

Dear Potential Sponsor,

We are excited to announce that Buda Elementary is looking to secure your sponsorship for the upcoming annual Bulldog Dash set to take place on November 2, 2024. We need your support!

Buda Elementary is committed to encouraging a healthy lifestyle for not only our students but our families and community. This event is a positive partnership between the school and the community we serve, that shows students and families that the best life is a healthy life. With your support, we can continue this annual event.

When you sponsor this event, you are helping to raise funds to provide campus wide student celebrations. The profits from this event help fund our social and emotional learning curriculum: Leader In Me for all students on campus. Your sponsorship will also help us ensure a successful event, and allow us to offer scholarships to families/ students that want to participate but may not have the funds to do so. Further, our event awards medals by grade, allowing more students to complete the 5K to earn their own medals!

Our Bulldog Dash is scheduled to take place on November 2, 2024. This year we are taking the race back to our roots, and will start/ end on the old BES campus and run through historic downtown Buda and Buda City Park. This event is open to the public and is advertised on social media networks. As a potential sponsor, you will have the chance to come and converse with the community and promote your business.

Please see the next section of this form for levels of sponsorship available. Use the information below to complete the sponsorship form and actively support this event. The sooner you sign on, the sooner we can incorporate your business information into our marketing materials. We look forward to hearing from you!

Thank you in advance for your sponsorship and for extending your generosity!
