Unhealthy, unsustainable, and inequitable food system that fails to provide for everyone

OUR ROLE

- Build Networks
- Increase Capacity
- Change Policies
- Shift Culture

GOALS

- Cultivate Justice
- Build Resilience
- Fight Climate Change

OBJECTIVES

- Preserve agricultural land and soils, and invest in long-term food production
- Increase the viability of local farms, fisheries, food businesses, and workers
- Scale up local, sustainable, and equitable food value chains
- Elevate wages and working conditions, and improve career opportunities
- Expand integrated nutrition and food security
- Improve community food environments
- Scale up food waste prevention, recovery, and recycling initiatives
- Increase leadership by Black, Indigenous, and People of Color across the food system
- Build a movement that uplifts a local, sustainable, and equitable food system
- Plan for a resilient food system

IMPACT

Healthy, sustainable, and just food system that elevates social, environmental, and economic equity for all
