86th Annual Hartford County 4-H Fair

August 19–21, 2022
Four Town Fairgrounds
Egypt Rd, Somers, CT
Dear 4-Hers, Families, Friends and Supporters,

I would like to welcome you to the 86th Hartford County 4-H Fair! I hope that you all are ready to show off all your hard work that you have put into your project areas. Remember that the fair is the time to exhibit all that you have learned, but make friends and most importantly have fun!

As we have seen from the past couple of years, nothing goes according to plan. With last year’s fair being cut short due to a hurricane, and the year before that, being cancelled due to Covid, we have yet to go back to the classic Hartford County 4-H Fair, that we all know and love. However, despite all of these adversities, we have kept going! Last year it was great to be back and see everyone (before being cut short), but this is a year for a comeback! To come back to exhibit what we have learned from other 4-Hers, and demonstrate our growth in our 4-H projects, and maybe show off a new project that you picked up. Leaders and parents, this is the time to give your 4-Hers their best fair experience yet. Let them have fun and “Learn by Doing” by getting involved and pushing each other.

4-Hers, thank the people who have gotten you to where you are and supported you. And also, congratulate yourselves on a job well done. To leaders, parents, advisors and mentors, the 4-Hers would not be where they are today if it were not for you. So, thank you for all your support.

I would like to leave you with this quote to keep in mind for this year, “Everyone falls down. Getting back up is how you learn to walk”, Walt Disney. So go and try to new things, and do not get discouraged, just get back up and try again!

Sincerely,

Rebecca Syme

John & Ashley Collins

John and Ashley Collins have been longtime volunteers of the Hartford County 4-H Program. They both grew up exhibiting their dairy cattle 4-H projects at the Hartford County 4-H Fair. Ashley was a member of the Granby 4-H, Holy Cows 4-H Dairy project group and John was a member of the Merry Moo-ers 4-H Dairy Club of Enfield. John served as Hartford County 4-H Fair President in 1998.

They both are currently Merry Moo-er 4-H Club Leaders and the club is based at their dairy farm, Powder Hill Farm of Enfield. Each year they lease dairy heifer 4-H projects to 15-20 club members so that they can exhibit at the fair. John transports all the 4-H projects to and from the fair and also up to the Big E for those 4-Hers participating in the 4-H Big E Dairy weekend. They both share their lifelong dairy knowledge with 4-H’ers and generously give their time explaining feeding, halter training, clipping and answering questions. John runs two popular club clinics each year, one on Dairy Judging and also a hands-on clipping clinic.

Thank you John and Ashley for all that you do for the Hartford County 4-H Program!

What is UConn Hartford County 4-H?

For over 100 years, UConn 4-H has helped Connecticut’s young people to develop skills and attitudes that will serve them throughout their lives. 4-H, which is the largest dynamic youth organization in America, promotes self-confidence, personal well-being, and environmental responsibility. 4-H offers free group and individual educational opportunities to encourage youth to wonder, explore, experience and grow in mind and body.

Through fun activities under the guidance of caring and knowledgeable professionals and volunteers, young people learn about themselves and their world. This organization helps 4-H’ers to build on their strengths as they try new things, reach out to others and compete with themselves to achieve their goals and receive recognition for their accomplishments.

UConn 4-H is the youth development program of the University of Connecticut Cooperative Extension System. As a part of the College of Agriculture, Health and Natural Resources, Hartford County 4-H belongs to a nationwide educational network through Cooperative Extension and the U.S. Department of Agriculture.

HOW EXHIBITS SHALL BE JUDGED

Overview - The purpose of judging or evaluating exhibits at the 4-H Fair is to enable 4-H members to learn from the judges different methods of completing their project and showing their exhibit.

THE STANDARD SYSTEM: Each exhibit is judged against others in its class. Awards are made accordingly. All livestock will be judged under the Standard System, with the exception of showmanship classes, which will be judged under the Dual-Merit System.

THE DANISH SYSTEM: Each exhibit is judged on its own individual merit. All non-livestock exhibits will be judged under the Danish System, unless stated otherwise within the class. Point values for first, second, and third awards have been set for each lot of each class. The Executive Committee of the Fair Association will determine the cash value of a point.

THE DUAL-MERIT SYSTEM: Each exhibit will be judged by BOTH the Danish System AND the Standard System. All showmanship classes will be judged using the Dual-Merit System.

GRAND AND RESERVE CHAMPIONSHIPS: Only 4-Hers that completed the proper record sheets are eligible to be considered for Grand and Reserve Champion awards. In most classes judged by the Danish System, unless otherwise stated in the class rules, championships will be awarded on the basis of an individual’s total blue ribbon points for that class. Ties will be broken by total red ribbon points for those individuals, and if necessary, by total white ribbon points. If no blue ribbons are received, no championships will be awarded. A Best of Show ribbon may be awarded at the judges’ discretion in each class judged on the Danish System.

JUNIOR AND SENIOR: All Exhibition Center classes, with the exception of Booths and Record Books, will be judged according to Juniors (4-H members through age 12) and Seniors (ages 13 through 19). Ages are as of January 1st of the current year.

- This class is open to youth under the age of 9 who are not enrolled as a 4-H member, but would like to exhibit their handmade items.
- Exhibits must be entered at the times specified in the Rules & Regulations, page 10.

The Premier Showman of the Exhibition Center is a competition to determine the overall show person in the Exhibition Center. This prestigious award recognizes an individual’s ability to create several award-winning exhibits as well as measure their ability to discuss a variety of aspects of their exhibits. Considering the strict criteria necessary to compete, it is an honor to even place in the top ten.

For an individual to qualify to compete for the Premier Showman of the Exhibition Center, the individual must satisfy the following criteria:

- Must have submitted an exhibit in at least 4 different Exhibition Center classes, with completed separate Project Record pages for each Class inserted in the record book.
- The individual’s record book must be entered in the Record Book Class.
- An Individual’s booth may be considered part of an exhibit and must be recorded on the Yearly Record page for that Class.
- Must have received at least one Grand Champion award (senior or junior).
- Must be available to meet with the judges on Sunday morning.
- An individual may be eligible for the Premier Showman Grand Champion award more than once, only if they represent a different grand champion class.

From the list of qualifying individuals, the top ten will be selected to compete according to the number of awards they receive in the following order: blues, reds and whites. Once the ten finalists have been selected, their ranking is established by interviews with the judges. Each individual must select 3 of their exhibits which showcase the extent and quality of their work to discuss with the judges.

Judging Criteria:
- Ability of the exhibitor to show their projects and discuss their choices and techniques used.
- Quality of the exhibits.
- Ability of the exhibitor to discuss their work and answer judge’s questions.

Scoring:
- Appearance of Exhibitor 10 points
- Selection of exhibits 40 points
- Exhibitor explains exhibits and answers questions 40 points
- Exhibitor courteous, alert and knowledgeable 10 points

Awards:
A Grand and Reserve Champion will be selected and will receive champion rosette ribbons. All other participants will receive participation rosettes. Awards will be announced during Closing Ceremonies at the 4-H Fair.

The Premier Showman will receive a special award at the Annual Fair Awards Night.
4-H members are encouraged to keep records as part of their leadership experience. Your 4-H records present a picture of your growth and development as a 4-H member. Accurate record keeping will provide you with personal satisfaction as you record your accomplishments and see improvement in yourself and in your project work. To be of greatest value, Record Books should be kept up to date as the project develops, not made up or carefully copied at the end of the project. Ribbons, news clippings, photographs and other items of recognition are not to be kept in record books. They are appropriate for a 4-H scrapbook. One or two select pictures or news clippings that apply directly to the project area and which add to the value of the record may be included with the record sheets only where requested on the record sheet.

1. 4-H Member’s Record Book must have the current year’s 4-H Yearly Record sheet FIRST, followed by Project Record for each project area, enclosed in a UConn 4-H Record Cover. A 3 ring binder may be used. The cover can be on the inside or the outside of the binder. Sheet protectors may be used with a front side showing and a back side showing in each page protector.

2. Current year’s records and the completion of previous year’s records will be judged. Record books must have ALL previous years’ records included to be considered for Top Awards. Page dividers may be used to separate each year.

3. Leader, parent or guardian’s signature and date MUST be on the 4-H Yearly Record sheet. Independent members must have a parent or guardian’s signature and date. No other record sheets require a signature.

5. Record book pages are available online at s.uconn.edu/4-H.

The Fair Association sponsors awards for TOP QUALITY Record Books exhibited at the Fair. The judges will look at the complete Record Book, including all past years, for growth and development in project areas and record keeping, and for a complete record book with no years missing, as well as for neatness.

Two Top Quality Record Books will be chosen. Once the 1st place award has been received, the 4-Her is no longer eligible for this Record Book Award. However, the 2nd place award can be received more than once.

Up to five awards for OUTSTANDING RECORD BOOKS exhibited by a JUNIOR 4-H member will also be awarded. There is no limit to the number of years that a 4-Her can receive this award.

Lanie Neumann Memorial Award

This award is open to any 4-Her who has submitted a record book for judging in at least two previous fairs. Judges will be looking for record books that express the 4-Her’s enthusiasm for their 4-H experiences and projects, and who have demonstrated growth in their 4-H experience. Pictures are appreciated where appropriate in the record book. The Lanie Neumann Memorial Award may be awarded to the same 4-Her multiple times but no 4-Her can win the award two years in a row.
In all lots below, only the current year is judged.

2022 CONNECTICUT FAIR AND SHOW REQUIREMENTS

GENERAL REQUIREMENTS

1. Health certificates signed by an accredited veterinarian and other required testing will be valid for the entire 2022 show season. If travelling to multiple New England States for exhibition, see the Memorandum – Livestock Health Certificate for the 2022 Show Season for additional requirements.

2. All animals and poultry entered at fairs and shows must be in good health and in proper physical condition and will be examined at the exhibition by the barn superintendent. Evidence of poor condition or infectious or contagious disease or failure to produce the necessary documents for health certification, vaccination or testing will result in ejection. The Connecticut Department of Agriculture Livestock Inspector’s decision is final.

3. Health charts and proof of vaccination where applicable are the responsibility of the exhibitor.

4. Each barn superintendent will collect and hold the Health Certificates from each exhibitor. Animals not in compliance with the state regulations for shows and fairs will not be allowed. A complete list containing the name of exhibitor, address, animal ID (ear tag, tattoo, leg band), breed and age of each animal, and the total head count will be made available to the State Livestock Inspector and forwarded to the Connecticut Department of Agriculture, Bureau of Regulatory Services by the fair superintendent. All animals and poultry present on the grounds should be identified on this list. Any animal that is rejected should be noted as such with a brief statement of reason. Rejected animals or poultry should be removed from the grounds as soon as possible. Any concerns about the health of any animal or bird should be reported to the State Livestock Inspector or the Fair Veterinarian immediately.

5. Isolate all exhibited animals and poultry upon their return to the farm from other animals and poultry for 3-4 weeks to reduce the risk of disease exposure and transmission. Call your local veterinarian if your animals or poultry become sick to help you with diagnosis and treatment.

6. Contact the Bureau of Regulatory Services at 860-713-2504 if you have any questions.

***All cattle, horses and sheep shall have a rabies vaccination given by a licensed veterinarian. The vaccination certificate must be signed by the veterinarian that gave the vaccination and include the animal’s identification and description, the name of the vaccine’s manufacturer, serial number and the date the vaccination was given and when it expires. If it is the animal’s first rabies vaccination, it must be given at least 30 DAYS prior to their first show date to be considered current.***

**IMPORTANT NOTICE**

***All animals for which there is a licensed Rabies vaccine – cattle, horses, sheep, dogs, cats and ferrets exposed to the public shall be vaccinated against Rabies. Animals not having an approved Rabies vaccination shall be displayed in a manner such that the public would not be in contact or exposed to saliva from those animals and have **EASILY VISIBLE POSTED SIGNS OR TAPE** stating, "CONNECTICUT RABIES ADVISORY NOTICE - DO NOT FEED OR TOUCH ANIMALS".***

On August 4, 2009, the Department of Agriculture adopted regulations for the “Control of Rabies in Public Settings” which will be enforced at all Connecticut fairs and public exhibitions. The complete text of the regulations, RCSA §§ 22-359-1 through 22-359-5, follows this notice.

Its provisions include the following for both Connecticut and out of state animals:

1. **Animals for which there is a licensed Rabies vaccine**
   - Horses, cattle, sheep, dogs and cats must be currently vaccinated against rabies by a licensed veterinarian unless they are under the minimum age to be vaccinated. (Ferrets are also included in this category if displayed.)
   - These animals must have a rabies vaccination certificate signed by the licensed veterinarian administering the vaccine that includes the animal’s identification and description, name and address of owner, name of the vaccine’s manufacturer, serial number, date the vaccination was administered and date when it expires.
   - If it is the animal’s first vaccination, it must be given at least **30 days** prior to the first show date to be considered current.
Animals not having an approved Rabies vaccination

- Includes animals for which there is not a licensed rabies vaccine and animals for which there is a licensed rabies vaccine but are under the age to be vaccinated. (Most rabies vaccines are labeled to be administered when animals reach 3 months of age – young animals for exhibition should be vaccinated as soon as possible after 3 months of age.)

- Animals must be separated from the public by sufficient means to avoid direct contact with people and other animals, such as a double fence, plexiglass, or other means; or conspicuous signs or tape must be posted near the animal enclosure stating “CONNECTICUT RABIES ADVISORY NOTICE – DO NOT FEED OR TOUCH ANIMALS”.

Yellow tape with the rabies advisory notice wording is available for purchase from the Department of Agriculture.

Please, contact the Department at (860) 713-2504 if you have questions regarding the requirements, the rabies regulations or if you wish to obtain the rabies advisory notice tape.
