Further Education Providers

Note: We have close working relationships with a number of providers listed below. The list is not exhaustive and is limited to the Birmingham area. Inclusion on this list does not necessarily imply a recommendation and parents and pupils are advised to seek specific advice from providers in advance of any application or intent to attend.

<p>Heart of Birmingham Vocational College HBVC 328-332 Bromford Lane Birmingham B8 2SD (New address) Tel: 0121 8098666</p> <p>https://hbvc.ac.uk/</p>	<p>“We offer personalised learning programmes for learners aged 16–25 who have moderate to severe learning difficulties and/or autism. At Heart of Birmingham Vocational College you will be encouraged to reach a level of independence that is right for you and the direction you want your life to take.</p> <p>You will learn within the college, and at local community facilities and through trips out into the wider community. You will gain experience and learn new skills to prepare you for employment and to help you become more independent.”</p>
<p>Argent College 43-47 Vittoria Street Jewellery Quarter Birmingham B1 3PE Tel: 0121 663 1270</p> <p>https://www.rmt.org/argent/</p>	<p>“Established in September 2015, Argent College resides in a former Victorian factory in Birmingham’s historic Jewellery Quarter. Our curriculum is centred on the creation of jewellery - using metal or leather – and useable craft items - such as textiles and candle making, performing arts, horticulture, and catering. We have a unique urban rooftop micro farm, where biodynamic produce is grown by students to use in our canteens and onsite social enterprise provision - The Hive Organic Cafe and Bakery. The Hive also comprises a gallery and community craft space, providing outstanding work experience opportunities for our students and services for the local community. We cater for students aged 16 - 25”</p>

Further Education Providers

	<p>In April 2016 we were awarded Independent Specialist College status and formed a new college called Wilson Stuart UCB Partnership Trust (WSUCBPT)</p>
<p>Care first The Care First Group Unit 3, Great Barr Business Park Baltimore Road, Great Barr Birmingham, B42 1DY Tel: 0121 358 8150</p> <p>https://www.carefirstltd.co.uk/</p>	<p>Flexible, engaging and fully supported vocational day provision for young adults 16-24 and adults 25+ with mild to moderate learning difficulties/disabilities, brain injuries, autism and/or mental health located in Great Barr and Tamworth. Fundamentally, a planned transition from child to adult services greatly assists the young adult to progress, achieving things they did not think possible. Rather than a 'leap of faith' from school to adult life, an appropriate planned pathway is developed specifically for the student involving the school, the parents and most importantly the young adult.</p>
<p>BMET College James Watt College Aldridge Road, Great Barr B44 8NE Tel: 0121 446 4545</p> <p>https://www.bmet.ac.uk/</p>	<p>Birmingham Metropolitan College is a further and higher education college for 16 – 25 year olds with 10 campuses distributed within Birmingham, England. The college was created in 2009 as an amalgamation of Matthew Boulton College and Sutton Coldfield College.</p> <p>The college is split over a number of campuses and there is a dedicated additional support department which coordinates personalised adaptations for students with additional needs.</p>

	<p>These range from Entry Level tasters to Foundation Degrees, Level 5 vocational programmes and Continuing Professional Development courses.</p>
<p>Selly Oak Trust Oak Tree Lane, Selly Oak, Birmingham B29 6HZ Tel: 0121 472 0876</p> <p>https://www.sellyoak.bham.sch.uk/index.asp</p>	<p>Selly Oak Trust School is a school for students (16-19) who have a statement of special educational need and require support to help them access the curriculum and develop into confident young adults. We have the necessary resources and staff expertise to support our students in fulfilling their potential delivered by a strong team dedicated to providing exceptionally good access to education.</p> <p>On average our class sizes are between ten and fourteen. The majority of classes are benefit from the support of one or more teaching assistant. Depending on need, some students receive targeted tuition in smaller groups and on an individual basis. Where appropriate, there are specific educational and behaviour programmes for individual students, designed to support the development of the whole young person and enable them to fulfil their potential.</p>
