

Intimate Partner Abuse of Men

**Was or is your father a victim of
Intimate Partner Abuse?
And are you 18 years or older?**

If you can answer yes to both of the above questions we would appreciate your participation in our research project. We are conducting research to explore the nature of Domestic Abuse experienced by males in intimate partner relationships and are looking for individuals who can answer yes to both of the above questions to participate in a half-hour interview to explore your experience of male victims of Intimate Partner Abuse.

If you would like to participate in this study please take one of the below slips and Contact Emily Tilbrook with the details provided
