.
8:00am departure from the Lighthouse Hotel, 2:00pm return.
Option to stop for lunch at Redfish Lake Lodge, 4:45pm return.

8:00 AM DEPARTURE - 12:00 PM OR 2:00 PM RETURN OPTIONS

HIKING & BIKING

GALENA LODGE IN THE SAWTOOTH NATIONAL FOREST

Hike the trails for a variety of levels.
Bike the Harriman Trail (not single track!) with **Rebecca Rusch**, a SEVEN TIME WORLD CHAMPION CYCLIST! But don't worry, it is for all levels!

For all questions related to Adventure Day, please visit [Forum Registration](#).

LET'S GO FAR, FAST, TOGETHER!

We acknowledge with respect that the land on which we gather in Ketchum, Idaho, resides within the traditional territories of the Shoshone and Bannock peoples. We honor their enduring presence on this land and recognize their contributions to the heritage of this region.
