A Magical Night
On a cool, crisp fall night, friends of the Pantry gathered outside the Bedford Playhouse, ready to be amazed by the world-renowned OZ PEARLMAN (right). The internationally famous mentalist and magician mingled with guests and interacted with delighted small groups during a cocktail hour before they entered the theater to enjoy his stage performance.

Once inside, the socially distanced audience was thrilled by his mind-reading and magic (See "OZ!" continued on page 3)

The Pantry’s 4th annual Hunger Action Week took place in the last week of September.

We held overwhelmingly successful food drives at local supermarkets and offered special events.

MKIFP welcomes a new sponsor congregation, Bedford Community Church. Founded in 1970 and located in Bedford Hills, BCC is part of the Christian and Missionary Alliance denomination, and is committed to being a multigenerational, multicultural body of believers whose lives demonstrate the love of Christ. An important part of that is a commitment to serve and love the local community, both directly and through partnership with local organizations that share a similar focus. BCC is our 14th sponsoring congregation, and adds to our vibrant interfaith team. The Board welcomes and looks forward to working with new board member Lisa D. Bruno.

Bags of Help, Bags of Hope: Our Home Delivery Service

“Life can turn on a dime,” so a saying goes. An unexpected illness or a job loss can change lives suddenly and radically. Last year, as the Covid-19 pandemic grew more and more threatening in our community, many households found themselves isolated, homebound, and food-insecure for the first time. The Pantry’s Home Delivery program became a lifesaving service for them. Launched in 2011, this program quintupled in size during the pandemic. Pantry Board Member Cecilia Rosenblum, Director of Operations and Programs Roberta Horowitz, and Assistant Director of Operations Christian Ayala lead a dedicated team of volunteers who work tirelessly to respond to the specific needs of our homebound neighbors, delivering customized bags of groceries right to their front doors. And, it is good to know that this has made a real difference.

A senior home delivery recipient told us, “Without the Pantry’s help, we would have been lost. This means so much to me and the other seniors. The Pantry is a blessing.”
