USING YOUR V72 PASSPORT

As you visit participating businesses during V72, please ask your server to check off their corresponding V72 establishment. Visit five or more businesses from January 23rd - January 28th, 2024, then bring your marked passport to 120 W Brookland Park Blvd to receive a FREE vegan treat from Ruby Scoops Ice Cream & Sweets! **Offer Expires 2/29/2024**

PLEASE NOTE

These businesses do their best to make enough specials each day while not having waste. If you want to be sure their special is still available, please check their social media posts or call them directly.

In addition, most of the participating businesses use shared machinery, shared grills, and shared fryers. If you have concerns, be sure to ask first!

*Vegan Action has partnered with **Matchbox Mutual Aid** to be the recipient of donations from businesses and patrons during V72. This umbrella organization supports RVA Community Fridges and Food Not Bombs, two area organizations who work to deter food insecurity. If you would like to donate, please use the QR code on the right.*

Their special V72 Carrot-Ginger Kombucha was such a hit last year, it is back again!
