Ian Hodgson, Editor at Large, Garden News Magazine.

Fiona Cumberpatch, Freelance Garden Journalist and Columnist for Modern Gardens.

"This is an unmissable event for anyone who writes about gardening."
Val Bradley, The Sun & Amateur Gardening.

"The Garden press event is a great way to discover new products, chat to the exhibitors and meet cyber friends in person!"
Dave Graney @Greedy_gardens.

"The Garden Press Event is the perfect meeting place where companies, products, press, creators and influencers can come together to find new opportunities and build connections."
Niall McCauley, Gardening Content Creator 'Niall Gardens'.

"I love attending the GPE. It's a fantastic one-stop event that gives me a huge amount of inspiration and content for my gardening features for the rest of the year. It's also a great opportunity to build relationships with brands and meet PRs in person who I communicate regularly with over email throughout the year."
