(a) The commission shall allocate live race dates, including charity days, to each association for such time periods and at such racing locations as the commission determines in accordance with the Act and this section.

(b) Upon its own motion or upon the request of any association, the commission may designate an application period during which the commission shall accept applications for race dates.

(c) The commission shall establish the time period or periods for which it will consider granting race dates.

(d) Upon designation by the commission of an application period under this section, the executive secretary shall publicize that application period to the affected greyhound and horse racing associations at least 30 days before the closing date of the period.

(e) The application must be on a form prescribed by the commission. After the request is filed, the executive secretary may require the association to submit additional information if the executive secretary determines the additional information is necessary to effectively evaluate the

request.

(f) In allocating race dates under this section, the commission may consider the following factors and the degree to which the association's proposed race meeting will serve to nurture, promote, develop, or improve the horse or greyhound industry in Texas:

(1) the association's current ability to pay all fees and other amounts owed to the commission, to the state, and to local governments;

(2) the association's willingness and ability to comply and past performance in complying with the Rules and provisions of the Act;

(3) the current condition of the association's racetrack and facilities for patrons, race animals, and occupational licensees;

(4) the anticipated effect of the proposed race meeting on the continuity of racing during the year;

(5) the live race dates requested by other associations licensed to conduct races for the same species of animal;

(i) If circumstances beyond the control of the association prevent the association from

conducting a performance, the commission may award a make-up performance.

(j) Change in Race Date Allocation.

(1) The executive secretary may permit an association to request additional live race dates after its request under this section has been acted on by the commission if the executive secretary determines that:

(A) the request includes evidence that granting the additional live race dates will enhance the breeding and training industries for horses or greyhounds;

(B) the association's failure to request the live race dates initially was not due to the association's neglect; and

(C) if the request duplicates a request by the association that has already been denied by the commission, changed circumstances exist that necessitate additional consideration by the commission.

(2) An association may request a change to the live race dates granted by the commission provided the association obtains the approval of all associations that are affected by the proposed change. This subsection applies to any proposed change to the number or format of live race dates.

(3) The executive secretary may approve an association's request to add, delete, or modify live race dates, provided that the request:

(A) does not add any live race dates that are more than fourteen calendar days preceding the start of the Commission-approved race meet or more than fourteen days following the end of the Commission-approved race meet;

(B) is supported in writing by each breed organization affected by the change;

(C) is supported in writing by each association that is affected by the change; and

(D) in the case of a horse racing association, is supported in writing by the horsemen's organization.

(4) In determining whether to approve a request under this subsection, the executive secretary may consider the effect that approving the request would have on the workload and

budget status of the Commission.

(5) For purposes of this subsection, an allocation of live race performances may be changed in the same manner as a change in the allocation of live race dates. (a) The commission may not grant overlapping live race dates for the same breed of horse at Class 1 racetracks unless the overlapping is agreed to in writing by the affected Class 1 racetracks.

(b) For any year in which there are less than three Class 1 racetracks in Texas holding final non-appealable licenses, the commission shall allocate to each such racetrack at least 17 consecutive weeks of live thoroughbred racing and at least 17 consecutive weeks of live quarter horse racing, unless otherwise agreed to by the appropriate breed registry. Each week of live racing shall consist of a minimum of four consecutive race days. If a Class 1 racetrack informs the commission in writing that it does not desire the full number of weeks of racing for either breed, the commission may allocate the extra weeks to another racetrack. **Sec. 303.63. Comptroller Rules.**

If the comptroller adopts rules for the enforcement of the comptroller's powers and duties under the Act, a licensee's failure to comply with a rule of the comptroller is considered a violation of a rule of the commission and is grounds for disciplinary action by the commission. ### **Division 2. Programs for Horses**

#### **Sec. 303.92. Thoroughbred Rules.**

(a) Definitions. The following words and terms, when used in this section, shall have the following meanings, unless the context clearly indicates otherwise:

(1) Horse Owner--a person who is owner of record of an accredited Texas-bred horse at the time of a race.

(2) Breeder--the owner of the dam at the

time of foaling as stated on the foal's Jockey Club certificate of registration.

(3) Stallion Owner--a person who is the owner of record, at the time of conception, of the stallion that sired the accredited Texas-bred horse.

(4) Accredited Texas--bred Thoroughbred--a horse registered with the Jockey Club, accredited with the breed registry and foaled in Texas, out of a mare accredited with the breed registry that is permanently domiciled in Texas.

(5) Accredited Texas Thoroughbred Mare--a mare registered with the Jockey Club, accredited with the breed registry, and permanently domiciled in Texas except for racing and breeding privileges. Annual reproductive activity of the mare may be required to be reported to the breed registry in writing via photocopy of the Live Foal Report/No Foal Report submitted annually to the Jockey Club.

(6) Accredited Texas Thoroughbred Stallion--a stallion registered with the Jockey Club, accredited with the breed registry, and standing in Texas. The breed registry must be notified in writing within 10 calendar days each time the stallion leaves or enters the State of Texas. A photocopy of the annual Report of Mares Bred may be required to be submitted to the breed registry office on or before the date required by the Jockey Club (August 1). Stallion owners are eligible to receive stallion awards only from offspring sired in Texas after the stallion has become accredited with the breed registry and the applicable administrative fees have been paid.

(7) Breed Registry--the Texas Thoroughbred Association, the official breed registry for thoroughbred horses as designated in the Act.

(8) Bred--a mare is considered to have been bred by a stallion if the physical act of breeding has occurred and the mare is listed on the stallion's Report of Mares Bred filed with the Jockey Club for a particular breeding season and is not subsequently bred during that breeding season to a stallion not accredited by the breed registry. A mare does not have to become pregnant or

produce a live foal to be considered bred, so long as these criteria are met.

(b) Organizational Structure. The breed registry shall comply with the provisions of the Act and Rules and shall further maintain substantially the following:

(1) Records of the breed registry shall be kept so as to identify separately the activities of the accredited Texas-bred program.

(2) Management of the accredited Texas-bred program shall be under the control of the board of directors of the breed registry and may be exercised through a committee or other governing body appointed by and accountable to the board of directors. The committee shall keep records or minutes of its proceedings and shall establish its operational procedures. The committee's records must be available for inspection at any time by the commission at the office of the breed registry. The committee is authorized to reasonably interpret the definitions and standards of this section, subject to approval by the board of directors, whose decision in such matters shall be final.

(3) The committee shall prepare and implement a budget on an annual basis, subject to prior approval of the board of directors. The budget may contain provisions for reserves for contingencies deemed appropriate. The breed registry may develop and implement a fair system for sharing and allocating expenses and operational costs between breed registry activities and accredited Texas-bred program activities, taking into consideration the promotion and improvement of thoroughbred horses in Texas. In no event may funds that are dedicated by law to fund the incentive awards program be used for any other purpose. Any funds or services advanced or provided by the breed registry to the accredited Texas-bred program may be offset or otherwise recouped upon proper accounting. The committee is authorized to set and collect application and administration fees.

(4) From time to time, additional accredited Texas-bred awards become due after the fact of initial awards calculation and timely

distribution for each race meet. The additional awards are most often due as the result of a disqualification with subsequent revised order of finish and redistribution of purse funds. Other factors may include incomplete or incorrect data received by the breed registry. In all instances, the changes are beyond the control of the breed registry. The committee shall establish an awards redistribution fund for each racetrack, not to exceed 5% of the total awards payout for each racetrack. The committee shall determine the amount of the redistribution fund for each racetrack and shall review the amount annually to make appropriate adjustments. The committee shall also establish a minimum fund balance for each racetrack. The fund shall be replenished only when a minimum fund balance is reached. Redistribution funds shall be derived from accredited Texas-bred awards funds generated from multiple wagers at each racetrack and shall be set aside before any regular accredited Texas-bred awards are calculated or paid. Redistribution funds shall only be used to pay accredited Texas-bred awards that become due after the initial calculation and timely distribution of awards payable for each race meet. In the event that, after initial awards calculation, a disqualification or other change in accredited Texas-bred awards that cannot be paid because a horse that is not eligible for awards moves up in the order of finish, those awards shall be added to the redistribution fund.

(5) Eligibility for awards under the accredited Texas-bred program may not be conditioned upon membership in an organization.

(c) Procedure for Payment of Awards.

(1) Conditions precedent for payment of awards are:

(A) If a horse is leased, there must be on file with the breed registry a lease agreement specifying which party shall receive award money.

(B) Breeder's Awards will be paid only on an accredited Texas-bred Thoroughbred whose dam was accredited with the breed registry either prior to foaling the subject horse or within the same calendar year of foaling the subject horse

and is covered by the definition set forth in Section §2021.003(50) of the Act. A horse covered by §2021.003(50)(C) of the Act is eligible for only one-half of the incentives awarded pursuant to §§2028.103 and 2028.105 of the Act, except as provided by subparagraph (C) of this paragraph.

(C) If an accredited Texas-bred Thoroughbred mare dies during or after foaling a foal that was not sired by an accredited Texas-bred stallion and before she can be bred back to an accredited Texas-bred Thoroughbred stallion during that breeding season, said foal shall be eligible for full accredited Texas-bred breeder awards provided that, not later than August 1 of the year of foaling, the breeder files an official death report with the Jockey Club and submits the following documentation to the Texas Thoroughbred Association via certified mail or other return receipt delivery method:

(i) a copy of the Jockey Club death report;

(ii) a completed official Texas Thoroughbred Association death report; and

(iii) a veterinarian's statement of the date, location, and cause of the mare's death.

(D) Accreditation fees are non-refundable after a work order has been assigned to an eligible entry. If a horse is ineligible, the fee will be refunded to the applicant.

(E) When any accredited Texas-bred horse becomes breeding stock, it must be converted, with the breed registry, to an accredited mare or stallion.

(F) All applicable fees set by the breed registry must have been paid.

(G) All participants in the accredited Texas-bred program must provide the breed registry in writing the identity of the authorized payee and the address to which awards are to be sent. Any change in ownership, payment entitlement, or address shall not be effective unless and until it is provided to the breed registry in writing. The breed registry may rely on the information so provided to it.

(2) Owner's Awards.

(A) Any accredited Texas-bred Thoroughbred that finishes first, second, or third in any race in Texas (with the exception of a stakes race restricted to accredited Texas-breds) shall receive an owner's incentive award. All owner's incentive awards shall be noted in each association's condition book and race program so as to identify the availability of the accredited Texas-bred program owner incentive awards.

(B) An accredited Texas-bred Thoroughbred horse that finishes first, second, or third in a race, other than a Texas-bred race, shall receive an owner's bonus award as a purse supplement, as provided by Section 6.08(n) of the Act.

(3) Award funds derived by the breed registry pursuant to §6.08(f) of the Act may be allocated and disbursed by the breed registry to purses at Texas associations for races restricted to accredited Texas-bred thoroughbred horses for special event races or days.

(4) Funds actually received from a greyhound association pursuant to §6.091(c)(2) of the Act shall be used as purses by the breed registry within a reasonable time, not to exceed 18 months from date of receipt.

(5) If a share of the breakage cannot be distributed to the person who is entitled to a share, the breed registry shall retain that share. Thereafter, a notice of the entitlement shall be published in the *Texas Thoroughbred* magazine for the first three issues of the second calendar year after accrual of the entitlement. If the entitlement is not claimed before August 31 following such publication, the funds shall be transferred to the breed registry's general account. If the person entitled to the share thereafter makes a claim in a form acceptable to the breed registry, the breed registry shall pay such person the amount of the share.

(d) Procedure for hearings. The following provisions shall apply to hearings on matters pertaining to administration of the accredited Texas-bred program.

(1) Right to hearing. If the breed registry proposes to deny an application for accreditation, revoke an accreditation previously granted, or withhold payment of an award, the person(s) affected shall be notified in writing of the proposed action and the basis therefore. The action shall become final, unless within 10 days of the date of receipt of the notice by the affected person(s), the person(s) files with the breed registry a written request for a hearing before its board of directors. On timely receipt of a request, the board of directors shall conduct a hearing. The board of directors, in its sole discretion, may grant or conduct a Texas Racing Commission hearing on any other matter or issue raised by the administration of the accredited Texas-bred program.

(2) Notice of hearing. The board of directors shall send written notice of the hearing to all affected parties. The notice must be received at least 10 days prior to the date of hearing, must specify the time and place of hearing, must contain a statement of the matters to be considered and possible action to be taken, and must advise the recipient(s) of the right to appear and present evidence.

(3) Conduct of hearing. The breed registry shall have the burden of proof in any proceeding for denial or revocation of accreditation. In all other matters, the burden of proof is on the party seeking action by the breed registry. Each party shall be entitled to representation by legal counsel. The board of directors may determine the order and length of the proceeding and shall allow each party the opportunity to submit sworn testimony, documents, and argument as the party may desire, but formal rules of evidence shall not apply. All witnesses are subject to cross-examination and to questions from the members of the board of directors. A record of the proceedings shall be made and kept, and a transcript shall be provided to any party who requests and pays in advance for same.

(4) Decision. At any time after the closing of the hearing, the board of directors may issue its

decision, which shall be in writing and which shall state the findings and reasons for the action taken. In addition to ruling on the issues presented, the decision may require any party to reimburse the breed registry for its expense and attorneys fees incurred in the preparation for and conduct of the hearing and may require repayment with lawful interest to the breed registry of any funds found to have been wrongfully or improperly received. The decision of the board of directors is final and not subject to review. A copy of the decision shall be filed with the Commission and shall be published in the next issue of the Texas Thoroughbred, and thereafter all persons shall have constructive notice of the decision and its contents. (C) A stallion may not be accredited for a particular foal unless all foals conceived in that year, other than foals conceived by a shipped semen process, were conceived in Texas. (B) Leased horses must have an AQHA lease form on file with the TQHA prior to receiving any ATB awards on that horse.

(C) A breeder is eligible to receive breeder awards for an ATB horse only if the ATB broodmare was accredited in accordance with (b) (2) (B) of this section. ## **Division 3. Programs for Greyhounds**

### **Sec. 303.101. Greyhound Breed Registry.**

(a) Designation. The Texas Greyhound Association is the official breed registry for greyhounds.

(b) Grant Program.

(1) Each calendar year, the Texas Greyhound Association shall use 2% of the funds it receives under the Act, §6.09(d) for a grant program.

(2) The grants must be awarded to an organization that is an exempt organization for purposes of federal income tax and that conducts programs for the rehabilitation or adoption of greyhounds who have completed their racing careers.

(3) The Texas Greyhound Association shall adopt criteria and procedures for the awarding of the grants. The criteria and procedures are subject to the approval of the executive secretary.

(4) Not later than March 1 of each year, the Texas Greyhound Association shall file with the commission a written report detailing the grants awarded under this subsection during the preceding calendar year. The Texas Greyhound Association shall appear before the commission at the request of the commission to report on its activities under this subsection. (Added eff. 3/28/89)

### **Sec. 303.102. Greyhound Rules.**

(a) Registration as a Texas-Bred Greyhound.

(1) Eligibility Requirements for Owner/Lessee. The owner or lessee of the dam at the time of whelping must have been a resident of Texas for the three-year period preceding the date the litter was whelped. If the dam has multiple owners, each owner must meet the requirements in this subdivision.

(2) Eligibility Requirements. To be registered as a Texas-bred greyhound, a greyhound must have been whelped in Texas and remained domiciled in Texas for the first six months of life.

(3) Registration Procedure.

(A) The owner or lessee of the dam at

the time of whelping is responsible for registering a greyhound as Texas-bred.

(B) The owner or lessee must submit to the Texas Greyhound Association (“TGA”) the original “Litter Registration Acknowledgement” received from the National Greyhound Association (“NGA”), with a check or money order for the registration fee established by TGA.

(C) With the application for registration, the owner or lessee must file an affidavit with the TGA affirming that all litter applications submitted by the owner or lessee meet the registry requirements. The affidavit must include an agreement that if any of the greyhounds being registered are removed from Texas before six months of age, the owner or lessee will notify TGA no later than 10 days after the removal. On being notified that a registered greyhound has been removed from Texas before six months of age, TGA shall remove the greyhound from the registry.

(D) If the litter qualifies to be registered as Texas-bred greyhounds, the TGA will stamp the “Litter Registration Acknowledgement” and “Certificate of Registration” of each affected greyhound as “Texas Bred” and return them to the sender.

(E) A person who submits an application for registration knowing that the application contains false information is subject to discipline by the TGA Executive Committee, including suspension from the TGA.

(b) Owners’ Awards.

(1) The owner of a registered Texas-bred greyhound is eligible to receive an owner’s award if the greyhound is among the first four Texas-bred greyhounds to finish a pari-mutuel race in Texas. For purposes of this subdivision, each elimination and final in a stakes race competition is considered a pari-mutuel race. A dead heat for any position is considered a placement in that position for each greyhound involved in the dead heat.

(2) TGA will pay owners’ awards no later than the last business day of each month for the previous month’s awards. TGA will issue the

check for each award to the person in whose name the Texas-bred greyhound is registered.

(3) Determination of Available Award Funds. Available owners’ awards for each month are composed of the sum of the following two amounts:

(A) the total amount of money received from the Commission for the Texas Bred Incentive Program for the period between the dates that the last Texas greyhound meet ended and the current Texas greyhound meet began, minus the statutorily permitted amount for administrative expenses, multiplied by the ratio of the live pari-mutuel races proposed for the month to the number of live pari-mutuel races proposed in the current greyhound meet; and

(B) the total amount of money received from the Commission for the Texas Bred Incentive Program during the current greyhound meet for the month, minus the statutorily permitted amount for administrative expenses.

(4) Owners’ awards for each live race during a month shall be paid out as follows:

(A) First Texas-bred greyhound – each Texas-bred greyhound finish for first among Texas-bred greyhounds that compete in a Texas pari-mutuel race shall receive an equal share of 50% of the award funds available under paragraph (3) of this subsection.

(B) Second Texas-bred greyhound – each Texas-bred greyhound finish for second among Texas-bred greyhounds that compete in a Texas pari-mutuel race shall receive an equal share of 25% of the award funds available under paragraph (3) of this subsection.

(C) Third Texas-bred greyhound – each Texas-bred greyhound finish for third among Texas-bred greyhounds that compete in a Texas pari-mutuel race shall receive an equal share of 15% of the award funds available under paragraph (3) of this subsection.

(D) Fourth Texas-bred greyhound – each Texas-bred greyhound finish for fourth among Texas-bred greyhounds that compete in a Texas pari-mutuel race shall receive an equal share of 10% of the award funds available under

paragraph (3) of this subsection.

(5) TGA shall make a reasonable effort to deliver all owners' awards. If after 12 months after issuing a check for an owner's award TGA is unsuccessful in delivering the check to the proper person, TGA shall void the check and add the unclaimed amount to the total amount to be distributed as owners' awards for the next greyhound meet.

(6) Each month, one owner's award share under each subparagraph listed under paragraph (4) of this subsection will be retained to cover errors that may be made by TGA. A person who believes he or she is entitled to an owner's award must file a claim with TGA no later than 90 days after the end of the month during which the race on which the claim is based was conducted. On receipt of a claim for an owner's award, TGA shall determine whether the claim is valid. If the claim is valid, TGA shall immediately pay the owner's award. After the deadline for filing a claim, TGA shall add the remaining retained owner's award shares to the total amount to be distributed in the next greyhound meet. If more than one valid claim is filed, TGA shall pay the second and subsequent claims from the owner's award shares retained from the next and subsequent months until all valid claims are paid.

(7) At the conclusion of the current greyhound meet and after the TGA has distributed all owners' awards under this subsection, the TGA shall add any remaining Accredited Texas Bred Funds to the total amount to be distributed as owners' awards at the next greyhound meet.

(8) An owner's award may not be paid for a greyhound that is disqualified from a race due to a positive drug test. On notice to TGA that a race's results are affected by a positive drug test, TGA shall retain any owner's award due to the affected greyhound until the Commission's disciplinary proceedings regarding the positive drug test are final and unappealable. If the greyhound's disqualification is overturned, the TGA shall pay the retained owner's award within 30 days of receiving notice of the final disposition of the proceeding. If the greyhound's disqualification is upheld,

the amount of the retained owner's award shall be added to the total amount to be distributed as owners' awards for the next greyhound meet after the month in which TGA is notified of the final disposition of the proceeding.

(c) Stakes Races.

(1) Pursuant to the Act, §6.09(d) and Tex. AG. Op. No. DM-211, TGA shall pay one-half of the breakage it receives as additional purse money for stakes races restricted to Texas-bred greyhounds. All registered Texas-bred greyhounds are eligible to participate in a Texas-bred restricted stakes race, subject to the conditions of the race.

(2) TGA shall develop the conditions of each Texas-bred restricted stakes race in cooperation with the racetrack at which the race will be conducted. The conditions of the race are subject to the approval of the executive secretary.

(3) TGA shall pay the allotted additional purse money for the race to the racetrack at which the race will be conducted. The racetrack shall hold the additional purse money received from TGA until the executive secretary advises the association that the race has been cleared for payment.

(d) Distribution of purse money from cross-species simulcasting.

(1) To enhance live racing opportunities at Texas greyhound racetracks, TGA shall pay to each greyhound racetrack the purse money it collects pursuant to the Act, §6.091(d)(2) from interstate cross-species simulcasting at Texas horse racetracks in accordance with an allocation approved by the Commission. TGA shall prepare a proposed allocation for consideration by the Commission. In preparing a proposed allocation, TGA shall consider:

(A) the average price-per-point paid for purses at each greyhound racetrack during the preceding year;

(B) the purse payout at each greyhound racetrack during the preceding year; and

(C) the impact cross-species simulcasting has made on greyhound purse revenues at each greyhound racetrack during the

preceding year.

(2) Annually, the executive secretary shall establish a deadline by which the proposed allocation must be submitted. The executive secretary shall ensure each of the greyhound racetracks has notice of the proposed allocation and the date, time, and location of the Commission meeting at which the proposed allocation will be considered for approval. (Added eff. 7/18/89; amended eff. 12/1/96; amended eff. 1/1/02; (b) amended eff. 11/7/16; (D),(E) amended eff. 11/7/21)

(d) On learning of the felony conviction, felony probation revocation, revocation of parole, or revocation of mandatory supervision of a licensee, the commission shall revoke the licensee's license. (Added eff. 3/28/89; (a), (b) amended eff. 7/1/92; (c) added eff. 7/1/92; (c) amended (d) added eff. 1/1/99)

## **Subchapter G. Horse Industry Escrow Account**

### **Division 1. General Provisions**

#### **Sec. 303.301. Definitions.**

The following words and terms, when used in this subchapter, shall have the following meanings:

(1) Account - the horse industry escrow account.

(2) Association - a horse racetrack association. (Added eff. 11/19/19)

#### **Sec. 303.302. General Provisions.**

(a) At least once each year, the Commission shall make an allocation of funds from the horse industry escrow account in accordance with §§2028.204-.205 of the Act.

(b) The Commission may make allocations of funds from the account at different times to horse racetrack associations and to breed registries, provided that not more than 70% of the amount deposited into the account is allocated to racetrack associations each year.

(c) At least 30 days before a deadline for submitting requests for allocation from the account, the executive director shall notify all entities eligible to request funds from the account at that time. (Added eff. 11/19/19)

### **Division 2. Horse Racetrack Associations**

#### **Sec. 303.311. Allocations to Horse Racetrack Associations.**

(a) When requesting allocation from the account for purses, each association shall also recommend the percentages by which it will divide its share of the horse industry escrow account funds among the various breeds of horses.

(b) The Commission shall determine the amount of the allocation to each racetrack in accordance with the standards set forth in the Act, §§2028.204-.205.

(c) The percentages by which an association will divide the horse industry escrow account revenue

among the various breeds of horses is subject to the approval of the Commission. When requesting Commission approval of the percentages, the association shall present in writing studies, statistics, or other documentation to support its proposed division of horse industry escrow account revenue. The Commission may consider the following criteria when evaluating the association's studies, statistics, or other documentation submitted to support its proposed division of horse industry escrow account revenue before granting its approval:

(1) local public interest in each breed as demonstrated by, but not limited to, the following factors:

(A) simulcast import handle by breed;

(B) live handle by breed; and

(C) live attendance.

(2) earnings generated by the association from each breed;

(3) racetrack race date request and opportunities given to each breed;

(4) statewide need by breed; and

(5) national public interest in each breed as determined by the live simulcast export handle of each Texas meet.

(d) If the Commission determines that the association's proposed division of the horse industry escrow account revenue is inconsistent with the association's obligation to accord reasonable access to races for all breeds of horses, the Commission may:

(1) require the association to submit additional information supporting its recommendation for consideration at the next Commission meeting;

(2) reject the association's recommendation and require the association to submit a new recommendation for consideration at the next Commission meeting; or

(3) reject the association's recommendation and approve an alternate division of the horse industry escrow account revenue as determined by the Commission.

(e) In lieu of the process outlined in subsections (c) and (d) of this section, a signed agreement between the association and the organizations recognized by the Commission or in the Act as representatives of horse owners, trainers, and/or

breeders may be submitted to the Commission for consideration and approval. For the Commission to approve the agreement, the agreement must:

(1) delineate the percentages by which the horse industry escrow account revenue received by the association will be divided amongst the various breeds of horses; and

(2) be signed by all organizations recognized by the Commission or in the Act as representatives of horse owners, trainers, and/or breeders. (Added eff. 11/19/19)

### **303.312. Limitation on Use of Funds by Racetrack Associations.**

Funds allocated to racetrack associations from the horse industry escrow account may only be used for purses and for administrative expenses payable to the horsemen's organization pursuant to Section 2028.102 of the Act. (Added eff. 11/19/19)

## **Division 3. Breed Registries**

(c) A breed registry requesting an allocation from the horse industry escrow account shall do so using forms approved by the executive director.

(d) When requesting an allocation from the horse industry escrow account, an eligible breed registry shall indicate the event(s) for which it intends to use the funds and provide the following information for each event:

purchase of assets, and other administrative expenses stated separately; and

(5) the anticipated economic impact of the event on the horse industry.

(e) The Commission may approve a request for allocation of funds submitted by an eligible breed registry if, after considering the factors set forth in the Act, §2028.204(b), it finds that the request satisfies the requirement that the funds be used for events to further the horse industry. Requests may be approved in full or in part, at the discretion of the Commission.

(f) If the total of funds requested by eligible breed registries exceed the funds expected to be available in the account, the Commission may approve requests on a pro rata basis, may approve funding for certain events but not others, or a combination. Priority shall be given to events that the Commission finds likely to have the greatest economic impact in the following areas:

- (1) the state's horse racing industry;
- (2) live racing at the state's racetracks;
- (3) the horse breeding industry;
- (4) the state of Texas as a whole; and

(d) A breed registry may pay a cost out of funds awarded from the horse industry escrow account if it satisfies subsections (a) through (c) of this section and is reasonable and adequately documented.

(1) A cost is reasonable if the cost does not exceed that which would be incurred by a prudent individual or organization under the circumstances prevailing at the time the decision was made to incur the cost and it is necessary to achieve the purpose for which the funds were sought.

(2) A cost is adequately documented if the cost is supported by Generally Accepted Accounting Principles, the breed registry's accounting records, and documented in accordance with §303.325 of this subchapter (relating to Quarterly Reports).

(e) Use of funds allocated to a breed registry from the account shall comply with the current Uni-

(g) The Commission may require a breed registry to repay any funds not expended in accordance with Section 2028.204 of the Act and this section after the completion of an event. (Added eff. 11/19/19; amended eff. 8/11/20)

(A) a change to an event that, after the change, would qualify for approval by the executive director; or

(B) for an event that does not qualify for approval by the executive director, a change to one or more of the following:

(i) the date, if the proposed new date is within six months of the original date;

(2) the Commission, for all other changes.

(b) The request must explain the proposed change, the reason for the change, and the anticipated economic impact of the event as modified on the horse industry.

(c) The executive director may approve or deny a change requested under subsection (a)(1) of this section or may forward the request to the Commission for consideration. Upon request by the breed

The procedures in this chapter supplement any applicable procedures required by statute or another Rule. (Added eff. 1/1/02)

#### **Sec. 307.2. Definitions.**

Examples of contested case proceedings are an administrative penalty issued by the executive secretary and an appeal from a stewards' or judges' ruling.

(b) A decision-making proceeding is one in which the Commission is authorized or required by law to make a decision regarding the rights or privileges of a person in open meeting, but without an evidentiary hearing. An example of a decision-making proceeding is the allocation of live race dates pursuant to the Act, §§8.01 and 10.01.

(c) A proceeding before the stewards or racing judges is one conducted pursuant to the Act, §3.07 or to authority granted by the Commission in the Rules.

The executive secretary shall present a staff recommendation if requested by the Commission.

(c) Commission Action. Commission action in a decision-making proceeding must be made in open meeting in accordance with the open meetings law, Government Code, Ch. 551.

(d) Documentation of Decision. Each decision made by the Commission in a decision-making proceeding is documented by the transcript of each open meeting at which the issues involved in the proceeding are discussed or the decision is made. No written order of the Commission is required in a decision-making proceeding. The Commission or the executive secretary may issue a written statement clarifying a Commission decision in a decision-making proceeding if the Commission or the executive secretary determines the statement will facilitate understanding of and compliance with the decision. (Added eff. 1/1/02)

### **Sec. 307.5. Special Provisions Regarding Racetrack License Applications.**

(a) To the extent that Chapter 309 of this title (relating to Racetrack Licenses and Operations) conflicts with this chapter regarding application procedures for a license to operate a pari-mutuel racetrack, Chapter 309 controls.

(b) For each application, the executive secretary shall determine whether to refer the application to SOAH for a hearing. In making the determination, the executive secretary shall consider the expressed support and opposition to the application. For each application the executive secretary proposes should be denied, the executive secretary shall refer the application to SOAH for a hearing. (Added eff. 1/1/02)

### **Sec. 307.6. Probation.**

(a) If the Commission, stewards, or racing judges suspend a license issued under the Act, the Commission, stewards, or racing judges may probate all or any portion of the suspension.

(b) The order or ruling entered placing a licensee on probation must state the specific probationary period and the terms and conditions of the probation.

(c) The terms and conditions of probation must have a reasonable relationship to the violation and may include:

(1) attending a prescribed number of hours in a specific area of study during the probationary period;

(2) passing a prescribed examination in a specific area of study;

(d) If the Commission, stewards, or racing judges determine the licensee has failed to comply with the terms and conditions of the probation, the probation may be revoked on three days notice to the licensee. (Added eff. 1/1/02)

### **Sec. 307.7. Ejection and Exclusion.**

(a) The Commission, executive secretary, stewards, or racing judges, may order an individual ejected or excluded from an association's grounds in accordance with the Act if the Commission, executive secretary, stewards, or racing judges, determine that:

(1) the individual may be excluded or ejected under the Act, §3.16 or §13.01; and

(2) the individual's presence on association grounds is inconsistent with maintaining the honesty and integrity of racing.

(b) Not later than 20 days after notification of the exclusion or ejection is sent or served, a person ejected or excluded under this section may request a hearing pursuant to the Act, §13.02 and this chapter.

(c) If a person is excluded under this section, a race animal owned or trained by or under the care or supervision of the person is ineligible to be entered or to start in a race in Texas. (Added eff. 1/1/02; (b) amended eff. 6/1/02)

### **Sec. 307.8. Negotiated Rulemaking and Alternative Dispute Resolution.**

(a) Policy. It is the Commission's policy to encourage the use of negotiated rulemaking and alternative dispute resolution procedures in appropriate situations.

(b) Negotiated Rulemaking. When the Commission finds that a rule to be proposed is likely to be complex, controversial, or affect disparate groups, the Commission may propose to engage in negotiated rulemaking in accordance with Government Code, Chapter 2008.

(1) When negotiated rulemaking is considered, the Commission's general counsel, or designee, shall be the Commission's negotiated rulemaking convener.

(A) The convener shall assist in

identifying persons who are likely to be affected by a proposed rule, including those who oppose issuance of a rule. The convener shall discuss with those persons or their representatives the factors provided in Government Code §2008.052(c).

(B) The convener shall then recommend to the Commission whether negotiated rulemaking is a feasible method to develop the proposed rule and shall report to the agency on the relevant considerations, including those listed in Government Code §2008.052(d).

(2) Upon the convener's recommendation to proceed, the Commission may initiate negotiated rulemaking according to the provisions of Government Code, Chapter 2008, including the appointment of the negotiated rulemaking committee's members under Government Code §2008.054.

(3) The executive secretary shall appoint the negotiated rulemaking committee's facilitator, subject to the requirements of Government Code §2008.055.

(c) Alternative Dispute Resolution. The Commission encourages the fair and expeditious resolution of disputes through alternative dispute resolution (ADR) procedures.

(1) ADR procedures include any procedure or combination of procedures described by Civil Practice and Remedies Code, Chapter 154. ADR procedures are intended to supplement and not limit other dispute resolution procedures available for use by the Commission.

(2) Any ADR procedure used to resolve disputes with the Commission shall conform with Government Code, Chapter 2009, and, to the extent possible, the model guidelines for the use of ADR issued by the State Office of Administrative Hearings (SOAH).

(3) Upon receipt of notice of a dispute, the Commission's executive secretary, in consultation with the Commission's general counsel, shall determine whether use of an ADR procedure is an appropriate method for resolving the dispute.

(4) If an ADR procedure is determined to be appropriate, the Commission's executive

secretary shall recommend to the opposing party the use of ADR to resolve the dispute. The Commission's general counsel will collaborate with the opposing party to select an appropriate procedure for dispute resolution and implement the agreed upon procedure consistent with SOAH's model guidelines.

(5) ADR for Breach of Contract Claims. Resolution of breach of certain contract claims brought by a contractor against the Commission shall conform to the requirements of Government Code, Chapter 2260. The Commission adopts by reference the Office of the Attorney General's rules regarding the negotiation and mediation of certain contract disputes (1 Texas Administrative Code Part 3, Chapter 68).

(6) The requirements of Government Code, Chapter 2260, and the Office of the Attorney General's model rules are required prerequisites to a contractor filing suit in accordance with Civil Practices and Remedies Code, Chapter 107.

(d) The Commission's general counsel, or designee, shall coordinate the implementation of the policy set out in subsection (a) of this section in accordance with state law and provide necessary training. The Commission's general counsel, or designee, is designated as the coordinator to implement the Commission's policy under this rule, provide necessary training, and collect data concerning the effectiveness of the implemented procedures. (Added eff. 5/30/13)

## **Subchapter B. Contested Cases**

### **Sec. 307.31. Prehearing Procedures.**

(a) Docketing. When a pleading to institute a contested case proceeding before the Commission is received, and it complies with the Rules as to form and content, the executive secretary shall docket the proceeding as pending, numbered in accordance with the docket numbering system of the Commission.

(b) Settlement. The executive secretary may attempt to settle any contested case proceeding through agreement. If the proceeding involves a racetrack, the executive secretary shall present an

agreed order to the Commission. If the proceeding involves an occupational licensee, the executive secretary may issue a ruling reflecting the terms of the agreement and if applicable, superceding the stewards' or judges' ruling.

(c) Referral to SOAH. If after a reasonable time the proceeding cannot be settled through agreement, the executive secretary shall refer the matter to SOAH. (Added eff. 1/1/02)

#### **Sec. 307.32. Nonparty Participation.**

(a) A person who instead of intervening desires merely to express support or opposition in a contested case proceeding pending before the Commission may file with SOAH a request for nonparty participant status which includes a written statement regarding the person's position on the matter. The request must be filed not later than the date set by the administrative law judge (ALJ). At the time of filing, the person shall serve a copy of the statement on each party of record and file proof of service with SOAH.

(b) The ALJ may authorize a late filing under this section on a motion showing extenuating circumstances.

(c) A nonparty participant's statement may be stricken from the record if the ALJ determines that it does not substantially comply with this section. (Added eff. 1/1/02)

#### **Sec. 307.33. Hearing.**

(a) A hearing conducted by SOAH on a contested case proceeding pending before the Commission is governed by SOAH's rules of procedure. (Added eff. 1/1/02)

#### **Sec. 307.34. Exceptions and Replies.**

Not later than 10 days after the date SOAH mails a proposal for decision to a party, the party may file exceptions to the proposal. A reply to an exception filed under this section must be filed not later than seven days after the last day for filing the exceptions. Exceptions and replies to exceptions must be filed at the Commission's main office in Austin. A copy of each exception and

reply must be served on each party or the party's representative. (Added eff. 1/1/02)

#### **Sec. 307.35. Oral Argument.**

(a) A party may request oral argument before the Commission before the Commission takes action on a proposal for decision or motion for rehearing.

(b) Oral argument is allowed only at the discretion of the Commission. (Added eff. 1/1/02)

#### **Sec. 307.36. Consideration by Commission.**

(a) After the deadline for filing exceptions and replies, the proposal for decision will be considered by the Commission at open meeting.

(b) The Commission may:

(1) adopt the proposal for decision, in whole or in part;

(2) decline to adopt the proposal for decision, in whole or in part; or

(3) remand the proceeding to SOAH and direct the ALJ to give further consideration to the proceeding with or without reopening the hearing.

(c) When notifying SOAH that the Commission has remanded a proceeding, the executive secretary shall forward a copy of the transcript from the Commission meeting containing the Commission's comments on the proceeding. (Added eff. 1/1/02)

#### **Sec. 307.37. Final Order.**

(a) After consideration of a proposal for decision, the executive secretary shall prepare a written final order documenting the Commission's decision on the proposal for decision. A final order must include findings of facts and conclusions of law, separately stated.

(b) A final order of the Commission must be signed by a majority of the members of the Commission who voted in favor of issuing the order.

(c) The executive secretary shall serve a copy of the final order on each party or the party's representative and each non-party participant.

(d) A final order of the Commission takes effect on the date the order is issued, unless otherwise stated in the order. (Added eff. 1/1/02)

**Sec. 307.38. Rehearing.**

(a) Government Code, §2001.146, pertaining to rehearing after Commission action, is hereby incorporated by reference.

(b) An order granting a motion for rehearing vacates the preceding final order. The order granting a motion for rehearing may direct that the hearing be reopened or may incorporate a new final decision. If the Commission renders a new decision, a motion for rehearing directed to the new decision is a prerequisite to appeal. (Added eff. 1/1/02)

**Sec. 307.39. Judicial Review.**

In accordance with Government Code, §2001.171, a person who is aggrieved by an order of the Commission in a contested case proceeding and who has exhausted all administrative remedies is entitled to judicial review. (Added eff. 1/1/02)

**Subchapter C. Proceedings by Stewards and Racing Judges**

**Sec. 307.61. General Authority.**

(a) In addition to the authority granted the stewards and racing judges in Chapter 313 (relating to Officials and Rules of Horse Racing) and Chapter 315 (relating to Officials and Rules of Greyhound Racing) of this title, the stewards and racing judges may:

(1) conduct an inquiry regarding an alleged violation of the Act or a Rule or regarding a complaint, objection, or protest made by a licensee;

(2) charge a licensee with a violation of a Rule;

(3) conduct disciplinary hearings; and

(4) impose fines and suspend occupational licenses as provided by this subchapter.

(b) Regardless of whether the stewards or racing judges act on a violation of the Act or a

Rule, the stewards and racing judges may refer the matter to the Commission for consideration and action.

(c) The laws of this state and the Rules supersede the conditions of a race and the rules of an association. In matters pertaining to racing, the rulings and decisions of the stewards and racing judges supersede the rulings and orders of the association officers. (Added eff. 1/1/02)

**Sec. 307.62. Disciplinary Hearings.**

(a) Authority to Conduct. On their own motion or on receipt of a complaint regarding the actions of an occupational licensee, the stewards and racing judges may conduct a disciplinary hearing regarding the licensee's actions.

(b) Notice of Hearing. Except as otherwise provided by the Rules, the stewards and racing judges shall provide written notice to a person who is the subject of a disciplinary hearing at least 10 calendar days before the hearing. Notice given under this subsection must state the nature of the charges against the person and the possible penalties that may be imposed. The stewards and racing judges or their designee may hand deliver the written notice of the disciplinary hearing to the licensee who is the subject of the hearing. Alternatively, the stewards and racing judges may provide the notice by sending it by both certified mail, return receipt requested, and regular mail to the licensee's last known address as found in the Racing Commission's licensing records. The stewards and racing judges may also send the notice by electronic mail provided that the Commission verifies receipt by the licensee. The person may waive his or her right to 10 days notice. Nonappearance of a licensee to whom notice has been provided under this subsection shall be deemed a waiver of the right to a hearing before the stewards or racing judges.

(c) Rights of the Licensee. At a disciplinary hearing conducted by the stewards or racing judges, the person who is the subject of the disciplinary hearing has the following rights, all of which the person may waive:

- (1) the right to counsel;
- (2) the right to present a defense;
- (3) the right to make an opening and closing statement;
- (4) the right to call witnesses; and
- (5) the right to cross-examine witnesses testifying against the person.

(d) Evidence.

(1) Each witness at a disciplinary hearing conducted by the stewards or racing judges must be sworn by the presiding steward or racing judge.

(2) To facilitate participation by licensees, the stewards and racing judges may permit witnesses to testify at a disciplinary hearing via telephone if the stewards or racing judges make reasonable assurances that the person testifying is who he or she purports to be.

(3) The stewards and racing judges shall make a record of a disciplinary hearing.

(4) The stewards and racing judges shall allow a full presentation of evidence and are not bound by the technical rules of evidence. However, the stewards and racing judges may disallow evidence that is irrelevant or unduly repetitive of other evidence. The stewards shall have the authority to determine, in their sole discretion, the weight and credibility of any evidence and/or testimony. The stewards and racing judges may admit hearsay evidence if the stewards and racing judges determine the evidence is of a type that is commonly relied on by reasonably prudent people. The rules of privilege recognized by state law apply in hearings before the stewards and racing judges. Hearsay evidence that is not otherwise admissible under the exceptions of the Texas Rules of Evidence is an insufficient basis alone for a ruling.

(e) Burden of Proof. The burden of proof is on the person bringing the complaint to show, by a preponderance of the evidence, that the licensee has violated or is responsible for a violation of the Act or a Commission rule.

(f) Continuances.

(1) Upon receipt of a notice, a person may request a continuance of the hearing.

(2) For good cause shown, the stewards or racing judges may grant a continuance of any hearing for a reasonable period of time.

(3) The stewards or racing judges may at any time order a continuance on their own motion.

#### **Sec. 307.66. Applicability of Rules and Rulings.**

The executive secretary may grant a stay of the suspension if the executive secretary determines granting the stay is in the interest of justice. The executive secretary may set the term of the stay and may extend a stay if circumstances warrant.

(b) The fact that a stay is granted is not a presumption that the ruling by the stewards or racing judges is invalid.

The Commission shall hold the application fee in the state treasury in a suspense account. The Commission may transfer the processing funds due to the Commission to the Texas Racing Commission Fund as costs are incurred. If the application is not certified as completed under §309.3(d) of this chapter, the Commission shall return the investigation charge and hearing charge, as well as any part of the processing charge that exceeds the actual administrative costs to the Commission of processing the application. Not later than five business days after the date the Commission order on the application is final and unappealable, the Commission shall transfer the remaining suspense funds due to the Commission to the Texas Racing Commission Fund. If the actual costs to the Commission of processing the application, conducting the investigation or paying for the hearing exceed the amount deposited for the applicable charge, the applicant shall pay the remaining amount not later than 10 business days after receipt of a bill from the Commission. If the costs of processing the application, conducting the investigation or paying for the hearing are less than the amount of the charge, the Commission shall refund the excess not later than 10 days after the Commission order on the application is final and unappealable.

### **Sec. 309.8. Racetrack License Fees.**

(a) Purpose of Fees. An association shall pay a license fee to the Commission to pay the Commission's costs to administer and enforce the Act, and to regulate, oversee, and license live and simulcast racing at racetracks.

(b) Annual License Fee. A licensed racing association shall pay an annual license fee by remitting to the Commission 1/12th of the fee on the first business day of each month. The annual license fee for each license type is as follows:

- (1) for a Class 1 racetrack, \$223,530;
- (2) for a Class 2 racetrack, \$106,176;
- (3) for a Class 3 or 4 racetrack, \$27,941;

and

- (4) for a Greyhound racetrack, \$156,471.

(c) Adjustment of Fees.

(1) In the event that any racetrack license holder ceases to be licensed:

(A) the fees in subsection (b) of this section, as previously adjusted under paragraphs (c)(1) and (c)(2) of this section if applicable, shall be increased by the amount of the annual fee of the terminated license holder multiplied by the applicable fraction calculated as follows:

(i) for a Class 1 license holder, the numerator is 100;

(ii) for a Class 2 license holder, the numerator is 47.5;

(iii) for a Class 3 or 4 license holder, the numerator is 12.5;

(iv) for a Greyhound racetrack, the numerator is 70; and

(v) the denominator is the sum of all the numerators assigned to each of the remaining license holders as specified in clauses (c)(1)(A)(i) through (iv) of this subparagraph; and  
(B) the fees in subsection (b) of this section as modified by subparagraph (c)(1)(A) of this section shall be increased on a one-time, pro rata basis as necessary so that the Commission does not lose any racetrack license fee revenue due to the termination of the license.

(2) In the event that a new racetrack license is issued, the fees in subsection (b) of this section, as previously adjusted under this paragraph and paragraph (1) of this subsection if applicable, shall be decreased by the amount of the annual fee of the new license holder multiplied by the applicable fraction calculated in accordance with subsections (c)(1)(A)(i) through (v) of this section.

(3) If any of the adjustments imposed by this subsection cause the base annual license fee owed by any licensee to exceed the fee specified in subsection (b) of this section by more than 15%, the Commission shall undertake rulemaking to amend this section within 90 days after the Commission sends notice of the adjustment.

(4) Annual fees are calculated using a projected base of 48 days of live horse racing per Class 1 racetrack, 8 days of live horse racing per Class 3 or 4 racetrack, and a total of 36 performances of live greyhound racing per fiscal year. If a Class 1 horseracetrack does not intend to use all of the race days allotted to it, it shall share the unused days with another Class 1 track, provided that the track receiving the unused days is not required to compensate the track sharing the days. To cover the additional regulatory cost in the event additional days or performances

are requested by the associations, the executive secretary may:

(A) recalculate a horse racetrack's annual fee by adding an amount not to exceed \$5,345 for each live race day added beyond the base; and

(B) recalculate a greyhound racetrack's annual fee by adding \$750 for each live performance added beyond the base.

(5) If the simulcast tax revenue collected in any quarter ending November 30, February 28 or 29, May 31, or August 31 is less than the amount specified in subparagraphs (c)(5)(A) through (c)(5)(D) of this section, the fees in subsection (b) of this section shall be increased on a one-time, pro rata basis in an amount sufficient to generate revenue in the amount of the difference between the amount of simulcast tax revenue collected in the quarter and the following amount:

(A) for a quarter ending November 30, \$599,620;

(B) for a quarter ending February 28 or 29, \$630,955;

(C) for a quarter ending May 31, \$750,560; and

(D) for a quarter ending August 31, \$688,090.

(6) Any fee increase owed by a racetrack license holder under paragraph (c)(5) of this section, as it existed on September 1, 2020 as paragraph (c)(2) of this section, for the period from September 1, 2020, through November 30, 2020, shall be due February 1, 2021. Any fee increase owed by a racetrack license holder under paragraph (c)(5) of this section for the period from December 1, 2020, through February 28, 2021, shall be calculated under paragraph (c)(5) of this section as it exists on January 1, 2021.

(7) Any fee increase imposed by this subsection shall be effective upon 30 days notice to the racetracks.

(8) If the executive secretary determines that the total revenue from the annual fees exceeds the amount needed to pay its costs, the executive secretary shall order a moratorium on all or part of the license fees remitted monthly by

any or all of the associations. Before entering a moratorium order, the executive secretary shall develop a formula for imposing the moratorium in an equitable manner among the associations. In developing the formula, the executive secretary shall consider the amount of excess revenue received by the Commission, the source of the revenue, the Commission's costs associated with regulating each association, the Commission's projected receipts for the next fiscal year, and the Commission's projected expenses during the next fiscal year. (4) Debt or Liens.

(A) A license may be denied, suspended or revoked if it is determined that the licensee owes a fee to the state or a penalty imposed under the Act or the Rules.

(9) Moral Character and Reputation. A license may be denied, suspended or revoked if the Commission determines that the licensee is not of good moral character or the licensee's reputation as a peaceable, law-abiding citizen in the community where the licensee resides is bad.

(10) Ownership. A license may be denied, suspended or revoked if it results or would result in a person owning more than a five percent interest in more than three Texas racetrack licenses. (Added eff. 10/21/99; (a)-(b) amended eff. 1/8/04; (b) amended eff. 12/7/08)

### **Sec. 309.10. Notice and Curative Right of Debt Holders.**

(a) If the executive secretary initiates a disciplinary action proposing license suspension or revocation against an association which has debt outstanding regarding the racetrack premises and facilities, the executive secretary shall serve a copy of the notice of the proceedings on the debt holder if the executive secretary has been given written notice of:

(1) the existence of the debt; and

(c) The executive secretary shall give the debt holder a reasonable opportunity to cure any violation by the association that is the subject of the disciplinary action that is capable of being cured consistent with the public interest. If the violation is cured, the executive secretary may not initiate disciplinary action against the association for that violation.

(b) Fees.

(1) The request fee is composed of a variable processing charge. The processing charge is the amount needed by the Commission to cover the administrative costs of processing the request. A license holder must pay all charges contemporaneously with filing the request. The Commission will take no action on a request under this section unless the requestor submits the total amount of the request fee with the request. The Commission shall hold the request fee in the state treasury in a suspense account. The Commission may transfer the processing funds due to the Commission to the Texas Racing Commission Fund as costs are incurred. If the actual cost to the Commission of processing the request exceeds the amount deposited for the applicable charge, the requestor shall pay the remaining amount not later than 10 business days after receipt of a bill from the Commission. ### **Sec. 309.13. Supplemental Fee.**

(a) Purpose of Fee. The fee in this section is necessary to pay the Commission's costs to procure an independent audit or review of the economy, efficiency and effectiveness of its operations, as requested by the racing industry, and the fees collected under this section shall only be used for this purpose.

(b) Amount of Fee. In addition to the license fees prescribed by §309.8, Racetrack License Fees, a licensed racing association shall pay a supplemental license fee to the Commission in an amount that equals the total cost of the audit or review, not to exceed \$200,000, divided by the number of racing associations in good standing in Texas.

(c) The supplemental fee shall be due 15 days after the Commission sends an invoice to the association.

(d) Refunds. In the event that the total amount the Commission collects under this section exceeds its actual costs, any amount remaining shall be refunded to paying associations in equal shares not later than 60 days after the date the Commission's final payment for the audit or review is due. (Added eff. 3/6/18; (a), (b), (d) amended eff. 10/30/18)

## **Division 2. Active and Inactive Racetrack Licenses**

### **Sec. 309.51. Designation of Active and Inactive Racetrack Licenses.**

(a) Initial Designation. The Commission shall designate a racetrack license as either active or inactive as those terms are defined in subsection (b) of this section. The Commission shall make the initial designation for each racetrack license not later than September 1, 2012.

(b) Definitions.

(1) "Active-Operating" means the license holder conducted live racing events at the racetrack during the previous State Fiscal Year and has been granted future live race dates.

(2) "Active-Other" means the license holder has applied for and received pending live race dates under §303.41 of this title (relating to Allocation of Race Dates), and taken the following actions to demonstrate good faith efforts to con-

duct live racing:

(A) is presently conducting pre-opening simulcasting;

(B) has demonstrated that the conduct of simulcast or live racing is imminent. Factors the Commission may consider include, but are not limited to, the license holder's:

(i) securing sufficient financial commitments to fund construction of the racetrack facility;

(ii) securing the real property of the designated racetrack location for which the racetrack license was granted, either by purchase or through a long-term lease of 20 years or more;

(iii) entering into contracts for the construction of the simulcasting and racetrack facilities;

(iv) securing Commission approval of the racing facility's construction plans;

(v) securing permits and utilities necessary for the construction of the racing facilities;

(vi) beginning and sustaining construction of the simulcasting or live racing facilities; and

(vii) providing to the Commission a construction and operations management schedule demonstrating that simulcasting is imminent and that the facilities will be ready to conduct live racing by the beginning of the approved live race dates; or

(C) voluntarily providing a bond under subsection (e) of this section to ensure that the license holder conducts pre-opening simulcasting and completes the pending allocated live race dates.

(3) "Inactive" means the license holder does not meet the requirements for the racetrack license to be designated as Active-Operating or Active-Other.

(c) Subsequent Designation. After the initial racetrack designation is made under subsection (a) of this section, the Commission may change the designation of the racetrack license at any time if the facts that supported the current designation

change.

(d) Racetrack Reviews.

(1) Racetracks designated "Active-Operating" or "Active-Other" will undergo an ownership and management review every five years pursuant to §2025.106 of the Act.

(2) Racetracks designated "Inactive" will undergo an annual review described by §309.52 of this chapter (relating to Review and Renewal of Inactive Racetrack Licenses).

(e) Bonds.

(1) To be designated as Active-Other under subsection (b)(2)(C) of this section, a license holder shall submit a bond by September 1 of the State Fiscal Year for which it is offered.

(2) The amount of the bond for the State Fiscal Year beginning September 1, 2012, and each year thereafter is \$400,000.

(3) Return or Forfeiture of Bond.

(A) If the racetrack conducts pre-opening simulcasting during the first fiscal year of the bond, the bond shall be retained for an additional fiscal year or until the racetrack completes its live race dates. Upon successful completion of all of the racetrack's live race dates allocated for the first two fiscal years of the bond, the Commission shall return the bond to the license holder.

(B) If the racetrack does not conduct pre-opening simulcasting during the initial fiscal year of the bonding period, the bond shall be forfeited on August 31 of the same fiscal year.

(C) If the racetrack conducts pre-opening simulcasting during the first fiscal year but fails to conduct all of its allocated live race dates during the first two fiscal years of the bond, the bond shall be forfeited on August 31 of the second fiscal year.

(D) A bond is automatically forfeited on the date provided in this subsection unless the Commission takes action in an open meeting to return the bond or extend the date of automatic forfeiture.

(E) For purposes of this paragraph, live race dates do not include those race dates that have

been excused by the executive secretary under §303.41(h) of this title.

(4) The bond of a horse racetrack that is forfeited under this section shall accrue to the Horse Industry Escrow Account under §§2028.204-.205 of the Act and shall be distributed in accordance with those sections. The bond of a greyhound racetrack that is forfeited under this section shall accrue to the state greyhound breed registry and be distributed through the Accredited Texas Bred Program.

(5) If an Active-Other racetrack forfeits a bond under this section, the Commission shall review and may change the license's designation at a regularly scheduled meeting to be held within the following four months of the bond forfeiture.

(f) Failure to Conduct Granted Live Race Dates. Except as excused by the executive secretary under §303.41(h) of this title, if an Active-Operating or an Active-Other racetrack fails to conduct any live race dates granted to it by the Commission, the Commission shall review and may change the license's designation at a regularly scheduled meeting to be held within the following four months. This subsection does not apply to an Active-Other racetrack that has provided a bond under subsection (e) of this section. (Added eff. 8/9/2012; (d), (b) amended eff. 11/20/19)

### **Sec. 309.52. Review and Renewal of Inactive Racetrack Licenses.**

(a) The Commission shall annually review each inactive racetrack license. At the conclusion of each review, the Commission may:

- (1) designate the license as Active-Operating;
- (2) designate the license as Active-Other;
- (3) renew the license as Inactive; or
- (4) refer the inactive racetrack license to the State Office of Administrative Hearings for an evidentiary hearing and Proposal for Decision as to whether the Commission should refuse to renew the license.

(b) Notice of Review. The executive secretary shall provide written notice to an inactive license holder that the license holder must file

an application for renewal. Such notice must be provided by certified or registered mail no later than June 1 of each year the license remains in effect and is designated as inactive. The first such notice shall be sent by the executive secretary by June 1, 2013. The notice must specify the procedure for filing an application for renewal and the information to be included in the application. The application for renewal shall be filed on or before July 1 following the receipt of the notice. The first application for renewal shall be filed by July 1, 2013, with additional applications filed annually on July 1 thereafter. The executive secretary may extend the deadline for filing the renewal application. The timely filing of an application for renewal extends the license until the Commission renews or refuses to renew the license. If an inactive racetrack license holder does not file a timely application for renewal, the Commission may either renew the license or refer the license to the State Office of Administrative Hearings for an evidentiary hearing and Proposal for Decision as to whether the Commission should refuse to renew the license.

#### **(c) Application for Renewal.**

(1) Each inactive racetrack license holder must submit an application for renewal on a form prescribed by the executive secretary.

(2) The applicant must submit one original and two copies of the application and any supplemental documents.

(3) The applicant must swear before a notary public to the truth and validity of the information in the application and its supplemental documents. If the applicant is not an individual, the chief executive officer of the applicant must swear before a notary public to the truth and validity of the information in the application and its supplemental documents.

(4) The applicant must state the name, address, and telephone number of an individual designated by the applicant to be the primary contact person for the Commission during the review and renewal process.

(d) Renewal Criteria. In determining whether

to renew an inactive racetrack license, the Commission shall consider:

- (1) the inactive racetrack license holder's:
  - (A) financial stability;
  - (B) ability to conduct live racing;
  - (C) ability to construct and maintain a racetrack facility;
  - (D) other good faith efforts to conduct live racing; and
- (2) other necessary factors considered in the issuance of the original license.

- (2) the license holder has failed to make a good faith effort to conduct live racing.

(f) For purposes of this section, the Commission will consider, but is not limited to,

the following factors as evidence that renewal of a license is not in the best interests of the racing industry or the public:

The processing charge is the amount needed by the Commission to cover the administrative and enforcement costs of processing the request for renewal, including any costs associated with processing a hearing at the State Office of Administrative Hearings. A license holder must pay the initial review fee contemporaneously with filing the application for renewal. The Commission shall hold the review fee in the state treasury in a suspense account. ## **Sec. 311.6. Denial, Suspension and Revocation of Licenses.**

### **(a) Applicability.**

(1) After notice and hearing in accordance with Chapter 307 of this title (relating to Proceedings before the Commission), the Commission, stewards, or racing judges may deny, suspend, or revoke a license issued by the Commission.

(2) If the licensee is not an individual, the grounds for denial, suspension, or revocation of a license apply if a director, officer, or partner of the licensee or an individual who owns an interest in the licensee of 5.0% or more engages in the conduct for which a license may be denied, suspended, or revoked.

(3) Unless specifically ordered otherwise, if the Commission, stewards, or racing judges

suspend one occupational license held by an individual, all occupational licenses held by that individual are considered suspended for the term of the suspension.

(b) Grounds for Denial, Suspension, and Revocation of Licenses.

(1) Violations or Convictions. A license may be denied, suspended or revoked if it is determined that the licensee has:

(A) violated or caused to be violated the Act or a Rule;

(B) been convicted in a court of competent jurisdiction of violating the Act or a Rule;

(C) been convicted of a felony;

(D) been convicted of a crime of moral turpitude that is reasonably related to the licensee's fitness to hold a license in accordance with §303.202 of this title (relating to Guidelines);

(E) aided, abetted, or conspired with another person to violate the Act or a Rule; or

(F) had a license issued by another pari-mutuel racing jurisdiction revoked or is currently under suspension in another pari-mutuel racing jurisdiction after notice and an opportunity to be heard.

(2) Failure to Disclose. A license may be denied, suspended or revoked if it is determined that the licensee:

(A) failed to provide information required in the license application;

(B) provided false information in the license application;

(C) failed to disclose an ownership interest in a horse or greyhound as required by the Rules; or

(D) failed to fully disclose the true owners of all interests, beneficial or otherwise, in a proposed racetrack facility.

(3) Domicile. A license may be denied, suspended, or revoked if it is determined that the licensee is domiciled with an individual for whom a license issued by the Commission was denied, suspended, or revoked during the preceding 12-month period.

(4) Ejection. A license may be denied, suspended, or revoked if it is determined that the licensee has engaged in conduct for which the licensee may be ejected or excluded from a racetrack under the Rules.

(5) Detrimental Practices. A license may be denied, suspended, or revoked if it is determined that the licensee is engaged in activities or practices that are detrimental to the best interests of the public, racing animals, or to the racing industry. (Added eff. 10/21/99; (a),(b) amended eff. 1/8/04; (b) amended eff. 5/30/13)

(1) be in writing;

(2) specify the information that is incorrect; and

(3) provide reasonable proof of the corrected information.

(c) If the executive secretary determines the Commission has collected incorrect information about the individual, the executive secretary shall correct the information. (Added eff. 1/1/02)

## **Subchapter B. Specific Licensees**

### **Sec. 311.101. Horse Owners.**

#### **(a) General Provisions.**

(1) The owner of a horse, as listed on the animal's registration paper, must obtain an owner's license from the Commission. Except as otherwise provided by §313.301 (a) (2) of this title (relating to Officials and Rules of Horse Racing), a person may not be licensed as an owner if the person is not the owner of record of a properly registered horse that the person intends to race in Texas. A person who meets the qualifications for a trainer's or assistant trainer's license may also be licensed as an owner if the person intends to be the owner of record of a properly registered horse during the time of licensure. Except as otherwise provided by this subsection, the owner must be licensed one hour prior to the post time of the first race of the day in which the owner intends to race the animal.

(2) If the owner is not an individual, each individual who is a director, officer, or partner of the owner or who has an ownership interest in the horse of 5.0% or more must be licensed by the Commission.

(3) If the owner is not an individual, the owner must provide to the Commission:

(A) a sworn statement by the chief executive officer of the owner or by one of the partners of the owner that the officer or partner represents the owner and is responsible for the horse;

(B) a statement that the owner is authorized by law to do business in Texas; and

(C) a list of the names and addresses of all individuals having an ownership interest in the horse.

(4) If the owner is not an individual, the ownership entity must:

(A) designate a representative; or

(B) file an authorized agent form with the Commission and pay the prescribed fee.

(5) If the registered owner of a horse is a minor, a financial responsibility form approved by the executive secretary must be signed by the

parent or guardian of the owner assuming financial responsibility for the debts incurred for the training and racing of the horse.

#### **(b) Stable Names.**

(1) An owner that wants to participate in racing using a stable name must register with the Commission by filing an application on a form prescribed by the executive secretary and paying the prescribed fee. A person may not use the real name of an owner of a race animal as a stable name. A stable name which has already been registered with the Commission may not be registered by another owner.

(2) Registering a stable name with the Commission does not affect a person's obligation to file or register a fictitious name as provided by the laws of Texas.

(3) An application to register a stable name must disclose the real names of all interests participating in the stable and the percentage of ownership interest of each, including the interest owned by a corporation, general partnership, limited partnership, trust, estate or individual.

(4) A stable name may be changed by registering a new stable name. A stable name may be abandoned by giving written notice to the Commission. A change of 5.0% or more in ownership of a stable registered under a stable name shall be immediately reported to the Commission.

(5) A licensee who has registered a stable name under this section may not use the licensee's real name for racing purposes except on approval of the stewards.

#### **(c) Change of Ownership.**

(1) If the owner of an interest in a horse housed on an association's grounds transfers that interest to another person, both parties to the transaction shall give written notice of the transfer to the stewards officiating for that association. Notice under this section must be submitted to the appropriate officials not later than 24 hours after the agreement to transfer the interest is made.

(2) A licensee of the Commission may not transfer an ownership interest in a horse to avoid

disqualification of the horse.

(d) Change of Trainer. An owner may change the trainer of his or her horse registered at a licensed race meeting provided:

(1) the request to change trainers is submitted for approval to the stewards on a form provided by the association and approved by the stewards;

(2) the trainer from whom the horse is being transferred signs the form releasing custody of the horse;

(3) the trainer to whom the horse is being transferred signs the form accepting responsibility for the horses; and

(4) the stewards approve the transfer.

(e) Owner/Trainer. A person licensed as an owner/trainer who is training horses at a racetrack may not have any horse owned by the owner/trainer under the care, custody or control of another trainer at that racetrack.

(f) Restrictions on Racing. An owner may not enter a horse or cause a horse to be entered in a race at a racetrack if:

(1) the owner or trainer is employed by the racetrack association in a management or supervisory position that is capable of affecting the conduct of races or pari-mutuel wagering at the racetrack; or

(2) the owner or trainer is involved in any way with the sale or publication of tip sheets on association grounds.

(g) Emergency License.

(1) If an owner is unable to complete an application for an owner's license because of absence or illness, the licensed trainer desiring to enter a horse in a race may apply for an emergency owner's license on behalf of the absent owner.

(2) The trainer applying for an emergency owner's license on behalf of an absent owner must submit a written statement with the license application specifying the reasons the owner is unable to complete the application.

(3) The trainer applying for an emergency owner's license must submit at least the following information: the owner's full name, home or

business address, and telephone number. At the time of application, the appropriate licensing fee must be paid to the Commission. Failure to provide all of the foregoing information is grounds for denial of an emergency owner's license.

(4) If an owner submits an incomplete application for an owner's license, the application will remain in pending status until:

(A) the owner submits any additional information required to process the application;

(B) the application expires in accordance with the term of the applied-for license; or

(C) a horse is entered in the owner's name or in the name of a multiple owner of which the owner is a member, in which case the pending license will be presumed to be a request for an emergency license.

(5) A license issued under this section expires on the 21st day after the date the emergency owner's license is issued. An owner may obtain only one emergency license per year. An emergency license cannot be issued if the owner failed to complete the prior licensing process.

(6) An owner granted an emergency license is prohibited from withdrawing any funds from his/her horseman's bookkeeper account until the owner complies with all licensing procedures provided by subsection (a) of this section. (Added eff. 10/21/99; (a) amended eff. 9/1/00; (b),(f) amended eff. 1/8/04; (a),(d) amended eff. 3/20/08; (g) amended eff. 3/1/13; (a), (g) amended eff. 10/19/15)

A person may not be licensed as an owner if the person is not the owner of record of a properly registered greyhound that the person intends to race in Texas. The owner must be licensed one hour prior to the post time of the first race of the day in which the owner intends to race the animal.

(2) If the owner is not an individual, each individual who is a director, officer, or partner of the owner or who has an ownership interest in the greyhound of 5.0% or more must be licensed by the Commission.

(3) If the owner is not an individual, the owner must provide to the Commission:

(A) a sworn statement by the chief executive officer of the owner or by one of the partners of the owner that the officer or partner represents the owner and is responsible for the greyhound;

(B) a statement that the owner is authorized by law to do business in Texas; and

(C) a list of the names and addresses of all individuals having an ownership interest in the greyhound.

(4) If the owner is not an individual, the ownership entity must:

(A) designate a representative; or

(B) file an authorized agent form with the Commission and pay the prescribed fee.

(5) If the registered owner of a greyhound is a minor, a financial responsibility form approved by the executive secretary must be signed by the parent or guardian of the owner assuming financial responsibility for the debts incurred for the training and racing of the greyhound.

(b) Change of Ownership.

(1) If the owner of an interest in a greyhound housed on an association's grounds transfers that interest to another person, both parties to the transaction shall give written notice of the transfer to the racing judges officiating for that association. Notice under this section must be submitted to the appropriate officials not later than 24 hours after the agreement to transfer the interest is made.

(2) A licensee of the Commission may not transfer an ownership interest in a greyhound to avoid disqualification of the greyhound.

(c) Emergency License.

(1) If an owner is unable to complete an application for an owner's license because of absence or illness, the licensed trainer desiring

to enter a greyhound in a race may apply for an emergency owner's license on behalf of the absent owner.

(2) The trainer applying for an emergency owner's license on behalf of an absent owner must submit a written statement with the license application specifying the reasons the owner is unable to complete the application.

(3) The trainer applying for an emergency owner's license must submit at least the following information: the owner's full name, home or business address, and telephone number. At the time of application, the appropriate licensing fee must be paid to the Commission. Failure to provide all of the foregoing information is grounds for denial of an emergency owner's license.

(4) If an owner submits an incomplete application for an owner's license, the application will remain in pending status until:

(A) the owner submits any additional information required to process the application;

(B) the application expires in accordance with the term of the applied-for license; or

(C) a greyhound is entered in the owner's name or in the name of a multiple owner of which the owner is a member, in which case the pending license will be presumed to be a request for an emergency license.

(5) A license issued under this section expires on the 21st day after the date the emergency owner's license is issued. An owner may obtain only one emergency license per year. An emergency license cannot be issued if the owner failed to complete the prior licensing process.

(d) Restrictions on Racing. An owner may not enter a greyhound or cause a greyhound to be entered in a race at a racetrack if:

(1) the owner knows or can reasonably be expected to know that the greyhound was trained using a live or dead animal or fowl as a lure in this state or out of this state. This paragraph does not apply to the use of a training lure that is made from cured animal hides or pelts and is commercially

available to the public;

(2) the owner or trainer is employed by the racetrack association in a management or supervisory position that is capable of affecting the conduct of races or pari-mutuel wagering at the racetrack; or

(3) The racing secretary of an association shall maintain the records necessary to enforce this section. ### **Sec. 311.104. Trainers.**

(a) Licensing.

(1) A trainer may enter a horse or greyhound in a race without first obtaining a license, but must obtain a license one hour prior to the post time of the first race of the day in which the trainer intends to race the horse or greyhound. Except as otherwise provided by this section, to be licensed by the Commission as a trainer, a person must:

(2) Examinations.

(A) A \$50 non-refundable testing fee is assessed for administering the written and practical examinations. The fee is due and payable at the time the written examination is scheduled. If the applicant fails the written or practical examination, the applicant will be allowed to retake it once without an additional fee. The applicant must pay a \$50.00 non-refundable testing fee to schedule an examination after each retest. A minimum of 48 hours advance notice is required to reschedule an examination appointment without loss of the testing fee. An applicant who fails to timely reschedule an examination appointment must pay a new testing fee to reschedule the appointment. A steward or judge may waive the additional fee if, in the opinion of the steward or judge, the applicant shows good cause for the failure to timely reschedule an examination appointment.

(B) The standard for passing the written examination must be printed on the examination. An applicant who fails the written examination may not take the written examination again before the 90th day after the applicant failed the written examination. An applicant who fails the written examination for a second or any subsequent time may not reschedule the written examination for 180 calendar days after the last failure and the applicant must pay an additional \$50 non-refundable testing fee. After successful completion of the written exam an applicant has 365 calendar days to successfully complete the practical exam.

(C) An applicant who fails the practical examination may not reschedule the practical

An applicant who fails the practical examination for a second time may not reschedule another practical examination for 365 calendar days after the day the applicant failed the second practical examination and the applicant must pay an additional \$50 non-refundable testing fee.

(D) The Commission may waive the requirement of a written and/or practical examination for a person who has a current license issued by another pari-mutuel racing jurisdiction. If a person for whom the examination requirement was waived demonstrates an inability to adequately perform the duties of a trainer, through excessive injuries, rulings, or other behavior, the stewards or racing judges may require the person to take the written and/or practical examination. If such a person fails the examination, the stewards or racing judges shall suspend the person's license for 90 days with reinstatement contingent upon passing the written and/or practical examination.

(3) A trainer must use the trainer's legal name to be licensed as a trainer. A trainer who is also an owner may use a stable name or kennel name in the capacity of owner.

(4) To be licensed as an assistant trainer, a person must qualify in all respects for a trainer's license and be in the employ of a licensed trainer. An assistant trainer's license carries all the privileges and responsibilities of a trainer's license.

(b) Absolute Insurer.

(1) A trainer shall ensure the health and safety of each horse or greyhound that is in the care and custody of the trainer.

(2) A trainer shall ensure that a horse or greyhound that runs a race while in the care and custody of the trainer or kennel owner is free from all prohibited drugs, chemicals, or other substances.

(A) is qualified for the race;

(B) is ready to run;  
(C) is in a physical condition to exert its best efforts; and

(D) is entered with the intent to win.

(c) Health Reports.

(1) A trainer shall immediately notify the Commission veterinarian or designee of unusual symptoms in a horse or greyhound that is in the trainer's care and custody.

(2) Not later than one hour after finding a dead horse or greyhound on association grounds, a trainer shall notify the stewards or racing judges and the Commission veterinarian, or their designee, of the death. In the absence of regulatory personnel, the trainer shall notify security personnel on the association grounds.

(d) Owner Suspended. A trainer may not retain a horse or greyhound in the trainer's care and custody if the Commission has suspended or revoked the license of the owner of the horse or greyhound.

(e) An individual who is licensed to work for a trainer is not permitted in the stable or kennel area on association grounds unless the licensee is employed by and doing work for a trainer on the association grounds. An individual in the stable or kennel area on association grounds who is not in the employ of and doing work for a trainer may be ejected from the stable or kennel area on the association grounds.

(f) Restrictions on Racing. A trainer may not enter a race animal or cause a race animal to be entered in a race at a racetrack if:

(1) the trainer knows or can reasonably be expected to know that the greyhound was trained using a live or dead animal or fowl as a lure in this state or out of this state. This paragraph does not apply to the use of a training lure that is made from cured animal hides or pelts and is commercially available to the public;

(2) the owner or trainer is employed by the racetrack association in a management or supervisory position that is capable of affecting the conduct of races or pari-mutuel wagering at the racetrack; or

(3) the owner or trainer is involved in any way with the sale or publication of tip sheets on association grounds.

(g) Trainer Employees.

(3) A trainer may not employ an individual who is less than 16 years of age to work for the trainer on an association's grounds.

(4) A trainer may not employ a jockey to prevent the jockey from riding in a race.

(h) Trainer Absent. If a trainer must be absent because of illness or any other cause, the trainer shall appoint another licensed trainer to fulfill his or her duties, and promptly report the appointment to the stewards or racing judges for approval. The absent trainer and substitute trainer have joint responsibility for the condition of the race animals normally trained by the absent trainer.

(i) Suspended, Revoked or Ineligible Horse Trainers.

(1) Upon the suspension, revocation or denial of a trainer's license, the trainer shall notify each owner for whom he or she trains horses of the suspension, revocation or denial.

(2) Except as specifically permitted by the executive director in writing, a person may not assume the responsibilities of a horse trainer who is ineligible to be issued a license or whose license is suspended or revoked if the person:

(A) is related to the trainer by consanguinity or affinity, as determined under Subchapter B, Chapter 573, Government Code.

(B) is related to the spouse of the trainer by blood or by marriage; or

### **Sec. 311.308. Penalties.**

(a) The stewards or racing judges shall impose penalties in accordance with this section for a violation of §311.301 of this title (relating to Use Prohibited). A penalty imposed under this section is appealable pursuant to §307.67 of the Rules (relating to Appeal to the Commission.)

may be selected for testing by a method of random selection prescribed by the executive secretary. The method may be changed from time to time, and it is not an indication of unfairness if a licensee is selected more frequently than any other, providing there is no manipulation of the selection process. An occupational licensee may be selected for testing at any time while on association grounds on the basis of reasonable belief.

(b) A licensee who refuses to submit to such a test when requested to do so by the stewards or racing judges is subject to discipline by the stewards or racing judges.

(1) produces a negative test result; and  
(2) agrees to further testing to verify continued unimpairment.

The stewards or racing judges may reinstate the license if the stewards or racing judges determine the licensee poses no danger to other licensees or race animals and that reinstatement is in the best interest of racing.

(e) All specimens to be tested under this subchapter shall be obtained and tested by the Commission under conditions properly controlled to guarantee the integrity of the process. The charges for tests conducted under this subchapter shall be forwarded to the Commission for approval as to the reasonableness of the charges in relation to industry standards for comparable testing procedures. To be designated as the horsemen's bookkeeper, an entity must submit a plan of operation acceptable to the executive secretary that demonstrates the entity's ability to perform the duties of the horsemen's bookkeeper.

(3) A designation as horsemen's bookkeeper does not constitute a license, but the executive secretary may require any individual involved with a designated entity to receive a license.

(4) If the executive secretary approves an association's request to designate an entity as horsemen's bookkeeper, the association is relieved of responsibility for providing a horsemen's bookkeeper and shall cooperate fully with the horsemen's bookkeeper designated by the executive secretary.

(b) Revocation of designation.

(1) A designation as the horsemen's bookkeeper continues in effect until revoked by the executive secretary.

(2) The executive secretary may revoke a designation as the horsemen's bookkeeper if the executive secretary determines the designated entity has:

(A) failed to comply with the Act, or the plan of operation, in a manner that indicates malfeasance as opposed to mere mistake;

(B) failed to maintain accurate and reliable records;

(C) misappropriated or mishandled funds in its possession or control;

(D) failed to correct within a reasonable time any deficiency in operations identified by the executive secretary in writing; or

(E) had its authority to act as a horsemen's bookkeeper revoked in another jurisdiction.

(3) Before revoking a designation as horsemen's bookkeeper, the executive secretary must issue a notice of proposed revocation which specifically describes the grounds for revocation. No later than 30 days after receiving a notice of proposed revocation, the entity may file a written response to the allegations with the executive secretary.

(4) The executive secretary may not revoke a designation without making adequate provision for a successor horsemen's bookkeeper.

(c) Operations of horsemen's bookkeeper.

(1) Each owner engaged in racing must open and maintain an account with the horsemen's bookkeeper. The horsemen's bookkeeper may permit other individuals to open and maintain an account with the horsemen's bookkeeper, subject

to the approval of the executive secretary. The aggregate of all such accounts is the horsemen's account.

(2) The horsemen's bookkeeper shall keep accurate records of the horsemen's account and the constituent accounts. The horsemen's bookkeeper shall:

(A) promptly credit each account with all earnings, awards, and deposits;

(B) deduct or disburse all payments as directed by the owner or authorized agent;

(C) render periodic statements of each constituent account; and

(D) perform all other duties and functions as may be required by the Act or the Rules.

(d) Audit. The executive secretary may at any time inspect, review or audit the records and performance of the horsemen's bookkeeper. (Added eff. 11/3/89; repealed and replaced eff. 6/15/98; amended eff. 10/30/00)

#### **Sec. 313.106. Closing Entries.**

(a) The racing secretary shall close entries at the advertised time and may not accept any entries after that time. The racing secretary may postpone the closing of overnight races.

(b) After entries are closed, an entry may not be altered, other than to correct an error.

(c) If the number of entries exceeds the number of horses that may start in a race, due to track limitations, the racing secretary may split the race and the starters will be determined by lot.

(d) If a race is canceled because of

insufficient entries, the racing secretary may split any overnight race or write a substitute race in place of the canceled race. Where an overnight race is split, forming two or more separate races, the racing secretary shall give notice of not less than 15 minutes before such races are closed to grant time for making additional entries to such split races.

(e) The owner or trainer of a horse that has been entered in a race who does not wish the horse to participate in the race must withdraw the horse from the race before entries are closed. (Added eff. 8/30/89; (d) amended eff. 6/15/97; (d) amended eff. 10/30/00; (d) amended eff. 1/5/10)

(c) The racing secretary may not use the "star system" of recording preferences.

(d) An "in today" horse has least preference. (Added eff. 8/30/89; (b) amended eff. 10/11/90; (b) amended eff. 10/30/00; (d) added 4/4/05)

(b) Notwithstanding subsection (a) of this section, the stewards may take any action necessary to correct the eligibility, weight, or equipment of a horse at any time before the start of the race in which the horse is scheduled to compete.

(c) If the stewards determine before the start of a race that a horse entered in the race is not eligible for the race, the stewards shall immediately scratch the ineligible horse. (Added eff. 1/1/02)

## **Division 2. Scratches**

### **Sec. 313.131. Scratch Procedure.**

(a) A request to scratch a horse must be in writing on a form provided by the association. Only a racing official, the owner or trainer of the horse, or the authorized agent of the owner may request that the horse be scratched.

(c) Except as otherwise provided by this subchapter, a horse may not be scratched from a race after "scratch time" for that race.

(a) A horse who is entered in a race is obligated to start the race, unless the horse is scratched from the race in accordance with this subchapter.

(b) A person who fails to start a horse when the horse is obligated to start is subject to disciplinary action by the stewards. (Added eff. 8/30/89; (a) amended eff. 10/30/00)

### **Sec. 313.135. Scratch by Stewards.**

(a) The stewards may scratch a horse from a race when, in the opinion of a veterinarian licensed by the Commission, the horse cannot give its best efforts to win the race due to a physical disability or other physical cause. A horse scratched from a race under this subsection shall be placed on the veterinarian's list and is ineligible to start in a race in Texas until removed from the list by the commission veterinarian.

(b) The stewards may scratch a horse from a race without penalty to the horse or its owner or trainer when the stewards determine the scratch is in the best interests of racing. (Added eff. 8/30/89; (a),(b) amended eff. 10/30/00; (a) amended eff. 4/4/05)

(a) A claim for a weight allowance must be made at the time the horse is entered in a race.

(b) Failure to claim an allowance at entry is not grounds to scratch a horse from the race. (Added eff. 8/30/89; (b) amended eff. 10/30/00)

#### **Sec. 313.163. Improper Claim for Allowance.**

(a) A person may not claim a weight allowance for a horse to which the horse is not entitled.

(b) An improper claim for an allowance in violation of this section is not grounds to disqualify a horse unless the horse actually carries the incorrect weight in the race.

(c) A person making an improper claim for an allowance in violation of this section is subject to disciplinary action by the stewards. (Added eff. 8/30/89)

#### **Sec. 313.164. Records Conclusive.**

(a) An apprentice jockey is entitled to ride with a five-pound weight allowance in all thoroughbred and Arabian races except handicap or stakes races beginning with the jockey's first mount and continuing for 12 months after the date of the jockey's fifth winning mount.

(b) If during the 12-month period after an apprentice jockey rides the jockey's fifth winning mount the apprentice jockey fails to ride at least 40 winners, the jockey may continue to ride with the five-pound allowance for a second 12-month period after riding the fifth winning mount or until the jockey has ridden 40 winners, whichever occurs first. In no event may a weight allowance be claimed for more than two years from the date of the fifth winning mount unless the stewards have granted an extension under this section.

(c) Extensions.

(1) The stewards may extend the weight allowance of an apprentice jockey if the stewards determine the apprentice jockey was unable to ride for at least seven consecutive days due to:

(D) a restriction on racing; or

(E) other valid reasons.

a specified period of time or of a specified value.  
(Added eff. 8/30/89)

## **Subchapter C. Claiming Races**

### **Sec. 313.301. Eligibility to Claim.**

(2) a person who has applied for an owner's license and has been granted approval by the stewards to make a claim.

(b) A claim may not be made directly or indirectly by an owner for his or her own horse.

(c) If the person making a claim is a minor, the claim must be co-signed by a licensed adult parent or guardian of the minor. A parent or guardian who co-signs a claim is liable for the claim. A claim made by a minor that is not co-signed in accordance with this subsection is invalid. (Added eff. 8/30/89; (a), (b) amended eff. 10/11/90; (a) amended eff. 5/1/96; (c) added eff. 1/5/10)

(c) The person making a claim is responsible for determining the sex of the horse.

(d) A claim must be time stamped with the official track time shown on the tote board and deposited in a locked box provided by the racing

secretary not later than 15 minutes before post time of the race in which the horse being claimed is to start. A person may not place money or its equivalent in the claim box.

(e) Before the deadline for filing claims for a race, a person may not:

(1) open the box in which claims are deposited; or

(2) reveal information regarding the filing of a claim.

(f) After the deadline for filing claims for a race, a steward or a designee of the stewards shall open the box, examine the claims, and notify the stewards of all accurate claims. The steward or designee will then notify the horsemen's bookkeeper of the claims to determine whether the appropriate amount is on deposit with the bookkeeper in accordance with this subchapter and to debit the claimant's account for the amount of the claim, plus all applicable fees. If more than one person enters a claim for a horse, a steward or a designee of the stewards shall determine the disposition of the horse by lot. (Added eff. 8/30/89; (f) amended eff. 10/11/90; (d) amended eff. 1/2/92; (b),(d),(f) amended eff. 10/30/00)

### **Sec. 313.303. Effective Time of Claim.**

(a) A person who has a valid claim to a horse becomes the owner of the horse when the horse steps on to the racetrack for the race. This subsection applies regardless of whether the horse reaches the starting gate and regardless of subsequent injury to the horse during or after the race.

(b) On the day claimed, a claimed horse runs in the interest of and for the account of the owner from whom the horse was claimed. (Added eff. 8/30/89; (a) amended eff. 10/11/90; (b) added eff. 10/11/90; (a) amended eff. 5/1/92; (a) amended eff. 4/4/05)

### **Sec. 313.304. Claim Irrevocable.**

(a) Except as otherwise provided by this section, a claim that is filed in accordance with this subchapter is irrevocable.

### **Sec. 313.305. Amounts on Deposit.**

(a) To make a valid claim, a person must have on deposit with the horsemen's bookkeeper an amount equal to the amount of the claim, plus all transfer fees, in the form of cash, money order, certified check, or cashier's check.

(b) A person who files a claim may not exhaust the person's account with the horsemen's bookkeeper during the two-hour period after the claim was filed. (Added eff. 8/30/89; (a) amended eff. 10/11/90; (a),(b) amended eff. 10/30/00)

Quarter Horses, Paints, and Appaloosas shall, and Thoroughbreds and Arabians may, wear head numbers that correspond to their numbers in the official program. (b) The jockey for a horse starting in a race shall be properly attired for riding in the race and wear:

(1) the racing colors provided by the owner of the horse the jockey is to ride, plus white riding pants, boots, and a number on the right shoulder corresponding to the mount's number as shown on the saddle cloth, head number if provided, and in the official program; and

(a) Except as otherwise provided by this section, a jockey engaged for a certain race or for a specified time may not fail or refuse to abide by the engagement agreement, unless excused by the stewards.

(b) A jockey may be excused by the stewards from fulfilling the jockey's riding engagements if:

(1) the jockey believes the horse he or she is to ride is unsafe, or the racecourse he or she is to ride on is unsafe; or

(2) the jockey is ill or injured.

#### **Sec. 313.409. Jockey Mount Fees.**

(a) If a jockey and owner or trainer reach an agreement regarding the fee to be paid a jockey, the parties to the agreement shall ensure that a written agreement, signed by the parties, is delivered to the horsemen's bookkeeper before post time of the race in which the jockey is to ride. The agreement must state the agreed upon fee for a winning mount, a second place mount, a third place mount, and a losing mount.

(b) After a race, the horsemen's bookkeeper shall debit the owner's account for the amount of the appropriate jockey mount fee as specified in the written agreement. If there is no written agreement, the horsemen's bookkeeper shall debit the owner's account for the appropriate jockey mount fee specified in subsection (c) of this section.

(c) In the absence of a written agreement, the following jockey mount fees apply:

Purse	Winning Mount	Second Mount	Third Mount	Fourth Mount	Losing Mount
Up to \$4,999	10% Win Purse	\$75	\$70	\$68	\$60

\$100,000 and up	10% Win Purse	5% Place Purse	5% Show Purse	5% Fourth Place Purse	\$120

(d) A jockey mount fee is considered earned by a jockey when the jockey is weighed-out by the clerk of scales, except:

(1) when a jockey elects to take himself or herself off a mount; and

(2) when the stewards replace the jockey with a substitute jockey for reasons other than the jockey suffering an injury during the time between weighing-out and the start of the race.

(e) If the jockey does not weigh-out because the owner or trainer replaces the jockey with another jockey, the owner or trainer shall pay the appropriate fee to each jockey engaged for the race unless otherwise authorized by the stewards. The fee to be paid is equal to that earned by the jockey who rode the horse.

(f) A horse may not start in a race unless the horse's owner has on deposit with the horseman's bookkeeper sufficient funds to pay the losing jockey mount fee prescribed by this section or by a written agreement filed under subsection (a) of this section.

(g) If the fee due to a jockey in a stakes race is \$5,000 or more, the horsemen's bookkeeper may hold such fee in escrow until post-race testing is completed and action by the Commission releases the purse for that race, at which time the

appropriate payment of the escrowed fee shall be made. (Added eff. 8/30/89; (c), (e) amended eff. 7/12/12; (c) amended eff. 6/10/20)

### **Sec. 313.411. Suspended Jockeys.**

(c) The stewards shall post a list of the designated races in the jockeys' room, racing office, and any other place determined to be appropriate by the stewards.

(d) A suspended jockey must be named at time of entry to participate in any designated race.

(b) Except as otherwise provided by this section, each horse entered in a race shall parade, carrying the appropriate weight and equipment, from the paddock to the starting gate. The lead pony for a horse shall be ridden in a manner that permits adequate viewing of the horse by the patrons and stewards. The stewards may scratch a horse from the race if the horse fails to parade in accordance with this section.

(c) The stewards may excuse a horse from the parade, but shall require such a horse to pass the stewards' stand on its way to the starting gate.

(d) After the horses have passed the stands once, the horses may break formation and warm up until directed to proceed to the starting gate. The parade of the horses to the starting gate may not last more than 14 minutes, except in a case of unavoidable delay.

(e) If a jockey is injured during the parade or at the starting gate, the horse must return to the paddock and be resaddled with the replacement jockey's equipment. The horse must return to the

starting gate carrying the replacement jockey.

(b) The stewards shall scratch a horse from the race if, during the parade or warm-up, the horse leaves the race course to the extent that the horse is out of the vision of the stewards or the horse cannot be returned to the race course within a reasonable period of time.

(c) If a horse leaves the race course or loses its jockey during a race, the stewards shall disqualify the horse and consider it to be unplaced. (Added eff. 8/30/89; amended eff. 10/30/00)

(b) A horse is considered a starter for all purposes when the stall doors of the starting gate open in front of the horse at the time the starter dispatches the horses in a valid start.

(c) If, when the starter dispatches the field, any door at the front of the starting gate stalls should not open properly due to a mechanical failure or malfunction or should any action by any starting personnel directly cause a horse to receive an unfair start, the stewards may declare such a horse a non-starter.

(d) Should a horse, not scratched prior to the start, not be in the starting gate stall thereby causing it to be left when the field is dispatched by the starter, the horse shall be declared a non-starter by the stewards.

(e) Should an accident or malfunction of the starting gate, or other unforeseeable event, compromise the fairness of the race or the safety of race participants, the stewards may declare individual horses to be non-starters, exclude individual horses from all pari-mutuel pools, or declare a “no contest” and refund all wagers except as otherwise provided in the rules involving multi-race wagers. (Added eff. 8/30/89; amended eff. 1/5/10)

#### **Sec. 313.442. Interference.**

(a) A leading horse in a race around a turn is entitled to any part of the course; however, when another horse is attempting to pass in a clear opening, the leading horse may not impede the passing horse by crossing over so as to compel the passing horse to shorten its stride. A leading horse in a straightaway race must maintain a course as nearly as possible in the lane in which it starts.

(b) A horse may not interfere with or cause another horse to lose stride, lose ground, or lose position in a part of the race where the horse interfered with loses the opportunity to place where the horse might be reasonably expected to

(b) Except on the permission of the stewards, a jockey may not permit another person to assist the jockey in removing the equipment that is included in the jockey’s weight.

person responsible for the weight violation. In determining a violation under this subsection, the stewards shall take into account any excess weight due to rain or mud.

(c) The stewards may excuse a jockey from weighing in if the jockey is unable to weigh in due to accident, injury, or other good cause. (Added eff. 8/30/89)

#### **Sec. 313.446. Claim of Interference.**

(a) A jockey, trainer, or owner of a horse may make a claim of interference with the stewards before a race is declared official if the jockey, trainer, or owner has reasonable grounds to believe the horse was interfered with or impeded during the running of the race or that a jockey violated the Rules during the race. On receiving a claim of interference, the stewards shall display the objection sign on the tote board.

(b) A person may not make a claim of interference if the person knows the claim is inaccurate or false.

(c) An individual who makes a frivolous claim of interference is subject to discipline by the stewards. (Added eff. 8/30/89; (a) amended eff. 10/30/00)

#### **Sec. 313.447. Ramifications of Disqualification.**

(a) If the stewards disqualify a horse in a race, each horse in the race that is owned, in whole or in part, by the same owner or that is trained by the same trainer may be disqualified.

(b) If a horse is disqualified for interference in a time trial race, the horse shall receive the time of the horse it is placed behind, plus .01 of a second, or a more exact measurement if photofinish equipment permits. The horse may be eligible to qualify for the finals or consolations of the race on the basis of the assigned time. (Added eff. 8/30/89; (b) amended eff. 10/30/00)

#### **Sec. 313.448. Dead Heat.**

(a) If a race results in a dead heat, the race may not be run off.

(b) The association shall distribute the purse equally among the winning horses and any prize

that cannot be duplicated shall be distributed by lot. (Added eff. 8/30/89)

(Added eff. 8/30/89; (c) added eff. 5/1/96; (a),(b) amended eff. 10/30/00)

(b) A horse may not draw into the finals or consolations instead of a horse that finished ahead of the horse.

(c) When scheduled races are trial heats for futurities or stakes races electronically timed from the starting gates, an association may not move the starting gates or allow the starting gates to be moved until all trial heats are complete, except in an emergency or to renovate the track

as determined by the stewards. (Added eff. 8/30/89; (c) amended eff. 6/15/97; (a),(b) amended eff. 10/30/00)

(b) The executive secretary shall review each application that is filed. The executive secretary may request additional information from the applicant if the executive secretary determines the additional information is necessary for a complete analysis of the application. If after the review the executive secretary is of the opinion that a training facility license should be granted to the applicant, the executive secretary shall grant the license and issue a license certificate. If after the review the executive secretary is of the opinion that a training facility license should not be granted to the applicant, the executive secretary shall notify the applicant and arrange a hearing on the proposed denial. A hearing on a proposed denial is a contested case proceeding and shall be conducted in accordance with Chapter 307 of this title (relating to Practice and Procedure).

(c) The dimensions of the racetrack at the training facility must be surveyed by a certified land surveyor, including the distances from each distance pole to the finish line. The results of the survey must be submitted in writing with the application for a training facility license. If neither the track dimensions nor the distance poles have been altered since the date an original training facility license was granted, the general manager or chief executive officer of the training facility may submit a sworn affidavit stating that fact in lieu of a new survey. If the track dimensions or distance poles have been altered since the date the original training facility license was granted, the racetrack must be surveyed by a certified land surveyor and the results submitted to the Commission in writing with the application for license renewal.

(b) A training facility licensee shall prohibit any wagering at the facility and shall promptly eject any person who is found to be wagering.

(c) A training facility licensee shall ensure that veterinary services and facilities are available to the training facility in close enough proximity to permit a response time of one hour or less. The veterinary services and facilities are subject to the approval of the executive secretary.

(d) A training facility licensee shall maintain records regarding the management and operation of the training facility and the records are subject to inspection by the executive secretary. A training facility licensee shall cooperate fully with the Commission, the executive secretary, and the Department of Public Safety in the regulation of training facilities and shall promptly provide any information requested by the Commission, the executive secretary, or the Department of Public Safety.

(e) A training facility licensee shall post in a prominent place a list of the dates and times that official workouts may be obtained.

(f) A training facility licensee shall comply

with all the requirements of this subchapter. Failure to continuously comply with those requirements is grounds for disciplinary action by the Commission, including suspension or revocation of the training facility license.

(g) The facilities and operations of a licensed training facility are subject to inspection and verification by the executive secretary at any time. If the executive secretary determines that inappropriate or unsafe conditions exist at the training facility or that the integrity of workouts obtained at the facility are in question, the executive secretary may immediately notify the pari-mutuel racetracks in this state that workouts obtained at the facility may not be accepted as official workouts. The executive secretary shall notify the general manager or chief executive officer of the licensed training facility of the executive secretary's findings and specifically describe the corrective action necessary to make the facility's workouts official, to rectify the inappropriate condition or to make the conditions safe. The training facility may take the necessary corrective action or request a hearing on the executive secretary's findings.

(h) A training facility licensee may not:

- (1) conduct a race at its facility; or
- (2) allow its facility to be used for a race.

(Added eff. 1/1/94; (h) added eff. 1/3/96; (g) amended eff. 9/1/98; (a),(c),(d),(f),(g) amended eff. 10/30/00)

- (3) a starter.

(b) The person riding a horse in an official workout must hold a valid Commission license as a jockey, apprentice jockey, or exercise rider, or as the trainer or assistant trainer of the horse.

(c) The horse identifier shall identify each horse before each official workout. The original registration papers for each horse that is to work, or a copy that satisfies the horse identifier, must

be submitted to the horse identifier before the horse's initial workout at the facility to permit the identifier to record the horse's color, gender, markings, and tattoo number, if applicable. The horse identifier shall inspect all documents of ownership, registration, or breeding necessary to ensure the proper identification of the horse. The identification procedures used at the training facility are subject to the approval of the executive secretary. The individual serving as the horse identifier may serve as timer or starter also, with the approval of the executive secretary. The timer may not serve as the starter.

(d) A training race conducted at a licensed pari-mutuel racetrack may be used as an official workout. The distance of an official workout must be at least:

- (1) 220 yards for a quarter horse;
- (2) two furlongs, for a two-year old thoroughbred; and
- (3) three furlongs, for a thoroughbred three years of age or older.

(e) A workout must be timed on a stopwatch that is accurate to within .01 of a second. Times for quarter horses shall be rounded to tenths of one second and times for thoroughbred horses shall be rounded to fifths of one second.

(f) An individual may not ride a horse in an official workout unless the individual is wearing a properly fastened helmet of a type approved by the executive secretary.

(g) Each official workout must be recorded on a form prescribed by the executive secretary. Not later than 24 hours after the day of an official workout, a training facility shall transmit the results of the workout to:

- (1) the official past performance publisher;
- (2) the Commission; and
- (3) each pari-mutuel horse racetrack in this state that is:

(A) conducting a live race meeting for the same breed of horse as the horse that was worked; or

meeting for the same breed of horse as the horse that was worked.

(h) A horse may not have more than one official workout on a calendar day. (Added eff. 1/1/94; (a),(b),(f),(g) amended eff. 10/30/2000; (d) amended eff. 4/4/05; (b)-(c) amended eff. 1/5/10)

### **Sec. 313.506. Discretion of Officials.**

(b) The starter at an association's race meeting may reject a gate approval obtained at a licensed training facility if:

(1) the starter knows the gate approval does not ensure the safety of the horse or jockey; or

(2) the starter has reason to believe the horse would not break from the gate in a manner that would safeguard the interests of the public. (Added eff. 1/1/94)

### **Sec. 313.507. Employees of Training Facilities.**

(a) The general manager and chief executive officer of a licensed training facility must obtain a training facility general manager license from the Commission. A training facility employee license may be denied, suspended, or revoked for any of the grounds listed in the Act, Sec. 7.04.

(b) A training facility employee license does not entitle the licensee to participate in pari-mutuel racing in this state but, except as provided by the Act or the Rules, the licensee is not prohibited from obtaining a license to participate in pari-mutuel racing. A person who holds a Commission license to participate in pari-mutuel racing may work at a licensed training facility in the appropriate capacity.

(c) A person holding a training facility

employee license is subject to the Rules that regulate the behavior and privileges of individual licensees of the Commission. By accepting a license issued by the Commission, the licensee consents to:

(1) a search by the Commission of the person and the person's possessions at the training facility to check for violations of the Act or the Rules;

(b) Before a greyhound may be schooled, entered, or raced at a racetrack, a National Greyhound Association certificate of registration, the racing history and the last four performance lines for the greyhound, if applicable, must be on file with the racing secretary. The racing judges may inspect the certificates of registration at any time.

(c) A person transferring title to a lease or other interest in a greyhound schooled, entered, or racing on an association's grounds shall register and record the transfer with the National Greyhound Association. (Added 10/11/90; (a) amended eff. 3/6/91; (d) deleted eff. 1/3/96; (b) amended eff. 4/4/05)

### **Sec. 315.102. Entry Procedure.**

(b) An entry in a race must be in the name of the registered owner, lessee, or a kennel name and may be made in person, in writing, or by telephone or facsimile.

(c) A greyhound may not start in a race unless the greyhound has been entered in the race in accordance with these rules.

(d) An association may not charge a fee for entering a race unless a fee is clearly stated in the conditions of the race. If the conditions require an entry fee, the fee must accompany the entry.

(e) A joint entry may be made by one or more owner of a greyhound. If the ownership interests in a greyhound are equally divided, each owner is jointly and severally liable for all fees and forfeits.

(f) The racing officials may require a person in whose name a greyhound is entered to produce proof that the greyhound is owned only by persons licensed to participate in pari-mutuel racing. The racing judges may scratch the greyhound from the race if the person fails to comply with a demand made under this subsection.

(g) The racing secretary shall compile and conspicuously post the entries as soon as possible after entries close. After entries close, an entry may not be altered other than to correct an error.

(h) An association may withdraw or change a race for which entries have not closed.

(i) Except as otherwise provided by this subsection, entries for a purse race shall close at the time indicated in the publication of the conditions. An association may grant additional time for entries for a race that does not fill by the indicated closing time. An association may not maintain a list of "also eligible" entries.

(j) A greyhound whose entry is ordered refused at a racetrack in any jurisdiction because of inconsistent racing or erratic racing performance for no apparent reason may not enter a race at any licensed racetrack in this state until:

(1) the greyhound has been successfully schooled at the racetrack at which the greyhound is to compete; and

(2) the person making the entry has received the approval of the racing judges.

(k) In a purse race, there may not be more than two double entries. When a full active list is achieved and maintained, a double entry may not be entered until all single interests eligible for the performance are used. Double entries may be used at the discretion of the racing secretary when the active list is low or unbalanced with approval of the racing judges. A double entry shall be uncoupled for wagering purposes.

(l) If the number of entries exceeds the number of greyhounds that may start in the race, the racing secretary shall determine which greyhounds shall start in the race. (Added 10/11/90; (k) amended eff. 3/6/91; (k) amended eff. 8/15/97; (e),(j),(f),(m) amended eff. 10/30/00; (k) amended eff. 4/1/01; (a),(f) amended eff. 4/4/05; (m) deleted eff. 4/4/05)

(2) the greyhound has not been conditioned by a licensed trainer; or

(3) the greyhound is on the official schooling list or the veterinarian's list.

(c) A greyhound may not start in a race unless each person owning an interest in the greyhound or accepting a trainer's percentage, or having an interest in its winnings, at the time of entry into the race, is licensed by the Commission and the name of each person is registered with the racing secretary. In a stakes race, each person owning an interest in the greyhound or accepting a trainer percentage, or having an interest in its winnings, must be licensed at the time of the race.

(d) A greyhound may not start in a race unless the greyhound has been fully identified.

(e) Except as otherwise provided by this section, a greyhound may not start in a race if any entry money, stakes, or arrears is owed to the association for the greyhound. If the racing secretary permits a greyhound for which all money due has not been paid to start in a race, the racing secretary is liable for the payment.

(f) A greyhound that is less than 12 months old may not start in a race other than a race conditioned for greyhounds of the same age.  
(Added 10/11/90; (a),(b),(c) amended eff. 10/30/00)

### **Sec. 315.104. Sales and Transfers.**

(a) If a greyhound is sold with any of its engagements, the seller may not strike the greyhound out of the engagements. If the sale is made by private contract, the written acknowledgment of both parties that the greyhound is sold with the engagements is necessary to entitle the seller or buyer to the benefit of this section. If certain engagements are specified, only those are sold with the greyhound.

(b) If a greyhound is sold at public auction, the advertised conditions of the sale constitute the agreement of the parties, and if certain engagements are specified, only those are sold with the greyhound.

(c) If a greyhound is sold with its engagements, the greyhound may not start in a stakes race unless the documents of the transfer have been shown to the racing secretary.

(d) The seller of a greyhound with engagements is liable for stake or forfeit if the engagements are not kept.

(e) If a greyhound is sold to a person who is not eligible to participate in pari-mutuel racing in this state, the greyhound's engagements are void as of the date of the sale. (Added 10/11/90)

### **Sec. 315.105. Stakes Race.**

(a) Except as provided by the published notice of a stakes race, entries for a stakes race which close during or on the eve of a race meeting, close at the racing secretary's office. Entries and declarations for a sweepstakes that closes at another time close at the association's office.

(b) An entry for a stakes race may not be received after the hour designated for closing. If an hour is designated, an entry may be mailed or sent by facsimile before midnight of the day of closing, provided the entry is received by the racing secretary with adequate time to comply with all other conditions of the race.

(c) A nomination for a stakes race is valid if it is received by the racing secretary at least 24 hours before the close of entries for overnight races to be held on the same day at the stakes race.

(d) If an entry for a stakes race that was sent by mail or facsimile is not timely received, the person sending the entry must present to the racing secretary proof of the mailing or facsimile not later than 24 hours after the deadline for receipt of the entry. The racing secretary may not accept an entry for which proof is not submitted in accordance with this subsection.

(e) If a greyhound does not compete in a stakes race in which the greyhound was

entered, the owner of the greyhound forfeits all nominating, sustaining, and starting fees paid in behalf of the greyhound. (Added 10/11/90; amended eff. 10/30/00)

#### **Sec. 315.106. Liability for Fees in Stakes Races.**

(a) The owner of a greyhound nominated to a stakes race is liable for all nomination, sustaining, and other fees associated with the race. The death of a greyhound, failure to start, or mistake in its entry does not release the owner from liability for the applicable fees. If ownership of the greyhound is transferred after the greyhound is nominated for the race, the new owner is liable for all fees associated with the race that accrue after the date the ownership is transferred.

(b) With the prior approval of the racing judges, the racing secretary may waive the obligation to pay arrears by a person who has sold a greyhound with engagements or transferred entries. (Added 10/11/90; amended eff. 10/30/00; (a) amended eff. 7/15/05)

#### **Sec. 315.107. Payments of Nominating, Sustaining and Starting Fees.**

(a) If a stakes race is not run for any reason, the association shall refund all nominating, sustaining, and starting fees paid, if any.

(b) In an emergency, an association may postpone or cancel a race or stakes race with the approval of the racing judges. The association shall refund all nominating, subscribing and starting fees for a race under this section. (Added 10/11/90; (c),(d) amended 10/30/00; amended eff. 4/4/05)

#### **Sec. 315.108. Qualifying Time.**

(a) An association, with the approval of the racing judges, shall establish qualifying times for all distances.

(b) An association shall notify the executive secretary at least three days before the first day of a race meeting of the qualifying times established by the association. The association shall continuously post the qualifying times in a conspicuous place. A new qualifying time

established during a race meeting takes effect, after approval by the racing judges, on the third day after the date the association posts the new time.

(c) The period for race qualifications of greyhounds may not exceed the period from the beginning of official schooling to one week before the last day of the race meeting. (Added eff. 10/11/90; (a) amended eff. 4/4/05)

#### **Sec. 315.109. Objection to Entry.**

(a) A person who wishes to protest the eligibility of a greyhound entered in a race or to protest the weight of a greyhound must make the protest with the racing judges or other racing officials not less than one hour before post time for the first race on the day in which the greyhound is entered.

(b) Notwithstanding subsection (a) of this section, the racing judges may take any action necessary to correct the eligibility or weight of a greyhound at any time before the start of the race in which the greyhound is scheduled to compete.

(c) If the racing judges determine before the start of a race that a greyhound entered in the race is not eligible for the race, the racing judges shall immediately scratch the ineligible greyhound. (Added eff. 1/1/02)

#### **Sec. 315.110. Scratches.**

(a) A greyhound may be scratched from a race only with the approval of the racing judges. A request to scratch a greyhound may be made only by the kennel owner or trainer. The request must be filed with the racing secretary at least 30 minutes before the time designated for the drawing of post positions or the time designated by the racing secretary.

(b) A scratch that occurs as a result of a violation of a racing rule carries a penalty and/or suspension of the greyhound for six race days. The racing judges shall review the cause for a scratch and may take disciplinary action. If a greyhound is scratched because the kennel owner or trainer of the greyhound fails to have the greyhound at the paddock at the appointed time

for weighing-in, the racing judges may impose disciplinary action against the person responsible.

(c) If three or more greyhounds are withdrawn or scratched from a race, the racing judges may cancel the race.

(d) The racing judges may scratch a greyhound from a race if they determine circumstances exist which would prevent the greyhound from making its best effort, the greyhound may not legally participate in the race, or the participation of the greyhound would negatively effect the competitiveness of the race or the wagering public.

(e) A greyhound that is withdrawn from a race after the overnight entries are closed is considered a scratch and must be examined by the commission veterinarian before the first race of the performance in which the greyhound was scheduled to start. (Added 10/11/90; (a),(b) amended eff. 10/30/00; (a),(b),(d) amended eff. 4/4/05)

#### **Sec. 315.111. Schooling.**

(a) A greyhound that has never raced must be properly schooled at least twice in the presence of the racing judges and must, in the opinion of the racing judges, be sufficiently experienced before the greyhound may start in a race. A greyhound that has not had an official start in 10 racing days must participate in an official schooling race at its established weight to be eligible to enter the race. A greyhound that has not raced officially for more than thirty days must school at least twice.

(b) All schooling races shall be at a distance not less than three-sixteenths of a mile unless otherwise approved by the judges.

(c) A greyhound that transfers from a racetrack outside of Texas must school at least once before it may start in a race other than a stakes or futurity race. A greyhound that transfers from a Texas racetrack may start in a race without additional schooling if the greyhound has raced in the ten racing days preceding the race. A greyhound that has not raced officially for more than thirty days must school at least twice.

(d) To be official, at least six greyhounds must race in a schooling race, except by permission of

the racing judges. Leadouts must be used in an official schooling race, and the greyhounds must race at their established racing weight and start from the box wearing blankets. The association shall provide photofinish equipment for official schooling races.

(e) Hand schooling is not official schooling.

(f) The racing judges may place a greyhound on the official schooling list at any time. A greyhound on the official schooling list must be schooled officially and satisfactorily before being eligible to enter.

(g) If the racing judges determine that a greyhound has fallen or been involved in a serious jam in a race, the racing judges may require the greyhound to be schooled officially and satisfactorily before being eligible to enter. (Added 10/11/90; (c) amended eff. 10/15/95; (a) amended eff. 1/3/96; (a),(c),(d) amended eff. 4/4/05; (b) amended eff. 10/19/15)

#### **Sec. 315.112. Ineligibility Due to Improper Greyhound Training.**

(a) The board of racing judges may ban a greyhound for life from being kenneled or participating in racing on association grounds if it finds that the greyhound has been trained at any facility that may has engaged in any detrimental practice related to the training of greyhounds using a live or dead animal or fowl.

(b) This section does not apply to the use of a training lure that is made from cured animal hides or pelts and is commercially available to the public. (Added eff. 5/30/13)

### **Subchapter C. Race Procedures**

#### **Sec. 315.201. Racing Weight.**

(a) Before a greyhound may school or race at a racetrack, the owner or trainer must establish the racing weight for the greyhound with the clerk of scales.

(b) Each greyhound entered in a race in a performance must be weighed in by the prescribed time approved by the racing judges.

(c) The greyhound's kennel owner, trainer, assistant trainer or kennel helper shall deliver the

greyhound to the weighing-in room in sufficient time to have the greyhound weighed in in accordance with this section.

(d) If a greyhound's weight at weigh-in varies from the greyhound's established racing weight by more than 1 1/2 pounds, the racing judges shall scratch the greyhound.

(e) If a greyhound's weight at weigh-in varies by more than two pounds from the greyhound's weight at weigh-in for the greyhound's previous race, the racing judges shall scratch the greyhound.

(f) Except as otherwise provided by this subsection, if a greyhound at weigh-out has lost more than two pounds while in the lockout kennel, the racing judges shall scratch the greyhound. If the commission veterinarian certifies that the greyhound's weight loss does not impair the racing condition of the greyhound, the racing judges may permit the greyhound to race.

(g) A greyhound that is scratched from a race because of overweight or underweight shall be suspended for six race days and must officially school before starting in a race. A greyhound scratched under this subsection may school during the term of the suspension. (Added 10/11/90; (b),(c) amended eff. 4/4/05)

### **Sec. 315.202. Changes in Established Weight.**

(a) A kennel owner or trainer for a greyhound may change the established racing weight for a greyhound by filing a written request for the change and obtaining written consent of the racing judges. The greyhound may not race at the new weight before the third day after the date the racing judges consent. A weight change at an official schooling race goes into effect on approval of the racing judges.

(b) A greyhound that is granted a change of more than one pound in established racing weight must school twice at the new weight, and more if ordered by the racing judges, before being eligible to start at the new weight.

(c) The racing judges may weigh a greyhound entered in a race at any time after entry until post

time for the race. (Added 10/11/90; amended eff. 4/4/05)

### **Sec. 315.203. Placement in Lockout.**

Immediately after being weighed in, a greyhound shall be placed in the lockout kennel under the supervision of the paddock judge. Only the paddock judge, commission veterinarian, kennel master, clerk of scales, leadout, racing judge, or representative of the Commission may enter the lockout kennel. A kennel owner or trainer may accompany a greyhound into the lockout kennel under the direct supervision of a racing judge or a designee of the racing judges.

(Added 10/11/90)

### **Sec. 315.204. Paddock to Post.**

(a) A greyhound must be exhibited in the paddock before post time of the race in which the greyhound is entered.

(b) A greyhound may be led from the paddock to the starting box only by a licensed leadout provided by the association. The leadout shall place the greyhound in the proper box and retire to the assigned place. The association shall provide one leadout for each greyhound in the race.

(c) While leading a greyhound from the paddock to the starting box or returning from the starting box, a leadout may not converse with a patron or another leadout about a matter that is inconsistent with the performance of the leadout's duties.

(d) After the greyhounds have left the paddock for the starting box, the track gates shall be closed and, until the racing judges order the gates reopened, only racing officials and necessary attendants may enter the track. (Added 10/11/90)

### **Sec. 315.205. Equipment.**

During a race, a greyhound must wear a racing muzzle with a white tip and a blanket displaying the official program number for the greyhound. (Added 10/11/90; amended eff. 4/4/05)

#### **Sec. 315.206. Operation of Lure.**

The racing judges shall closely observe the operation of the lure and hold the lure operator strictly accountable for inconsistency in operation. (Added 10/11/90)

#### **Sec. 315.207. Leaving the Course.**

(a) If a greyhound bolts the course, runs in the opposite direction, or does not run the entire prescribed distance for the race, the greyhound forfeits all rights in the race. The racing judges shall determine the official finish of the race as if the greyhound was not racing.

(b) Notwithstanding this section, a greyhound that bolts the course, runs in the opposite direction, or does not run the entire prescribed distance for the race is considered a starter. (Added 10/11/90)

#### **Sec. 315.208. Interference.**

(a) If a greyhound causes interference with the running of the race because of an accident, failure to leave the starting box, or another reason, an individual stationed along the racetrack may remove the greyhound from the racetrack.

(b) A greyhound removed from a racetrack under this section is considered a starter.

(c) If a greyhound is cited for interference by the racing judges, all films of the race shall be made available for viewing by the kennel owner or trainer with the racing judges. (Added 10/11/90)

#### **Sec. 315.209. No Race.**

(a) If a race is marred by jams, spills, or racing circumstances other than accidents to the equipment while a race is being run, and three or more greyhounds finish, the racing judges shall declare the race finished and official. If less than three greyhounds finish in such a race, the racing judges shall declare "no race" and all money wagered on the race shall be refunded.

(b) During a race, if the lure does not remain in advance of all the greyhounds at all times, or if a greyhound catches or passes the lure during a race, the racing judges shall declare "no race" and all money wagered on the race shall be refunded.

(c) During the running of a race, if a greyhound bolts the course or runs in the opposite direction of the running of the race, and the racing judges determine that the greyhound interfered with another greyhound in the race, the racing judges shall declare "no race" and all money wagered on the race shall be refunded.

(d) The racing judges shall immediately report a "no race" to the executive secretary, and include a detailed explanation of the cause. Not later than five days after the date of a "no race", the association may apply to the executive secretary for a make-up race to replace the "no race". (Added 10/11/90; (d) amended eff. 10/30/00)

#### **Sec. 315.210. Prize Distribution in Dead Heats.**

(a) If two or more greyhounds finish a race in a dead heat, the prize and money to which those greyhounds would have been entitled had they not finished in a dead heat shall be divided equally among the greyhounds.

(b) If the owners who are to divide a prize cannot agree as to which owner is to have a non-divisible prize, such as a trophy, the racing judges shall distribute the non-divisible prize by lot. (Added 10/11/90; (b) amended eff. 4/4/05)

#### **Sec. 315.211. Objections.**

(a) An objection regarding a race, other than the actual running of the race, must be made by an owner, kennel owner or trainer of a greyhound engaged in the race, or an official. An objection must be made to the racing judges, who may require that the objection be made in writing with a copy sent immediately to the executive secretary.

(b) Except as otherwise provided by this subsection, an objection must be made to the racing judges not later than 72 hours after the race is run. An objection to a decision of the clerk of scales must be made before the greyhounds leave the paddock for the post.

(c) Pending a decision on an objection, any money or prize to which a greyhound that is the subject of the objection would be entitled shall be held until the objection is decided. (Added 10/11/90; amended eff. 10/30/00; (a),(c) amended eff. 4/4/05)

(b) For purposes of this chapter, “prohibited drugs, chemicals, or other substances” means:

(Added eff. 8/14/89; (b) added eff. 11/1/98; (b) amended eff. 10/19/15)

(b) Furosemide at or below the approved tolerance level in a horse that has been admitted to the furosemide program is permissible. The maximum permissible concentration shall be published on the list of therapeutic drugs posted under subsection (c) of this section.

(c) Therapeutic drugs that are necessary for treatment of illness or injury in race animals are permissible, provided that:

(1) the therapeutic drug is on a written list of permissible levels of therapeutic medications that is approved by the executive secretary, maintained by the commission veterinarian, and posted in the commission veterinarians’ office; and

(2) the concentration of the drug does not exceed the maximum permissible concentration on the written list of therapeutic drugs.

(d) Except as otherwise provided by this chapter, a person may not administer or cause to be administered to a horse or greyhound a prohibited drug, chemical, or other substance, by injection, oral or topical administration, rectal infusion or suppository, nasogastric intubation, inhalation, or any other means during the 24-hour period before the post time for the race in which the animal is entered.

(e) A positive finding by a chemist of a prohibited drug, chemical, or other substance in a test specimen of a horse or greyhound collected on the day [before or after the running] of a race, subject to the rules of the commission relating to split specimens, is prima facie evidence that the prohibited drug, chemical, or other substance was administered to the animal and was carried in the

body of the animal while participating in a race.

(f) Except as provided in paragraph (1) of this subsection, clenbuterol and albuterol are prohibited and shall not be administered to a horse participating in racing at any time.

(1) A horse may only be administered clenbuterol or albuterol if:

(A) it is prescribed by a licensed veterinarian;

(B) within 24 hours of initiating treatment, the trainer or owner has submitted to the Commission a form prescribed by the Commission and signed by the veterinarian, indicating:

- (i) the name of the horse;

(A) In order to have a horse removed from the Veterinarian's List after being placed on the list pursuant to paragraph (1) of this subsection, the trainer must contact a commission veterinarian to schedule a time and test barn location where the horse must be presented after the thirtieth day in order for a commission veterinarian to obtain test specimens to be

submitted to the official laboratory for testing.

(B) The cost of each test conducted under this section, including applicable shipping costs, shall be borne by the owner and must be paid in full at the time the specimens are shipped to the laboratory.

(C) The collected specimens must not have any detectable level of clenbuterol, albuterol, or any other beta-agonist drug. If no detectable level of clenbuterol, albuterol, or any other beta-agonist drug is present, the horse shall be removed from the Veterinarian's List. If a detectable level of clenbuterol, albuterol, or any other beta-agonist drug is present, then the horse shall remain on the Veterinarian's List until such time that a test specimen reveals no detectable level of clenbuterol, albuterol, or any other beta-agonist drug.

(D) A horse placed on the Veterinarian's List pursuant to paragraph (1) of this subsection may not be entered in a race until it has been removed from the list.

(2) the commission veterinarian has given prior approval before the horse is entered in the race;

(3) the racing secretary of the association is notified of the palmar digital neurectomy at the time the horse is entered in the race; and

(4) the horse's registration or eligibility certificate is marked to indicate the palmar digital neurectomy.

(c) The racing secretary shall maintain a list of nerved horses that are registered to race at that track and make the list available for inspection by other licensees participating in the race meeting.

(b) If the condition of the horse requires its destruction within the view of the patrons, the commission veterinarian shall ensure that a screen is placed in a manner that shields the horse from the view of the patrons.

(c) The commission veterinarian may order a horse to be euthanized if the veterinarian determines the horse is seriously injured to the extent that euthanasia is in the best and humane interests of the horse. By accepting a license from the commission, an owner or trainer consents to the authority of the commission veterinarian under this subsection. (Added eff. 11/3/89; (a), (c) amended eff. 11/1/98)

#### **Sec. 319.111. Bleeders and Furosemide Program.**

(a) Diagnosis of EIPH.

(1) A bleeder is a horse that experiences Exercise Induced Pulmonary Hemorrhage (EIPH). Except as otherwise provided by this subsection, the medical diagnosis of EIPH may be made only by a commission veterinarian or a veterinarian currently licensed by the Commission. If the first EIPH event experienced by a horse occurs in another pari-mutuel racing jurisdiction, certification of the horse as a bleeder by that foreign jurisdiction will also constitute a first report of a diagnosed EIPH event for purposes of this section. A veterinarian who diagnoses an EIPH event in a horse participating in pari-mutuel racing in this state shall report the event to the commission veterinarian in a format prescribed by the executive secretary. On receipt of the first report of a diagnosed EIPH event for a horse, the commission veterinarian shall certify the horse as a bleeder.

(2) A trainer may request that a commission veterinarian reconsider the commission veterinarian's diagnosis of an EIPH event by presenting the horse for re-examination within four hours of the initial diagnosis, or within one hour after a performance's last race, whichever occurs sooner. To receive reconsideration, the trainer must present the horse to the commission veterinarian for endoscopic examination as performed by a commission-licensed veterinarian.

(b) Admission to Furosemide Program.

(1) A trainer may admit a horse to the furosemide program by stating at time of entry that the horse will compete with furosemide.

(2) A horse that competed with furosemide in its most recent start out-of-state must compete on furosemide in Texas unless withdrawn from the furosemide program at time of entry.

(3) The voluntary administration of furosemide without an external bleeding incident shall not subject the horse to an initial period of ineligibility under subsection (g) of this section.

(c) Administration of Furosemide.

Furosemide shall be administered to a horse in the furosemide program not later than four hours before the published post time for the race the horse is entered to run. The furosemide must be administered intravenously by a veterinarian licensed by the Commission. The executive secretary shall periodically publish the permissible blood levels of furosemide in post-race specimens and shall post the levels at each licensed racetrack.

(d) Requirement to Use Furosemide. A horse in the furosemide program in Texas must compete with furosemide until withdrawn from the program.

(e) Withdrawal from Furosemide Program.

(1) To withdraw a horse from the furosemide program, the trainer must state his/her intention to race the horse without furosemide at the time of entry.

(2) A horse in the furosemide program that competes out-of-state without furosemide is considered to have been removed from the Texas furosemide program effective the date of its first race without furosemide.

(3) Withdrawal from the furosemide program does not prohibit a horse from subsequent readmission to the program in accordance with this section.

(f) Readmission to the Furosemide Program. A horse may be readmitted to the furosemide program if:

(1) at least 60 days have elapsed since the horse was withdrawn from the program;

(3) the commission veterinarian diagnoses the horse with another EIPH event.

(g) Bleeders List.

(1) The commission veterinarian shall maintain a list of horses that have been certified as bleeders and a list of horses that have been admitted to the furosemide program.

(2) On receipt of a report of a diagnosed EIPH event, the commission veterinarian shall place the horse on the veterinarian's list and the

horse shall be ineligible to race for the following time periods:

First incident - 12 days;

Second incident within 365 days of previous incident - 30 days;

Third incident within 365 days of previous incident - 180 days;

Fourth incident within 365 days of previous incident - lifetime ban from racing in this state.

(3) A horse with fewer than four EIPH events that has not had a diagnosed EIPH event for a period of 365 consecutive days is considered a non-bleeder for purposes of this subsection. The report of a diagnosed EIPH event from any pari-mutuel jurisdiction which officially records EIPH events will be recognized as an EIPH event by the Commission.

(4) Notwithstanding the foregoing, if after reviewing a report of a diagnosed EIPH event the commission veterinarian determines additional days on the veterinarian's list are essential to the health and safety of the horse, the commission veterinarian may extend the number of days the horse is on the veterinarian's list. The commission veterinarian shall record the medical reasons for the additional days.

(h) Report by Veterinarian. A veterinarian who administers furosemide to a horse that has been admitted to the furosemide program shall report the administration on a form prescribed by the Commission. A report made under this subsection must be filed with the test barn supervisor not later than one hour before post time for the first race of that day. (b) A person who observes an unlicensed person performing, conducting, or participating in veterinary practices on association grounds shall immediately report that fact to the stewards.

(b) The commission veterinarian shall notify the kennel owner or trainer of a greyhound placed on the veterinarian's list not later than 24 hours

after placing the greyhound on the list.

(c) A greyhound on the veterinarian's list may be removed from the list only on demonstrating to the commission veterinarian that the greyhound is raceably sound and in fit physical condition to exert its best effort in a race.

(d) A greyhound on the veterinarian's list may not enter a race before the third day after the day the greyhound was placed on the list. The commission veterinarian may require a greyhound to school after being examined and removed from the list before the greyhound may enter a race.

(e) Each lactating bitch and each bitch in season or coming in season during a race meeting shall be placed on the veterinarian's list and may not enter a race until the greyhound has been reexamined by the commission veterinarian and removed from the veterinarian's list. A bitch in season may not be reexamined before the 21st day after the day the greyhound was placed on the veterinarian's list.

(b) This section does not apply to a person who adds a substance approved by the executive secretary necessary to preserve the specimen for analysis. (Added eff. 8/14/89; (a) amended eff. 11/1/98; (b) amended eff. 3/1/03)

#### **Sec. 319.304. Penalties on Positive Test.**

(a) On a finding by the stewards or racing judges that a test specimen from a race animal that participated in a race contains a prohibited drug, chemical or other substance, the stewards or racing judges may:

(1) disqualify the animal and order the purse redistributed;

(2) declare the race animal ineligible to race for a period of time; and

(3) impose penalties authorized by Chapter 307 of this title (relating to Practice and Procedure) on:

(A) the animal's trainer or kennel owner;

(B) any other person responsible for the care and custody of the animal; and

(C) all individuals determined to have administered or to have attempted, caused, or conspired to administer the prohibited drug, chemical, or other substance.

(b) The executive secretary may promulgate a classification for prohibited drugs, chemicals, and other substances and a schedule for recommended disciplinary action for use by stewards, racing judges, and the Commission in assessing penalties for various violations under this chapter. (Added eff. 8/14/89; amended eff. 11/22/91, repealed and replaced eff. 11/1/98; (b) amended eff. 4/1/01)

#### **Sec. 319.332. Procedure for Obtaining Specimens.**

(a) The commission veterinarian at greyhound racetracks and the test barn supervisor at horse racetracks shall select and directly supervise the test technicians who obtain specimens for conducting tests under this chapter. The rate of compensation to be paid to the technicians is subject to the approval of the executive secretary.

(b) Except as authorized by the commission veterinarian, each specimen must be obtained in the test area approved by the Commission.

(c) The owner, trainer, or kennel owner of a race animal being tested or a designee of the owner, trainer, or kennel owner is entitled to witness or acknowledge the taking of the specimen and is entitled to sign the tag for the specimen. Failure or refusal to be present and witness the collection of the specimen or to sign the specimen tag constitutes a waiver by the owner, trainer, or kennel owner of any objections to the source, collection procedures, and documentation of the specimen. A person signing a specimen tag under this section must be at least 18 years of age and be licensed by the Commission. A trainer or kennel owner may not designate another trainer or kennel owner to witness the collection of the sample or to sign a specimen tag unless a trainer responsibility form has been executed. (Added eff. 8/14/89; (c) amended eff. 9/30/91; (a) amended eff. 11/22/91; (c) amended eff. 5/1/92; (c) amended eff. 2/1/95; (a) amended eff. 11/1/98; (a),(b),(c) amended eff. 3/1/03)

#### **Sec. 319.333. Specimen Tags.**

(a) Each specimen obtained for testing must be marked for identification in a manner that ensures that:

(1) the commission can identify which horse, trainer, owner, and race the specimen came from; and

(2) the laboratory testing the sample cannot identify from the labeling on the specimen which horse, trainer, owner, or race the specimen came from.

(b) The executive director may issue standards for specimen identification in a manner

that ensures the integrity of the specimens. (Added eff. 8/14/89; (b) amended eff. 11/22/91; (a), (b) amended eff. 3/1/03; (a), (b) amended eff. 11/20/19)

#### **Sec. 319.334. Delivery and Retention of Specimens.**

The commission veterinarian or test barn supervisor shall ensure that a specimen that is to be sent to a testing laboratory is delivered to the laboratory in a timely manner and by a method that ensures the integrity of the specimen. The courier service to be used by an association and the contract with that courier service is subject to the approval of the executive secretary. (Added eff. 8/14/89; (b) deleted eff. 11/22/91; amended eff. 11/1/98; amended eff. 3/1/03)

#### **Sec. 319.335. Approval of Testing Costs.**

(a) All charges for conducting tests under this subchapter must be reconciled with the number of tests actually conducted and be approved by the executive secretary before payment.

(b) Charges for conducting tests under this subchapter may include expenses incurred for travel, lodging, testing, and processing test results.

(c) On approval of the charges, the executive secretary shall forward a copy of the charges to the association for which the tests were conducted. (Added eff. 8/14/89; (a) amended eff. 11/22/91; (a), (c) amended eff. 11/1/98; (a) amended eff. 12/8/11)

#### **Sec. 319.336. Payment of Testing Costs.**

(a) Responsibility for Payment. Immediately on receipt of approved charges for conducting tests under this subchapter, an association shall pay the charges.

(b) Authority to Use Outstanding Tickets and Pari-mutuel Vouchers. An association may use money held by the association to pay outstanding tickets and outstanding pari-mutuel vouchers to pay for charges under this section. If the money held is insufficient to pay the charges, the association shall pay the remainder of the charges. (Added eff. 8/14/89; (a), (b) amended, (c), (d) added eff. 1/1/98; (c) amended eff. 11/1/98; (c), (d) amended eff. 11/12/03; (c) amended eff. 7/16/08; (c), (d) deleted eff. 12/8/11)

#### **Sec. 319.337. Interference with Testing Prohibited.**

A person may not interfere with the testing of a race animal, including interference in obtaining specimens, delivering specimens to a laboratory, delivering test results to the commission veterinarian or the commission, or any other procedure involved in conducting a test required by this subchapter. (Added eff. 8/14/89)

#### **Sec. 319.338. Storage of Splits.**

(a) The commission veterinarian shall store the retained part of a specimen at a site approved by the executive secretary for the period required by this section. The split specimen shall be stored in a manner that ensures the safety and integrity of the part.

(b) If the result of the initial test on a specimen is negative, the commission veterinarian's designee may discard the retained part of the specimen on receipt of the negative result. If the result of the initial test on a specimen is positive, the commission veterinarian's designee may discard the split specimen of the specimen after all appeals are exhausted and the disposition of the matter is final.

(c) The association at which a specimen is obtained shall pay all the costs of storage incurred under this section. (Added eff. 3/13/02; (a), (b) amended eff. 3/1/03)

### **Division 3. Provisions for Horses**

#### **Sec. 319.361. Testing of Horses.**

(a) The stewards shall order specimens collected for testing under this subchapter in accordance with this section.

(b) A specimen shall be collected from each horse that finishes first in a race.

(c) In addition to the horse designated under subsection (b) of this section, a specimen may be collected from the following horses:

(1) a horse that finishes second;

(2) a beaten favorite;

(3) for a race with a gross purse of \$50,000 or more, the horse that finishes third;

(4) a horse selected at random by the stewards; and

(5) any other horse designated for cause by the stewards or the commission veterinarian.  
(Added eff. 8/14/89; (b), (c) amended eff. 10/11/90; (c) amended eff. 11/1/98)

#### **Sec. 319.362. Split Specimen.**

(a) Before sending a specimen from a horse to a testing laboratory, the commission veterinarian shall determine whether the specimen is of sufficient quantity to be split. If there is sufficient quantity, the commission veterinarian or the commission veterinarian's designee shall divide the specimen into two parts. If the specimen is of insufficient quantity to be split, the commission veterinarian may require the horse to be detained until an adequate amount of urine can be obtained. If the commission veterinarian ultimately determines the quantity of the specimen obtained is insufficient to be split, the commission veterinarian shall certify that fact in writing and submit the entire specimen to the laboratory for testing.

(b) The commission veterinarian or commission veterinarian's designee shall retain custody of the portion of the specimen that is not sent to the laboratory. The veterinarian or designee shall store the retained part in a manner that ensures the integrity of the specimen.

(c) An owner or trainer of a horse which has received a positive result on a drug test may request, in writing, that the retained serum or urine, whichever provided the positive result, be submitted for testing to a Commission approved and listed laboratory that is acceptable to the owner or trainer. The owner or trainer must notify the executive secretary of the request not later than 48 hours after notice of the positive result. Failure to request the split within the prescribed time period will be deemed a waiver of the right to the split specimen.

(d) If the retained part of a specimen is sent for testing, the commission staff shall arrange for the transportation of the specimen in a manner that ensures the integrity of the specimen. The

person requesting the tests shall pay all costs of transporting and conducting tests on the specimen. To ensure the integrity of the specimen, the split specimen must be shipped to the selected laboratory no later than 10 days after the day the trainer is notified of the positive test. Subject to this deadline, the owner or trainer of the horse from whom the specimen was obtained is entitled to be present or have a representative present at the time the split specimen is sent for testing.

(e) If the test on the split specimen confirms the findings of the original laboratory, it is a prima facie violation of the applicable provisions of the chapter.

(f) If the test on the split specimen portion does not substantially confirm the findings of the original laboratory, the stewards may not take disciplinary action regarding the original test results.

(g) If an act of God, power failure, accident, labor strike, or any other event, beyond the control of the Commission, prevents the split from being tested, the findings of the original laboratory are prima facie evidence of the condition of the horse at the time of the race. (Added eff. 8/14/89; amended eff. 2/1/95; amended eff. 11/1/98; amended eff. 10/30/00; amended eff. 4/1/01; amended eff. 3/13/02)

#### **Sec. 319.363. Testing for Total Carbon Dioxide.**

(a) Findings and Presumptions.

(1) the commission finds that a total carbon dioxide level of 37 millimoles per liter or more in equine serum can be achieved only through the administration, by any means, of a bicarbonate-containing substance or other alkalinizing substance.

(2) a horse entered or participating in a race may not be administered a bicarbonate-containing substance or other alkalinizing substance which causes it to carry in its body an excess level of total carbon dioxide.

(3) a positive finding by a chemist of total carbon dioxide level at or above 37 millimoles per liter in a race horse serum specimen is an excess level of total carbon dioxide and prima facie

evidence that the race horse was administered a bicarbonate-containing substance or other alkalinizing substance in violation of this section.

(b) Testing Authorized. Testing for total carbon dioxide is authorized as listed below:

(1) The executive secretary may implement a program to collect specimens from race horses and test the specimens for the presence of total carbon dioxide. In a program implemented under this section:

(A) Specimens may be collected on a random basis, including randomly selected race dates, randomly selected races, and randomly selected horses; and

(B) Specimens may be collected prerace or postrace, or;

(2) The stewards or commission veterinarian may require a horse serum specimen to be taken from any race horse designated for cause by the stewards or commission veterinarian for the purpose of testing for total carbon dioxide.

(c) Split Specimen.

(1) the commission finds that the postrace time period during which total carbon dioxide may be detected in a specimen taken from a race horse is limited. Therefore, to provide a meaningful split specimen program, the testing of a split specimen for total carbon dioxide must occur contemporaneously with the testing of the original specimen.

(2) To ensure the owners and trainers of race horses selected for testing under this section are given the opportunity for a split specimen, the trainer of record for each horse from which a specimen is taken pursuant to this section shall declare in writing whether the trainer requests that the split specimen be tested or waives the right to have the split specimen tested. Failure to request the split specimen test at the test barn within 30 minutes after the post time of the last race for the performance is deemed a waiver of the right to the split specimen.

(3) The split specimen shall be sent for testing to a commission approved and listed laboratory that is acceptable to the trainer of

record. The commission staff shall arrange for the transportation of the split specimen in a manner that ensures the integrity of the split specimen.

(4) The trainer of record requesting the split specimen shall pay all costs of transporting and conducting tests on the split specimen.

(5) If the test on the split specimen confirms the findings of the original laboratory, it is a prima facie violation of this section.

(6) if the test on the split specimen does not substantially confirm the findings of the original laboratory, the stewards may not take disciplinary action regarding the test results.

(7) If an act of God, power failure, accident, labor strike, or any other event, beyond the control of the Commission, prevents the split from being tested, the findings of the original laboratory are prima facie evidence of the condition of the horse at the time of the test for total carbon dioxide.

(d) Conflict with Other Rules. To the extent that this rule conflicts with any other commission rule, this rule controls. (Added eff. 1/11/06; (a) amended eff. 3/20/08)

### **Sec. 319.364. Testing for Androgenic-Anabolic Steroids.**

(a) No androgenic-anabolic steroids shall be permitted in test samples collected from racing horses except as permitted on the written list of therapeutic drugs maintained under §319.3 of this chapter (relating to Medication Restricted).

(b) Any other anabolic steroids are prohibited in racing horses.

(c) The sex of the horse must be identified to the laboratory on all pre-race and post-race samples designated for AAS testing.

(d) If an anabolic steroid has been administered to a horse in order to assist in its recovery from illness or injury, that horse may be placed on the Veterinarian's List in order to monitor the concentration of the drug or metabolite in urine or blood. After the concentration has fallen below the designated threshold for the administered androgenic-anabolic steroids, the horse is eligible to be

removed from the list. (Added eff. 3/22/09; (a)-(d)  
amended eff. 9/28/14)

#### **Division 4. Provisions for Greyhounds**

##### **Sec. 319.391. Testing of Greyhounds.**

(a) Urine, blood, or other specimens shall be taken and tested from any greyhound designated by the racing judges, commission veterinarian, or a representative of the commission. A specimen shall be collected by the commission veterinarian or a designee of the commission veterinarian.

(b) A racing judge or the commission veterinarian may order a greyhound in a race to submit to a test of body fluid specimens to determine the presence of a prohibited drug, chemical, or other substance.

(c) Before sending a specimen from a greyhound to a testing laboratory, the commission veterinarian shall determine whether the specimen is of sufficient quantity to be split. If there is sufficient quantity, the commission veterinarian or the commission veterinarian's designee shall divide the specimen into two parts. The commission veterinarian or the commission veterinarian's designee shall retain custody of the portion of the specimen that is not sent to the laboratory. The commission veterinarian or commission veterinarian's designee shall store the split specimen in a manner that ensures the integrity of the specimen. If the specimen is of insufficient quantity to be split, the commission veterinarian shall certify that fact in writing and submit the entire specimen to the laboratory for testing.

(d) The trainer or kennel owner for a greyhound that has tested positive for a prohibited drug, chemical, or other substance may request, in writing, that the split specimen, if any, be submitted for testing at a Commission-approved and listed laboratory. The trainer or kennel owner must notify the executive secretary of the request not later than 48 hours after notice of the positive test. Failure to request the split specimen be tested within the prescribed time period constitutes a waiver of the right to have the split specimen

tested.

(e) If the split specimen is sent for testing, the commission staff shall arrange for transportation of the specimen in a manner that ensures the integrity of the specimen. To ensure the integrity of the specimen, the split specimen must be shipped within 10 days after the kennel owner is notified of the positive test. Subject to the deadline, the kennel owner is entitled to be present or have a representative present at the time the split specimen is sent for testing.

(f) If the test on the split specimen confirms the finding of the original laboratory, it is a prima facie violation of the applicable provisions of this chapter. If the test on the split specimen does not substantially confirm the findings of the original laboratory, the racing judges may not take disciplinary action regarding the original test results.

(g) If an act of God, power failure, accident, labor strike, or other event beyond the control of the Commission prevents the split specimen from being tested, the findings of the original laboratory are prima facie evidence of the condition of the greyhound at the time of the race. (Added eff. 8/14/89; (a), (b) amended eff. 10/11/90; (b) amended eff. 11/1/98; (c),(d) amended, (e),(f),(g) added eff. 3/13/02)

### **Sec. 321.2. Odds Manipulation.**

The Commission recognizes that the wagering public uses Odds and Will Pays as a handicapping tool. To maintain the integrity of the pools, the Commission therefore identifies the practice of canceling wagers that were placed for the sole purpose of manipulating the posted Odds or Will Pays as being inconsistent with the honesty and integrity of racing under §307.7, Ejection and Exclusion, and as a detrimental practice under §311.6, Denial, Suspension, and Revocation of Licenses. (Added eff. 8/05/07; amended eff. 3/8/17)

The mutuel manager must promptly notify the pari-mutuel auditor and the stewards or racing judges of that determination.

(c) The stewards or racing judges, after consulting with the association and after considering the amount of purses and wagers involved and the time required to repair the totalisator system, may permit any of the remaining races in the performance to be run as exhibitions without wagering. If a race is run as an exhibition under this subsection, the association shall pay the purses in accordance with the Rules. (Added eff. 4/1/01)

#### **Sec. 321.39. Altering Cashed Tickets and Cashed Vouchers.**

An association shall ensure that each cashed or refunded mutuel ticket and cashed voucher is altered in a manner that indicates the mutuel ticket or voucher has been cashed or refunded, but does not destroy the identity of the ticket or voucher. (Added eff. 4/1/01)

#### **Sec. 321.43. Cancellation of Win Wagers.**

(a) An association may not cancel a win wager for more than \$500 on any live or simulcast race offered for wagering by the association, unless:

(2) the stewards or racing judges order the wager to be canceled because of a scratch in the race.

(b) If a patron desires to cancel a wager that is on the same mutuel ticket as a win wager that may not be canceled under this section, the association may cancel the ticket but must immediately replace the win wager that was on the ticket.

### **Sec. 321.101. Totalisator Requirements and Operating Environment.**

Each association shall conduct wagering using a pari-mutuel system approved by the Commission. The pari-mutuel system shall operate in accordance with applicable laws and rules and meet the technical standards set forth in the Association of Racing Commissioners International Totalisator Technical Standards as amended in July 2012. Copies of the Totalisator Technical Standards are available at the Texas Racing Commission, P.O. Box 12080, Austin, Texas 78711, or at the Commission office at 8505 Cross Park Dr., #110, Austin, Texas 78754. (Added eff. 1/10/13)

## **Subchapter C. Regulation of Live Wagering**

### **Division 1. General Provisions**

#### **Sec. 321.201. Actions by Stewards or Racing Judges.**

(a) The stewards or racing judges may correct an inadvertent mistake in the posting of the official order of finish before declaring the race to be official.

(b) The decision of the stewards or racing judges regarding the order of finish is final at the time the stewards or judges order the official sign displayed on the tote board.

(c) A ruling by the stewards or racing judges made after the result of the race has been declared official regarding the order of finish or an award of purse money does not affect the distribution of the pari-mutuel pools. (Added eff. 4/1/01)

#### **Sec. 321.203. Errors in Posted Payoff.**

If an error is discovered in the payoff amounts posted on the tote board, the association shall correct the amounts immediately and announce the error and the subsequent correction over the public address system. The corrected amounts shall be used in the payoff. (Added eff. 4/1/01)

#### **Sec. 321.205. Probable Odds.**

The association shall set and print in the official program the morning line odds for each betting interest in each race. (Added eff. 4/1/01)

#### **Sec. 321.207. Betting Interests.**

(a) Except as otherwise provided by the Rules, if the stewards or racing judges determine that two or more race animals entered in a race have common ties through ownership, the stewards or judges shall join the animals as a coupled entry.

(b) If the number of race animals competing in a race exceeds the numbering capacity of the totalisator system, the highest numbered race animal and any animals grouped with that animal constitute the mutuel field.

(c) A coupled entry or a mutuel field is a

single betting interest. A wager on one animal in a coupled entry or mutuel field is a wager on all animals in the coupled entry or mutuel field.

(d) In a race with a coupled entry or a mutuel field, the racing secretary may assign wagering numbers to entries that are different from the post position numbers. (Added eff. 4/1/01)

#### **Sec. 321.209. Minimum Wager.**

An association may accept wagers only in multiples of \$1, except as otherwise authorized by the executive secretary. (Added eff. 4/1/01)

#### **Sec. 321.211. Carryover Pools.**

(a) With the approval of the executive secretary, an association may declare an amount as a cap or may designate specific dates, days, or performances for a mandatory payout for any pool that may be carried forward to future performances if it is not won. After declaring the amount of the cap for a pool or designating specific dates, days, or performances for a mandatory payout, the association may not change the amount of the cap or a designated mandatory payout day, date, or performance during a race meeting without prior written approval of the executive secretary.

(b) If, at the end of a performance, the amount accumulated in a pool for which a cap has been declared equals or exceeds the amount of the cap, the pool shall be frozen until it is won in accordance with the Rules.

(c) At each performance at which a pool frozen under this section is not won, all money wagered for that pool at that performance shall be distributed to the holders of tickets that contain the most winners.

(d) If at a performance it is not possible to distribute money wagered for a pool frozen under this section in accordance with the Rule regarding that pool, all money wagered for that pool at that performance shall be refunded.

(e) If an association does not designate a specific date, day, or performance for a mandatory payout of a carryover pool, the pool shall be distributed:

(1) at a horse racetrack, at the last performance of the race meeting; and

(2) at a greyhound racetrack, at the last performance of the calendar year.

(f) If the last performance is canceled, the pool shall be deposited in an interest-bearing account approved by the executive secretary. The pool and all accrued interest shall then be carried over and included with the appropriate pool at the next succeeding performance as an additional amount to be distributed. (Added eff. 4/1/01; (f) amended eff. 3/28/11)

#### **Sec. 321.213. Straight Wagers.**

The following wagers are considered to be straight wagers for all purposes:

- (1) win;
- (2) place;
- (3) show; and
- (4) odd/even. (Added eff. 4/1/01)

#### **Sec. 321.215. Multiple Wagers.**

(a) The following wagers are considered to be multiple two wagers for all purposes:

- (1) daily double;
- (2) quinella;
- (3) exacta; and
- (4) quinella double.

(b) The following wagers are considered to be multiple three wagers for all purposes:

- (1) trifecta;
- (2) twin trifecta;
- (3) pick (n);
- (4) select three, four, or five;
- (5) superfecta;
- (6) tri-superfecta;
- (7) fortune pick (n); and

(8) super hi-five. (Added eff. 4/1/01; (b) amended eff. 1/10/13)

#### **Sec. 321.217. Stop Betting Command.**

(a) At the appropriate time before each live race, a steward or racing judge shall issue the "stop betting" command to activate the locking control switch and ring the off bell.

(b) The mutuel manager and the totalisator

operator shall ensure all wagering stops when the “stop betting” command is issued.

(c) An association may not permit a wager to be accepted or a ticket to be cancelled after the “stop betting” command has been issued.

(d) If a wager is accepted after the “stop betting” command has been issued:

(1) the mutuel manager, before the race is declared official, shall inform the stewards or racing judges and the pari-mutuel auditor of the wagers made after the “stop betting” command was issued;

(2) the stewards or racing judges, after consulting with the mutuel manager and the pari-mutuel auditor, shall order the association:

(A) to refund the wagers made after the stop betting command was issued; or

(B) to refund all wagers on the race.

(e) A wager accepted after the stop betting command has been issued is not a valid wager and must be refunded. If the totalisator system cannot document the time at which the “stop betting” command was issued, the “stop betting” command is presumed to have been issued at the time the starting gate opened for the race. (Added eff. 4/1/01)

## **Division 2. Distribution of Pari-Mutuel Pools**

### **Sec. 321.301. Distribution of Pools.**

After the stewards or racing judges have declared a race is “official”, an association shall distribute the pari-mutuel pools to the holders of mutuel tickets who are entitled to share in the respective pools in accordance with the Act and this chapter. (Added eff. 4/1/01)

### **Sec. 321.302. Payoff on Minus Pool.**

Regardless of whether a pari-mutuel pool contains sufficient money, an association shall pay to the holder of a mutuel ticket that entitles the holder to participate in the distribution of a pari-mutuel pool the amount wagered by the holder plus a minimum of 5.0% of the wager. (Added eff. 4/1/01)

### **Sec. 321.303. Straight Pools.**

(a) An association shall provide win, place, and show wagering in any race in which five or more separate betting interests are scheduled to start.

(b) An association shall provide win and place wagering in a race in which four separate betting interests are scheduled to start.

(c) An association shall provide win wagering in a race in which three or fewer betting interests are scheduled to start.

(d) The association, with the permission of the stewards or racing judges, may waive the requirement for a place or show pool in any race.

(Added eff. 4/1/01)

### **Sec. 321.304. Win Pool.**

(a) The takeout authorized by law is deducted from the total wagered in the win pool. The balance is the net pool.

(b) The amount wagered on the winner is divided into the net pool. The quotient is the payoff price on the winner for each dollar wagered and it includes the dollar wagered on the winner.

(c) If a race animal wins and no money was wagered on the animal to win, the win pool shall be distributed among the holders of tickets on that animal in the place pool. If there are no tickets on the animal in the place pool, the win pool shall be distributed among the holders of tickets on that animal in the show pool. If there are no tickets on the animal in the show pool, the money in the win pool shall be refunded.

(d) If a race ends in a two-animal dead heat for first place, the win pool shall be calculated as a place pool. If a race ends in a multiple-animal dead heat for first place, the win pool shall be distributed as a profit for split to the holders of tickets on any of the animals finishing first. (Added eff. 4/1/01)

### **Sec. 321.305. Place Pool.**

(a) The takeout authorized by law is deducted from the total wagered in the place pool. The balance is the net pool.

(b) The amount wagered in the place pool

on the race animals that placed first and second is deducted from the net pool. The remaining profits are divided into two equal parts, between the wagers on the winner in the place pool and the wagers on the animal that finished second.

(c) With the amount wagered in the place pool on the winner as the divisor and one-half of the profits of the place pool as the dividend, the quotient is the profit-per-dollar wagered in the place pool on the winner.

(d) With the amount wagered in the place pool on the animal finishing second as the divisor and one-half of the profits of the place pool as the dividend, the quotient is the profit-per-dollar wagered in the place pool on the animal finishing second.

(e) The profit-per-dollar wagered is the resultant. Because the amounts wagered on the animals finishing first and second must be returned, the amount deducted from the net pool under subsection (b) of this section is added to the quotient. The result is the payoff price for each dollar wagered on the animals finishing first and second in the place pool.

(f) If a race ends in a dead heat for first place, the place pool shall be distributed in accordance with subsections (c) and (d) of this section. If a race ends in a dead heat for second place, tickets on the first place animal shall be paid in accordance with subsection (c), and the remaining half of the place pool shall be distributed as a profit for split to holders of tickets on any of the animals finishing in the dead heat for second place.

(g) If no money was wagered to place on an animal finishing first or second in a race, the place pool shall be distributed among the holders of the place tickets on the other animal that finished first or second. If no money was wagered to place on either of the animals finishing first or second in a race, the place pool shall be distributed among the holders of tickets on the first and second place animals in the show pool. If the place pool cannot otherwise be distributed in accordance with this section, the money in the place pool shall be refunded. (Added eff. 4/1/01)

### **Sec. 321.306. Show Pool.**

(a) The takeout authorized by law is deducted from the total wagered in the show pool. The balance is the net pool.

(b) The amount wagered in the show pool on the race animals finishing first, second, and third is deducted from the net pool. The remaining profits are divided into three equal parts, among the wagers in the show pool on the winner, the animal finishing second, and the animal finishing third.

(c) With the amount wagered in the show pool on the winner as a divisor and one-third of the profits of the show pool as a dividend, the quotient is the profit-per-dollar wagered in the show pool on the winner.

(d) With the amount wagered in the show pool on the animal finishing second as the divisor and one-third of the profits of the show pool as the dividend, the quotient is the profit-per-dollar wagered in the show pool on the animal finishing second.

(e) With the amount wagered in the show pool on the animal finishing third as the divisor and one-third of the profits of the show pool as the dividend, the quotient is the profit-per-dollar wagered in the show pool on the animal finishing third.

(f) The profit-per-dollar wagered is the resultant. Because the amounts wagered on the animals finishing first, second, and third must be returned, the amount deducted from the net pool under subsection (b) of this section is added to the quotient. The result is the payoff price for each dollar wagered on the animals finishing first, second, and third in the show pool.

(g) If a race ends in a dead heat for first or second place, the show pool shall be distributed in accordance with subsections (c)-(e) of this section. If a race ends in a dead heat for third place, tickets on the first and second place animals shall be paid in accordance with subsection (c) and (d) and the remaining third of the show pool shall be distributed as a profit for split to holders of tickets on any of the animals finishing in the dead heat for third place.

(h) If no money was wagered in the show pool on an animal finishing first, second, or third in a race, the show pool shall be distributed as a profit for split among the holders of the show tickets on the other animals that finished first, second, or third. If no money was wagered in the show pool on any of the animals finishing first, second, or third in a race, the money in the show pool shall be refunded. (Added eff. 4/1/01)

#### **Sec. 321.307. Daily Double.**

(a) The daily double is not a parlay and has no connection with or relation to the win, place, and show pools shown on the tote board. All daily double tickets shall be calculated in a separate pool.

(b) If any part of a coupled entry or mutuel field is a starter, the association may not refund money wagered under this section to persons wagering on the entry or field, regardless of whether any part of the entry or field failed to start. If either race in the daily double ends in a dead heat for first place, the pool shall be calculated as a place pool in proportion to the number of animals in the dead heat.

(c) If no ticket is sold that correctly selects the winner of both races of the daily double, the entire daily double pool, minus the takeout and the breakage, shall be distributed equally to the holders of tickets which include the winner of either of the daily double races.

(d) If no ticket is sold including the winner of the first race of the daily double, the entire daily double pool, minus the takeout and the breakage, shall be distributed equally to the holders of tickets which include the winner of the second race of the daily double. If no ticket is sold including the winner of the second race of the daily double, the entire daily double pool, minus the takeout and the breakage, shall be distributed equally to the holders of tickets which include the winner of the first race of the daily double.

(e) If no ticket is sold including the winner of either race of the daily double, the entire daily double pool, minus the takeout and the breakage,

shall be distributed equally to holders of tickets which include the animals finishing second in the two races of the daily double.

(f) If the first race of a daily double is canceled, the association shall provide a complete refund of the daily double pool. If the second race of a daily double is canceled after the first race has been completed, the entire daily double pool, minus the takeout and the breakage, shall be distributed, in proportion of the amount wagered on those combinations including the winner of the first race of the daily double, to holders of tickets which include the winner of the first race of the daily double in combination with any animal in the second race.

(g) If before the first race of a daily double is run, an animal entered in either race is scratched or otherwise prevented from racing, all money wagered on the affected animal shall be deducted from the daily double pool and refunded to the holders of tickets on the affected animal.

(h) If after the first race of a daily double is run, an animal entered in the second race is scratched or otherwise prevented from racing, a consolation daily double shall be awarded. All tickets which select an animal in the first race with the affected animal in the second race shall be deducted from the daily double pool and this amount shall be placed in a consolation pool. The consolation pool shall be distributed as a straight pool to the holders of tickets who correctly selected the winner of the first race with the affected animal in the second race.

(i) If either race in a daily double ends in a dead heat, the total daily double pool shall be distributed in the same manner as a place pool.

(j) If the daily double pool cannot otherwise be distributed in accordance with this section, the money in the daily double pool shall be carried forward and added to the next consecutive daily double pool. (Added eff. 4/1/01)

#### **Sec. 321.308. Quinella.**

(a) The quinella is not a parlay and has no connection with or relation to the win, place, and

show pools on the tote board. All tickets on the quinella shall be calculated as a separate pool.

(b) A quinella ticket is for the win and place combination only. When purchasing a quinella ticket, the patron shall select the two animals to be the top two finishers.

(c) If any part of a coupled entry or mutuel field is a starter, the association may not refund money wagered under this section to persons wagering on the entry or field. For purposes of this section, if a part of the entry or field finishes first, the order of finish of the other animals in the entry or field shall be disregarded in determining which animal finished second.

(d) If after wagering has begun an animal entered in a quinella race is scratched or otherwise prevented from racing, all money wagered on the affected animal shall be deducted from the quinella pool and refunded to the holders of tickets on the affected animal.

(e) If no ticket is sold on the winning combination in a quinella race, all quinella tickets bearing the number of the winning animal and all quinella tickets bearing the number of the second place animal are considered winning tickets and the payoff shall be calculated in the same manner as a place pool.

(f) If no ticket is sold on the winning combination in a race and no quinella ticket bears the number of the winner, all quinella tickets bearing the number of the second place animal are considered winning tickets and the payoff shall be calculated as a win pool.

(g) If no ticket is sold on the winning combination in a race and no quinella tickets bear the number of the second place animal, all quinella tickets bearing the number of the winner are considered winning tickets and the payoff shall be calculated as a win pool.

(h) If only one animal finishes in a quinella race, the entire pool is distributed as a win pool for the persons who wagered on the winner.

(i) If a quinella race ends in a dead heat for first place, all animals finishing first are the winners of the race and the pool shall be

distributed as a place pool.

(j) If a quinella race ends in a two-animal dead heat for second place, the entire pool is distributed as a place pool. If a quinella race ends in a multiple-animal dead heat for second place, all combinations that couple the winning animal with any of the second place animals are winners of the quinella and the pool shall be distributed as a profit split.

(k) If no ticket is sold on the winning combination in a quinella race and no quinella tickets bear the number of either the winner or the second place animal, the quinella is considered “no contest” and the association shall carry forward all money wagered in the quinella pool to the next consecutive quinella pool. (Added eff. 4/1/01)

#### **Sec. 321.309. Exacta.**

(a) The exacta is not a parlay and has no connection with or relation to the win, place, and show pools shown on the tote board. All tickets in an exacta race shall be calculated as a separate pool.

(b) When purchasing an exacta ticket, the patron shall designate the exact order of finish for the first and second place animals.

(c) If any part of a coupled entry or mutuel field is a starter, the association may not refund money wagered under this section to persons wagering on the entry or field, regardless of whether any part of the entry or field failed to start. For purposes of this section, if a part of the entry or field finishes first, the order of finish of the other animals in the entry or field shall be disregarded in determining which animal finished second.

(d) If after wagering has begun an animal entered in an exacta race is scratched or otherwise prevented from racing, all money wagered on the affected animal shall be deducted from the exacta pool and refunded to the holders of tickets on the affected animal.

(e) If no ticket is sold on the winning combination in an exacta race, the net pool shall be distributed among the holders of tickets selecting the winner to finish first. If no such ticket is sold,

the net pool shall be distributed among the holders of tickets selecting the second place animal to finish second.

(f) If a race ends in a dead heat for first place, the net pool shall be calculated and distributed as a place pool to holders of the winning combination.

(g) If a race ends in a dead heat for second place, all tickets designating the appropriate animal to win coupled with any of the second place animals are winners and the pool shall be distributed as a place pool.

(h) If a race ends in a dead heat for second place and no ticket is sold on any of the winning combinations, the net pool shall be calculated and distributed to the holders of tickets that designated the winner or any of the second place animals according to their respective interest in the net pool.

(i) If a race ends in a dead heat for first among more than two animals, the net pool shall be calculated and distributed as a profit for split to holders of tickets designating any two of the animals participating in the dead heat.

(j) If no ticket is sold that would require distribution under this section, the exacta is considered “no contest” and the association shall carry forward all money wagered in the exacta pool to the next consecutive exacta pool. (Added eff. 4/1/01)

### **Sec. 321.310. Trifecta.**

(a) The trifecta wager is not a parlay and has no connection with or relation to the win, place, and show pool shown on the tote board. All tickets on the trifecta shall be calculated as a separate pool.

(b) A person purchasing a trifecta ticket must select the three animals in a race which will finish first, second, and third and designate the exact order in which the first three will finish.

(c) If after wagering has begun an animal entered in a trifecta race is scratched or otherwise prevented from racing, all money wagered on the affected animal shall be deducted from the trifecta pool and refunded to the holders of tickets on the affected animal.

(d) If no ticket is sold on the winning combination, the net pool shall be distributed equally among the holders of tickets selecting the animals finishing first and second .

(e) If no ticket is sold that requires distribution under subsection (d) of this section, the net pool shall be distributed equally among the holders of tickets selecting the animals finishing first and third.

(f) If no ticket is sold that requires distribution under subsections (d) or (e) of this section, the net pool shall be distributed equally among the holders of tickets selecting the animal finishing first.

(g) If no ticket is sold requiring distribution under subsections (d)-(f) of this section, the net pool shall be distributed equally among the holders of tickets selecting the animals finishing second and third.

(h) If no ticket is sold requiring distribution under subsections (d)-(g) of this section, the net pool shall be distributed equally among the holders of tickets selecting the animal finishing second.

(i) If no ticket is sold requiring distribution under subsections (d)-(h) of this section, the net pool shall be distributed equally among the holders of tickets selecting the animal finishing third.

(j) If a trifecta race ends in a dead heat for first place, the winning combination shall include the first two animals as finishing in either first or second and the animal finishing third. If a trifecta race ends in a dead heat for second place, the winning combinations shall include the animal finishing first and the two animals finishing in a dead heat as finishing either second or third. If a trifecta race ends in a dead heat for third place, the winning combinations include the animals finishing first and second and any of the animals finishing in the dead heat as finishing third. In all combinations paid under this subsection, the net pool shall be divided into separate pools, calculated as a place pool, and paid out accordingly.

(k) If a trifecta race ends in a triple dead heat or double dead heats, the net pool shall be divided by the number of all win, place, and show combinations formed, calculated as separate pools, and paid out accordingly.

(l) If no ticket is sold that would require distribution under this section, the trifecta is considered “no contest” and the association shall carry forward all money wagered in the trifecta pool to the next consecutive trifecta pool.

(m) An association shall not offer trifecta wagering on any race placed on the official program that does not have six or more different wagering interests unless approved by the board of stewards or judges. The board of stewards or judges may not approve a trifecta wager in a race with fewer than five wagering interests.

(n) In the event scratches after the animals leave the paddock cause the number of different wagering interests to fall below six, or below an amount previously approved by the board of stewards or judges, the board of stewards or judges may order the wager to be canceled and the pool to be refunded if deemed in the interest of wagering integrity. (Added eff. 4/1/01; amended eff. 8/3/06)

### **Sec. 321.311. Twin Trifecta.**

(a) The twin trifecta wager is not a parlay and has no connection with or relation to the win, place, and show pools shown on the tote board. All tickets on the twin trifecta shall be calculated as a separate pool.

(b) The twin trifecta requires selection of the first three finishers, in exact order, in each of two designated races. Each winning ticket for the first twin trifecta race must be exchanged for a free ticket on the second twin trifecta race to remain eligible for the second-half twin trifecta pool. Such tickets may be exchanged only at designated attended ticket windows before the start of the second twin trifecta race. Winning first-half twin trifecta wagers will receive both an exchange and a monetary payout. Both of the designated twin trifecta races shall be included in one twin trifecta pool.

(c) After wagering closes for the first-half of the twin trifecta and commissions have been deducted from the pool, the net pool shall then be divided equally into two separate pools: the first-half twin trifecta pool and the second-half twin trifecta pool.

(d) In the first twin trifecta race only, the first-half twin trifecta pool shall be distributed according to the following precedence, based on the official order of finish for the first twin trifecta race:

(1) As a single price pool to those whose combination finished in correct sequence as the first three betting interests; but if there are no such wagers, then

(2) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(3) As a single price pool to those whose combination included, in correct sequence, the first and third betting interests; but if there are no such wagers, then

(4) As a single price pool to those whose combination correctly selected the first-place betting interest; but if there are no such wagers, then

(5) As a single price pool to those whose combination included, in correct sequence, the second and third betting interests; but if there are no such wagers, then

(6) As a single price pool to those whose combination correctly selected the second-place betting interest; but if there are no such wagers, then

(7) As a single price pool to those whose combination correctly selected the third-place betting interest; but if there are no such wagers, then

(8) The twin trifecta pool shall be canceled and the entire pool shall be carried forward to the next consecutive performance and combined with that performance's second-half twin trifecta pool.

(e) If no first-half twin trifecta ticket selects the first three finishers of that contest in exact

order, no exchange tickets for the second-half twin trifecta pool will be issued. In such case, the second-half twin trifecta pool shall be carried forward and added to any existing twin trifecta carryover pool.

(f) A first-half twin trifecta ticket that selects the first three finishers of that race in exact order may be exchanged for a ticket selecting the first three finishers of the second twin trifecta race. The second-half twin trifecta pool shall be distributed according to the following precedence, based on the official order of finish for the second twin trifecta race:

(1) As a single price pool, including the carryover, to those whose combination finished in correct sequence as the first three betting interests; but if there are no such wagers, then

(2) The second-half twin trifecta pool for that race shall be carried forward to the next consecutive performance and shall be combined with that performance's second-half twin trifecta pool.

(g) If a winning first-half twin trifecta ticket is not presented for cashing and exchange before the start of the second twin trifecta race, the ticket holder may still collect the monetary value associated with the first-half twin trifecta pool but forfeits all rights to a distribution of the second-half twin trifecta pool.

(h) If fewer than six horses of different betting interests leave the paddock for the first twin trifecta race or fewer than six greyhounds start the first twin trifecta race, the twin trifecta shall be canceled and the entire twin trifecta pool for that performance shall be refunded.

(i) Before the running of the first twin trifecta race, if due to a scratch the second twin trifecta race has fewer than six horses of different betting interests or fewer than six greyhounds of different betting interests, the twin trifecta shall be canceled and the entire twin trifecta pool for that performance shall be refunded.

(j) After the running of the first twin trifecta race, if due to a late scratch, the second twin trifecta race has fewer than six animals of different

betting interests that start, all exchange tickets and outstanding first-half winning tickets shall be entitled to the second-half twin trifecta pool for that performance as a single price pool, but not the twin trifecta carryover.

(k) Coupled entries and mutuel fields may not be permitted in a twin trifecta horse race unless there are six or more betting interests. Coupled entries or mutuel fields in a twin trifecta race shall race as a single betting interest for the purpose of mutuel pool calculations and payout to the public.

(l) If a betting interest in the first twin trifecta race is scratched, all twin trifecta wagers including the scratched betting interest shall be refunded.

(m) If a betting interest in the second twin trifecta race is scratched, an announcement concerning the scratch shall be made and a reasonable amount of time shall be provided to exchange tickets that include the scratched betting interest.

(n) If there is a dead heat or multiple dead heats in either the first or second twin trifecta race, all twin trifecta wagers selecting the correct order of finish, counting a betting interest involved in a dead heat as finishing in any dead-heated position, shall be a winner. In the case of a dead heat occurring in:

(1) the first twin trifecta race, the payout shall be calculated as a profit split; and

(2) the second twin trifecta race, the payout shall be calculated as a single price pool.

(o) If either of the twin trifecta races are canceled before the first twin trifecta race, or if the first twin trifecta contest is declared "no contest", the entire twin trifecta pool for that performance shall be refunded and the second-half pool shall be canceled.

(p) If the second twin trifecta race is canceled or declared "no contest" on a:

(1) non-designated mandatory payout performance, all exchange tickets and outstanding first-half winning twin trifecta tickets shall be entitled to the net twin trifecta pool for that performance as a single price pool, but not the twin trifecta carryover. If there are no such

tickets, the net twin trifecta pool shall be carried forward to the next consecutive performance and combined with that performance's second-half twin trifecta pool; and

(2) designated mandatory payout performance, all exchange tickets and outstanding first-half winning twin trifecta tickets as determined by subsection (s) of this section shall be entitled to the net twin trifecta pool for that performance and the twin trifecta carryover as a single price pool.

(q) An association may file a written request for permission to distribute the twin trifecta carryover on a specific performance with the executive secretary. The request must contain justification for the distribution, an explanation of the benefit to be derived, and the intended date and performance for the distribution.

(r) Notwithstanding subsections (f) and (t) of this section, on the last performance of a race meeting or on a designated mandatory payout performance, the following precedence will be followed in determining winning tickets for the second-half of the twin trifecta:

(1) As a single price pool to those whose combination finished in correct sequence as the first three betting interests; but if there are no such wagers, then

(2) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(3) As a single price pool to those whose combination included, in correct sequence, the first and third betting interests; but if there are no such wagers, then

(4) As a single price pool to those whose combination correctly selected the first-place betting interest; but if there are no such wagers, then

(5) As a single price pool to those whose combination included, in correct sequence, the second and third betting interests; but if there are no such wagers, then

(6) As a single price pool to those whose

combination correctly selected the second-place betting interest; but if there are no such wagers, then

(7) As a single price pool to those whose combination correctly selected the third-place betting interest; but if there are no such wagers, then

(8) As a single price pool to holders of valid exchange tickets; but if there are no such persons, then

(9) As a single price pool to holders of outstanding first-half winning tickets.

(s) Distribution on Mandatory Payout.

(1) Notwithstanding subsections (e) and (t) of this section, on the last performance of a race meeting or a designated mandatory payout performance, exchange tickets will be issued for those combinations selecting the greatest number of betting interests in the first twin trifecta race in the following order:

(A) As a single price pool to those whose combination finished in correct sequence as the first three betting interests; but if there are no such wagers, then

(B) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(C) As a single price pool to those whose combination included, in correct sequence, the first and third betting interests; but if there are no such wagers, then

(D) As a single price pool to those whose combination correctly selected the first-place betting interest; but if there are no such wagers, then

(E) As a single price pool to those whose combination included, in correct sequence, the second and third betting interests; but if there are no such wagers, then

(F) As a single price pool to those whose combination correctly selected the second-place betting interest; but if there are no such wagers, then

(G) As a single price pool to those

whose combination correctly selected the third-place betting interest.

(2) Notwithstanding subsections (e) and (t) of this section, on the last performance of a race meeting or a designated mandatory payout performance, if there are no wagers selecting the finishers in the order described in Paragraph (1) of this subsection and there is a carryover, all first-half tickets are considered winners and the twin trifecta pool for that performance and any existing twin trifecta carryover shall be distributed equally among them.

(3) Notwithstanding subsections (e) and (t) of this section, on the last performance of a race meeting or a designated mandatory payout performance, if there are no wagers selecting the finishers in the order described in Paragraph (1) of this subsection and there is no carryover, the twin trifecta shall be canceled and the entire twin trifecta pool shall be refunded.

(t) Cap on Carryover.

(1) The twin trifecta carryover may be capped at a designated level approved by the executive secretary so that if, at the close of any performance, the amount in the twin trifecta carryover equals or exceeds the designated cap, the twin trifecta carryover will be frozen until it is won or distributed under other provisions of this section. After the twin trifecta carryover is frozen, 50% of the twin trifecta pool shall be distributed to winners of the first twin trifecta race using the following precedence:

(A) As a single price pool to those whose combination finished in correct sequence as the first three betting interests; but if there are no such wagers, then

(B) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(C) As a single price pool to those whose combination included, in correct sequence, the first and third betting interests; but if there are no such wagers, then

(D) As a single price pool to those

whose combination correctly selected the first-place betting interest; but if there are no such wagers, then

(E) As a single price pool to those whose combination included, in correct sequence, the second and third betting interests; but if there are no such wagers, then

(F) As a single price pool to those whose combination correctly selected the second-place betting interest; but if there are no such wagers, then

(G) As a single price pool to those whose combination correctly selected the third-place betting interest; but if there are no such wagers, then

(H) the twin trifecta shall be canceled and the entire twin trifecta pool for that performance shall be refunded.

(2) After the twin trifecta carryover is frozen, exchange tickets will be issued for the second half of the twin trifecta pool, in accordance with paragraph (1) of this subsection. The second-half twin trifecta pool shall be distributed according to the following precedence, based upon the official order of finish for the second twin trifecta race:

(A) As a single price pool, including the carryover, to those who received an exchange ticket under paragraph (1) (A) of this subsection, and whose combination finished in correct sequence as the first three betting interests; but if there are no such tickets, then

(B) Fifty percent (50%) of the twin trifecta pool for that performance only shall be distributed in the following precedence:

(i) as a single price pool to those whose combination included, in correct sequence, the first three betting interests; but if there are no such wagers, then

(ii) as a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(iii) As a single price pool to those whose combination included, in correct sequence,

the first and third betting interests; but if there are no such wagers, then

(iv) As a single price pool to those whose combination correctly selected the first-place betting interest; but if there are no such wagers, then

(v) As a single price pool to those whose combination included, in correct sequence, the second and third betting interests; but if there are no such wagers, then

(vi) As a single price pool to those whose combination correctly selected the second-place betting interest; but if there are no such wagers, then

(vii) As a single price pool to those whose combination correctly selected the third-place betting interest; but if there are no such wagers, then

(viii) As a single price pool to holders of valid exchange tickets; but if there are no such persons, then

(ix) As a single price pool to holders of outstanding first-half winning tickets.

(u) The twin trifecta carryover shall be designated for mandatory payout on a specified date and performance only under the following circumstances:

(1) on written approval from the executive secretary as provided in subsection (q) of this section;

(2) on written approval from the executive secretary when there is a change in the carryover cap or when the twin trifecta is discontinued; and

(3) on the closing performance of the race meeting.

(v) If the twin trifecta carryover must be held over to the corresponding twin trifecta pool of a subsequent race meeting, the carryover shall be deposited in an interest-bearing account approved by the executive secretary. The twin trifecta carryover plus accrued interest shall be carried over and added to the second-half twin trifecta pool of the following race meeting on a date and performance designated by the executive secretary.

(w) The association must obtain written

approval from the executive secretary concerning the scheduling and the amount of the cap to be set on the carryover. Any changes to the approved twin trifecta format require prior approval from the executive secretary. (Added eff. 4/1/01; (t) amended eff. 1/1/02)

### **Sec. 321.312. Pick (n).**

(a) The pick (n) wager is not a parlay and has no connection with or relation to the win, place, and show pools shown on the tote board. All tickets on the pick (n) shall be calculated as a separate pool.

(b) The association may select a distinctive name for the pick (n), with the prior approval of the executive secretary.

(c) The pick (n) pari-mutuel pool consists of amounts contributed for a selection to win only in each of six, seven, eight, nine, or 10 races designated by the association. After designating the number of races comprising the pick (n), the association may not change the number during a race meeting without prior written approval of the executive secretary.

(d) A person purchasing a pick (n) ticket shall designate the winning animal in each of the races comprising the pick (n). The association shall issue to the purchaser of a pick (n) ticket a ticket that reflects each of the purchaser's selections.

(e) A pick (n) ticket is a contract between the holder of the ticket and the association and the ticket constitutes acceptance of this section. The association, totalisator company, and the State of Texas are not liable to a person for a pick (n) ticket that is not a winning ticket under this section or for a pick (n) ticket that is not delivered.

(f) A coupled entry or mutuel field in a race that is part of the pick (n) races shall race as a single betting interest for the purpose of mutuel pool calculations and payoffs to the public.

(g) The pick (n) pool shall be distributed as provided by this section. The net pool in the pick (n) pool is divided into a major pool and a minor pool. The association may designate the major pool to consist of either 75% or 50% of the net amount wagered on the pick (n). The remaining

percentage constitutes the minor pool. The association shall notify the executive secretary in writing before the beginning of each race meeting of its designation regarding the division between the major and minor pools. After designating the division between the major and minor pools, an association may not change the division during a race meeting without prior written approval of the executive secretary.

(h) The major pool shall be distributed among holders of pick (n) tickets which correctly designate the winner in each of the races comprising the pick (n).

(i) Except as otherwise provided by this section, the minor pool shall be distributed to those ticket holders who failed to correctly designate the winner in each of the races comprising the pick (n), but who correctly selected the winners in the most, but not all of, the races comprising the pick (n).

(j) If no ticket is sold that designates the winner in each of the races comprising the pick (n), the major pool shall be carried forward to the next performance to be paid in the major pool of that performance. Except as otherwise provided by this section, the major pool shall be supplemented each performance by the amount added to the pool from all previous performances' major pools that have not been won in accordance with subsection (h) of this section.

(k) If a pick (n) ticket designates a selection and the selection is scratched or otherwise prevented from racing, the favorite, as determined by the largest amount wagered in the win pool at the start of the race, will be substituted for the nonstarting selection for all purposes, including mutuel pool calculations and payoffs to the public. If there are two or more favorites in the win pool, both favorites will be substituted for the nonstarting selection.

(l) If a race in the pick (n) ends in a dead heat for first place, all animals in the dead heat are winners for purposes of calculating the pick (n) pool.

(m) Except as otherwise provided by this

subsection, if one or more races in the pick (n) are canceled or declared a "no race", the amount contributed to the major pool for that performance shall be added to the minor pool for that performance and distributed as an extra amount in the minor pool to the holders of the tickets that designate the most winners in the remaining races. All contributions to the major pool from prior performances shall remain in the major pool, to be carried forward to the next performance to be paid in the major pool for that performance. If the stewards or racing judges cancel or declare as a "no race" three or more of the races comprising a pick six, seven, or eight, four or more of the races comprising the pick nine, or five or more of the races comprising the pick 10, the pick (n) is canceled and the association shall refund all pick (n) tickets. A person may not win the major pool unless the person holds a pick (n) ticket that correctly designates the official winners of all the scheduled races comprising the pick (n) for that performance. On the last performance of a race meeting or on a designated mandatory payout performance, if one or two races comprising the pick (n) are canceled or declared a "no race", the major pool and the minor pool for that performance shall be combined with the prior performance major pool and be paid to those holders of tickets who correctly designated the most winners of the remaining races of the pick (n). If three or more races comprising the pick (n) are canceled or declared a "no race", the association shall refund all pick (n) tickets and the prior performance major pool shall be distributed in accordance with subsection (o) of this section.

(n) When the condition of the turf course warrants a change of racing surface in any of the races open to pick (n) wagering, and such change has not been made known to the betting public prior to the close of wagering for the first pick (n) race, the Stewards shall declare the changed races a "no contest" for pick (n) wagering purposes and the pool shall be distributed in accordance with subsection (m) of this section. Following the designation of a race as a "no contest", no tickets

shall be sold selecting a horse in such “no contest” race.

(o) If on the last performance of the race meeting or on a designated mandatory payout performance the major pool is not distributable under subsection (h) of this section, the major pool and all money carried forward into that pool from previous performances shall be combined with the minor pool and distributed to the holders of tickets correctly designating the most, but not all, of the races comprising the pick (n) for that performance.

(p) If the final or designated mandatory payoff performance is canceled or the major pool has not been distributed, the major pool shall be deposited in an interest-bearing account approved by the executive secretary. The major pool plus all accrued interest shall then be carried over and included in a major pool offered on one of the first five days of the next subsequent race meeting or on the next performance after the undistributed mandatory payout performance, as approved by the executive secretary.

(q) Except for refunds required by this section, a pick (n) ticket may not be sold, exchanged, or canceled after the close of wagering on the first of the pick (n) races.

(r) A person may not disclose the number of tickets sold in the pick (n) pool or the number or amount of tickets selecting winners of the races comprising the pick (n) until the results of the last race comprising the pick (n) are official. The totalisator equipment shall be programmed or constructed to suppress the publication or printing of any such information, except the total number of dollars wagered in the pick (n), until the results of the last race comprising the pick (n) are official. (Added eff. 4/1/01; (k) amended eff. 10/4/05; (n)-(r) amended eff. 3/28/11)

### **Sec. 321.313. Select Three, Four, or Five.**

(a) The select three, four, or five wager is not a parlay and has no connection with or relation to the win, place, and show pools shown on the tote board.

(b) A select three, four, or five ticket is evidence of a binding contract between the holder

of the ticket and the association and the ticket constitutes an acceptance of this section. The association may select a distinctive name for the select three, four, or five, with the prior approval of the executive secretary.

(c) The select three, four, or five pari-mutuel pool consists of amounts contributed for a selection to win only on each of three, four, or five races designated by the association with the approval of the executive secretary. Each person purchasing a select three, four, or five ticket shall designate the winning animal in each of the races comprising the select three, four, or five.

(d) A coupled entry or mutuel field in a race that is part of the select three, four, or five shall race as a single betting interest for the purpose of the select three, four, or five pari-mutuel pool calculations and payoffs to the public. If any part of a coupled entry or mutuel field is a starter in a race, the entry or field selection remains as the designated selection to win in that race for the select three, four, or five calculation, and the selection may not be deemed a scratch.

(e) The select three, four, or five pari-mutuel pool may be a carryover pool or a non-carryover pool. The association, with prior approval of the executive secretary, will decide if the select three, four, or five pari-mutuel pool will be offered as a carryover pool or a non-carryover pool.

(f) A non-carryover select three, four, or five pari-mutuel pool shall be distributed in accordance with this subsection. One hundred percent of the net amount in the pari-mutuel pool subject to distribution among winning ticket holders shall be distributed among the holders of pari-mutuel tickets which:

(1) Correctly designate the official winner in each of the races comprising the select three, four, or five.

(2) If no pari-mutuel ticket is sold combining the winners of all of the races comprising the select three, four, or five, 100% of the net amount in the pari-mutuel pool shall be distributed among the holders of pari-mutuel tickets which include the winners of the next

highest number of winners of the races in the select three, four, or five.

(3) If no pari-mutuel ticket is sold that would require distribution of the select three, four, or five pool under paragraphs (1) or (2) of this subsection, the association shall carry over all money wagered in the select three, four, or five pool to the next consecutive select three, four, or five pool.

(4) If the final day of a race meeting is canceled or the select three, four, or five pool has not been distributed, the pool shall be escrowed by the association, and the pool plus all accrued interest shall be carried over and added to the select three, four, or five pari-mutuel pool in the following race meeting on a date and performance designated by the executive secretary.

(5) If one or two of the races comprising a select three is canceled, two or three of the races comprising a select four are canceled, or three or four of the races comprising a select five are canceled, the net amount of the pari-mutuel pool shall be distributed as provided in paragraph (2) of this subsection.

(g) A carryover select three, four, or five pari-mutuel pool shall be distributed in accordance with this subsection. The net pool in the select three, four, or five pool is divided into a major pool and a minor pool. The association shall designate the major pool to consist of 75% of the net amount wagered on the select three, four, or five pool. The remaining 25% constitutes the minor pool.

(1) The major pool shall be distributed among holders of select three, four, or five tickets, which correctly designate the winner in each of the races comprising the select three, four, or five.

(2) Except as otherwise provided by this section, the minor pool shall be distributed to those ticket holders who failed to correctly designate the winner in each of the races comprising the select three, four, or five, but who correctly selected the winners in the most, but not all of, the races comprising the select three, four, or five. If there are no such tickets, then the minor

pool would be added to the major pool and:

(A) Paid out to holders of tickets who correctly designated the winner in each of the races comprising the select three, four, or five, but if there are no such tickets,

(B) Carried forward to the next select three, four or five pool offered.

(3) If no ticket is sold that designates the winner in each of the races comprising the select three, four, or five, the major pool shall be carried forward to the next select three, four or five pool offered to be paid in the major pool.

(4) Except as otherwise provided by this section, the major pool shall be supplemented each performance by the amount added to the pool from all previous performances' major pools that have not been won in accordance with paragraph (1) of this subsection.

(5) If on the last performance of the race meeting or on a designated mandatory payout performance the major pool is not distributable under paragraph (1) of this subsection, the major pool and all money carried forward into that pool from previous performances shall be combined with the minor pool and distributed to the holders of tickets correctly designating the most, but not all, of the races comprising the select three, four, or five.

(6) Except as otherwise provided by this subsection, if one or more of the races comprising a select three, four, or five is canceled or declared a "no race", the amount contributed to the major pool for that select three, four, or five shall be added to the minor pool for that same select three, four, or five and distributed as an extra amount in the minor pool to the holders of the tickets that designate the most winners in the remaining races. All contributions to the major pool from prior select three, four, or five pools shall remain in the major pool, to be carried forward to the next select three, four, or five pool to be paid in the major pool later on the race card or on the next performance.

(h) If all of the races comprising the select three, four, or five are canceled, the association

shall refund the pari-mutuel tickets sold on the select three, four, or five on that day. The association shall carry over the remaining amount in the select three, four, or five pari-mutuel pool to the next consecutive select three, four, or five pari-mutuel pool.

(i) If a selection on a select three, four, or five ticket in one or more of the races is scratched or determined by the stewards or racing judges to be a nonstarter in the race, the actual favorite, as shown by the largest amount wagered in the win pool at the time of the start of the race, will be substituted for the nonstarting selection for all purposes, including pool calculations and payoffs. If there are two or more favorites in the win pool, both favorites will be substituted for the non-starting selection.

(j) When the condition of the turf course warrants a change of racing surface in any of the races open to a select three, four, or five, and such change has not been made known to the betting public prior to the close of wagering for the first select three, four, or five race, the stewards shall declare each changed race a “no contest” for select three, four, or five purposes and the pool shall be distributed in accordance with subsection (i) of this section. Following the designation of a race as a “no contest,” no tickets shall be sold selecting a horse in such “no contest” race.

(k) In the event of a dead heat for win between two or more animals:

(1) in a select three, all the animals in the dead heat for win shall be considered as winning animals in the race for the purpose of calculating the major or minor pools and the affected pool is calculated:

(A) As a profit split to those whose selections finished first in each of the three contests; but if there are no such wagers, then

(B) As a single price pool to those who selected the first place finisher in any two of the three contests; but if there are no such wagers, then

(C) As a single price pool to those who selected the first place finisher in any one of the three contests; but if there were no such wagers,

then in accordance with paragraph (f) of this section.

(2) in a select four or five race, all the animals in the dead heat for win shall be considered as winning animals in the race for the purpose of calculating the major or minor pools and the affected pool is calculated as a win pool.

(l) A pari-mutuel ticket for the select three, four, or five pool may not be sold, exchanged, or canceled after the time wagering closes in the first of the races comprising the select three, four, or five, except for refunds on select three, four, or five tickets as required by subsection (h) of this section. A person may not disclose the number of tickets sold in the select three, four, or five pool or the number or amount of tickets selecting winners of select three, four, or five races until the stewards or racing judges have determined the last race comprising the select three, four, or five to be official. (Added eff. 4/1/01; repealed and replaced 11/6/02; (i) amended eff. 10/4/05; (j) amended eff. 7/16/07; (j) - (l) amended eff. 11/20/19)

#### **Sec. 321.314. Superfecta.**

(a) The superfecta is not a parlay and has no connection with or relation to the win, place, and show pools shown on the tote board. All tickets on the superfecta shall be calculated as a separate pool.

(b) A person purchasing a superfecta ticket shall select the four animals that will finish first, second, third, and fourth in one race. The pool shall be distributed only to the holders of tickets that select the same order of finish as officially posted.

(c) If no superfecta ticket is sold for the winning combination, the pool shall be distributed to the holders of tickets selecting the win, place, and show finishers. If no ticket is sold combining the win, place, and show finishers, the pool shall be distributed to the holders of tickets selecting the win and place finishers. If no ticket is sold combining the win and place finishers, the pool shall be distributed to the holders of tickets selecting the winner. If less than four animals finish and the race is declared official by the

stewards or racing judges, the pool shall be distributed to holders of tickets selecting the finishing animals in order, ignoring the balance of the selection.

(d) In the event of a dead heat, all superfecta tickets selecting the correct order of finish, counting an animal in a dead heat as finishing in either position dead heated, shall be winning tickets. The pool shall be distributed as a place pool.

(e) If an animal is scratched in a superfecta race, a superfecta ticket may not be exchanged. All tickets which include a scratched animal shall be eliminated from further participation in the superfecta pool and shall be refunded.

(f) If the superfecta pool cannot otherwise be distributed in accordance with this section, the money in the superfecta pool shall be carried forward to the next consecutive superfecta pool.

(g) An association shall not offer superfecta wagering on any race placed on the official program that does not have seven or more different wagering interests unless approved by the board of stewards or judges. The board of stewards or judges may not approve a superfecta wager in a race with fewer than six wagering interests.

(h) In the event scratches after the animals leave the paddock cause the number of different wagering interests to fall below seven, or below an amount previously approved by the board of stewards or judges as outlined in subsection (g) of this section, the board of stewards or judges may order the wager to be canceled and the pool to be refunded if deemed in the interest of wagering integrity. (Added eff. 4/1/01; (g),(h) amended eff. 8/3/06)

### **Sec. 321.315. Tri-Superfecta.**

(a) The tri-superfecta is not a parlay and has no connection with or relation to the win, place, or show pools on the tote board. All tickets on the tri-superfecta shall be calculated as a separate pool.

(b) The tri-superfecta requires selection of the first three finishers, in exact order, in the first

of two designated races. Each winning ticket for the first tri-superfecta race must be exchanged for a free ticket on the second tri-superfecta race to remain eligible for the second-half tri-superfecta pool. Such tickets may be exchanged only at designated attended ticket windows before the start of the second tri-superfecta race. Winning first-half tri-superfecta wagers will receive both an exchange and a monetary payout. Both of the designated tri-superfecta races shall be included in one tri-superfecta pool.

(c) After wagering closes for the first-half of the tri-superfecta and commissions have been deducted from the pool, the net pool shall then be divided equally into two separate pools: the first-half tri-superfecta pool and the second-half tri-superfecta pool.

(d) In the first tri-superfecta race only, the first-half tri-superfecta pool shall be distributed according to the following precedence, based upon the official order of finish for the first tri-superfecta race:

(1) As a single price pool to those whose combination finished in correct sequence as the first three betting interests; but if there are no such wagers, then

(2) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(3) As a single price pool to those whose combination included, in correct sequence, the first and third betting interests; but if there are no such wagers, then

(4) As a single price pool to those whose combination correctly selected the first-place betting interest; but if there are no such wagers, then

(5) As a single price pool to those whose combination included, in correct sequence, the second and third betting interests; but if there are no such wagers, then

(6) As a single price pool to those whose combination correctly selected the second-place betting interest; but if there are no such wagers,

then

(7) As a single price pool to those whose combination correctly selected the third-place betting interest; but if there are no such wagers, then

(8) The tri-superfecta pool shall be canceled and the entire pool shall be carried forward to the next consecutive performance and combined with that performance's second-half tri-superfecta pool.

(e) If no first-half tri-superfecta ticket selects the first three finishers of that race in exact order, no exchange tickets for the second-half tri-superfecta pool will be issued and the second-half tri-superfecta pool shall be carried over and added to the tri-superfecta carryover pool.

(f) A first-half tri-superfecta ticket that selects the first three finishers of that race in exact order may be exchanged for a ticket selecting the first four finishers of the second tri-superfecta race. The second-half tri-superfecta pool shall be distributed according to the following precedence, based upon the official order of finish for the second tri-superfecta race:

(1) As a single price pool, including the carryover, to those whose combination finished in correct sequence as the first four betting interests; but if there are no such tickets, then

(2) The second-half tri-superfecta pool for that contest shall be carried forward to the next consecutive performance and shall be combined with that performance's second-half tri-superfecta pool.

(g) If a winning first-half tri-superfecta ticket is not presented for cashing and exchange before the start of the second tri-superfecta race, the ticket holder may collect the monetary value associated with the first-half tri-superfecta pool but forfeits all right to a distribution of the second-half tri-superfecta pool.

(h) If fewer than six horses of different betting interests leave the paddock for the first tri-superfecta race or fewer than six greyhounds start the first tri-superfecta race, the tri-superfecta contest shall be canceled and the entire tri-

superfecta pool for that performance shall be refunded.

(i) Before the running of the first tri-superfecta race, if due to a scratch the second tri-superfecta race has fewer than seven horses of different betting interests or fewer than seven greyhounds of different betting interests, the tri-superfecta shall be canceled and the entire tri-superfecta pool for that performance shall be refunded.

(j) After the running of the first tri-superfecta race, if due to a late scratch, the second tri-superfecta race has fewer than seven horses of different betting interests that start or has fewer than seven greyhounds of different betting interests that start, all exchange tickets and outstanding first-half winning tickets shall be entitled to the second-half tri-superfecta pool for that performance as a single price pool, but not the tri-superfecta carryover.

(k) Coupled entries and mutuel fields may not be permitted in a tri-superfecta horse contest unless there are six or more betting interests in the first race and seven or more betting interests in the second race. Coupled entries or mutuel fields in a tri-superfecta race shall race as a single betting interest for the purpose of mutuel pool calculations and payout to the public.

(l) If a betting interest in the first tri-superfecta race is scratched, all tri-superfecta wagers including the scratched betting interest shall be refunded.

(m) If a betting interest in the second tri-superfecta race is scratched, an announcement concerning the scratch shall be made and a reasonable amount of time shall be provided to exchange tickets that include the scratched betting interest.

(n) If there is a dead heat or multiple dead heats in either the first or second tri-superfecta race, all tri-superfecta wagers selecting the correct order of finish, counting a betting interest involved in a dead heat as finishing in any dead-heated position, shall be a winner. In the case of a dead heat occurring in:

(1) the first tri-superfecta race, the payout shall be calculated as a profit split; and

(2) the second tri-superfecta race, the payout shall be calculated as a single price pool.

(o) If either of the tri-superfecta races are canceled prior to the first tri-superfecta race, or if the first tri-superfecta race is declared “no contest”, the entire tri-superfecta pool for that performance shall be refunded and the second-half pool shall be canceled.

(p) If the second tri-superfecta race is canceled or declared “no contest” on a:

(1) non-designated mandatory payout performance, all exchange tickets and outstanding first-half winning tri-superfecta tickets shall be entitled to the net tri-superfecta pool for that performance as a single price pool, but not the tri-superfecta carryover. If there are no such tickets, the net tri-superfecta pool shall be carried over to the next consecutive performance and combined with that performance’s second-half tri-superfecta pool; and

(2) designated mandatory payout performance, all exchange tickets and outstanding first-half winning tri-superfecta tickets as determined by subsection (s) of this section shall be entitled to the net tri-superfecta pool for that performance and the tri-superfecta carryover as a single price pool.

(q) An association may file a written request for permission to distribute the tri-superfecta carryover on a specific performance with the executive secretary. The request must contain justification for the distribution, an explanation of the benefit to be derived, and the intended date and performance for the distribution.

(r) Distribution on Mandatory Payout.

(1) Notwithstanding subsections (e) and (t) of this section, on the last performance of a race meet or a designated mandatory payout performance, exchange tickets will be issued for those combinations selecting the greatest number of betting interests in the first tri-superfecta race in the following order:

(A) As a single price pool to those

whose combination finished in correct sequence as the first three betting interests; but if there are no such wagers, then

(B) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(C) As a single price pool to those whose combination included, in correct sequence, the first and third betting interests; but if there are no such wagers, then

(D) As a single price pool to those whose combination correctly selected the first-place betting interest; but if there are no such wagers, then

(E) As a single price pool to those whose combination included, in correct sequence, the second and third betting interests; but if there are no such wagers, then

(F) As a single price pool to those whose combination correctly selected the second-place betting interest; but if there are no such wagers, then

(G) As a single price pool to those whose combination correctly selected the third-place betting interest.

(2) Notwithstanding subsections (e) and (t) of this section, on the last performance of a race meeting or a designated mandatory payout performance, if there are no wagers selecting the finishers in the order described in Paragraph (1) of this subsection and there is a carryover, all first-half tickets are considered winners and the tri-superfecta pool for that performance and the tri-superfecta carryover shall be distributed equally among them.

(3) Notwithstanding subsections (e) and (t) of this section, on the last performance of a race meeting or a designated mandatory payout performance, if there are no wagers selecting the finishers in the order described in Paragraph (1) of this subsection and there is no carryover, the tri-superfecta shall be canceled and the entire tri-superfecta pool shall be refunded.

(s) Notwithstanding subsections (f) and (t)

of this section, on the last performance of a race meeting or on a designated mandatory payout performance, the following precedence will be followed in determining winning tickets for the second-half of the tri-superfecta:

(1) As a single price pool to those whose combination finished in correct sequence as the first four betting interests; but if there are no such wagers, then

(2) As a single price pool to those whose combination included, in correct sequence, the first three betting interests; but if there are no such wagers, then

(3) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(4) As a single price pool to those whose combination correctly selected the first-place betting interest; but if there are no such wagers, then

(5) As a single price pool to those whose combination included, in correct sequence, the second-place betting interests; but if there are no such wagers, then

(6) As a single price pool to those whose combination correctly selected the third-place betting interest; but if there are no such wagers, then

(7) As a single price pool to those whose combination correctly selected the fourth-place betting interest; but if there are no such wagers, then

(8) As a single price pool to holders of valid exchange tickets; but if there are no such persons, then

(9) As a single price pool to holders of outstanding first-half winning tickets.

(t) Cap on Carryover.

(1) The tri-superfecta carryover may be capped at a designated level approved by the executive secretary so that if, at the close of any performance, the amount in the tri-superfecta carryover equals or exceeds the designated cap, the tri-superfecta carryover will be frozen until

it is won or distributed under other provisions of this section. After the tri-superfecta carryover is frozen, 50% of the tri-superfecta pool shall be distributed to winners of the first tri-superfecta contest using the following precedence:

(A) As a single price pool to those whose combination finished in correct sequence as the first three betting interests; but if there are no such wagers, then

(B) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(C) As a single price pool to those whose combination included, in correct sequence, the first and third betting interests; but if there are no such wagers, then

(D) As a single price pool to those whose combination correctly selected the first-place betting interest; but if there are no such wagers, then

(E) As a single price pool to those whose combination included, in correct sequence, the second and third betting interests; but if there are no such wagers, then

(F) As a single price pool to those whose combination correctly selected the second-place betting interest; but if there are no such wagers, then

(G) As a single price pool to those whose combination correctly selected the third-place betting interest; but if there are no such wagers, then

(H) the tri-superfecta shall be canceled and the entire tri-superfecta pool for that performance shall be refunded.

(2) After the tri-superfecta carryover is frozen, exchange tickets will be issued for winning tickets of the first half of the tri-superfecta pool as determined in paragraph (1) of this subsection. The second-half tri-superfecta pool shall be distributed according to the following precedence, based upon the official order of finish for the second tri-superfecta race:

(A) As a single price pool, including

the carryover, to those who received an exchange ticket under paragraph (1) (A) of this subsection, and whose combination finished in correct sequence as the first four betting interests of the second leg of the tri-superfecta pool; but if there are no such tickets, then

(B) Fifty percent (50%) of the tri-superfecta pool for that performance only shall be distributed in the following precedence:

(i) As a single price pool to those whose combination include, in correct sequence, the first four betting interests of the second leg of the tri-superfecta pool; but if there are no such wagers, then

(ii) As a single price pool to those whose combination included, in correct sequence, the first three betting interests; but if there are no such wagers, then

(iii) As a single price pool to those whose combination included, in correct sequence, the first two betting interests; but if there are no such wagers, then

(iv) As a single price pool to those whose combination correctly selected the first-place betting interest; but if there are no such wagers, then

(v) As a single price pool to those whose combination included, in correct sequence, the second-place betting interests; but if there are no such wagers, then

(vi) As a single price pool to those whose combination correctly selected the third-place betting interest; but if there are no such wagers, then

(vii) As a single price pool to those whose combination correctly selected the fourth-place betting interest; but if there are no such wagers, then

(viii) As a single price pool to holders of valid exchange tickets; but if there are no such persons, then

(ix) As a single price pool to holders of outstanding first-half winning tickets.

(u) The tri-superfecta carryover shall be designated for mandatory payout on a specified

date and performance only under the following circumstances:

(1) on written approval from the executive secretary as provided in subsection (q) of this section;

(2) on written approval from the executive secretary when there is a change in the carryover cap or when the tri-superfecta is discontinued; and

(3) on the last performance of the race meeting.

(v) If the tri-superfecta carryover must be held over to the corresponding tri-superfecta pool of a subsequent race meeting, the carryover shall be deposited in an interest-bearing account approved by the executive secretary. The tri-superfecta carryover plus accrued interest shall be carried forward and added to the second-half tri-superfecta pool of the following race meeting on a date and performance designated by the executive secretary.

(w) The association must obtain written approval from the executive secretary concerning the scheduling and the amount of the cap to be set on the carryover. Any changes to the approved tri-superfecta format require prior approval from the executive secretary. (Added eff. 4/1/01; (t) amended eff. 1/1/02; (d),(r),(s) amended eff. 10/4/05)

### **Sec. 321.316. Odd-Even.**

(a) The odd-even is not a parlay and has no connection with or relation to the win, place, and show pools shown on the tote board. The odd-even is a separate pool and shall be calculated as a win pool.

(b) A person purchasing an odd-even ticket shall designate "odd" or "even". An "odd" ticket represents a wager on each race animal with an odd number as listed in the official program. An "even" ticket represents a wager on each race animal with an even number as listed in the official program.

(c) If the race animal finishing first has an odd program number, the odd-even pool shall be distributed to the holders of tickets designating odd. If the race animal finishing first has an even program number, the odd-even pool shall be

distributed to the holders of tickets designating even.

(d) Except as otherwise provided by this subsection, if after wagering has begun an animal entered in an odd-even race is scratched or otherwise prevented from racing, there will be no refund. The association, with the approval of the stewards or racing judges, may cancel the odd-even pool and refund all money in the pool if there are less than three odd program number race animals or less than three even program number race animals participating in a race.

(e) Except as otherwise provided in this subsection, if a race ends in a dead heat for first place between a race animal with an odd program number and a race animal with an even program number, the program number of the third place finishing animal will determine the winners of the odd-even pool. If there is a dead heat for third place between a race animal with an odd program number and a race animal with an even program number, the program number of the fifth place finishing animal will determine the winners of the odd-even pool. If a race ends a dead heat for first place between three race animals, the type of program number of the majority of the animals involved in the dead heat will determine the winners of the odd-even pool. (Added eff. 4/1/01)

#### **Sec. 321.317. Prevention of Start.**

Except as otherwise provided by these rules, if a door in a starting gate or box fails to open simultaneously with the other doors, thereby preventing a horse or greyhound from obtaining a fair start when the starter dispatches the field, that animal is considered scratched for pari-mutuel purposes only and all wagers made on that animal shall be refunded. (Added eff. 4/1/01)

#### **Sec. 321.318. Special Wager.**

(a) Special wager authorized.

(1) Subject to the prior approval of the Commission, an association may offer a special wager in any form of wager authorized by the Rules. All applicable laws and rules that apply to

the form of wager selected for the special wager apply to the special wager.

(2) A special wager must be based on the outcome of a race or races and comply with the definition of pari-mutuel wagering as defined by the Act, § 2021.003. The wager must be based on the performance of a specific race animal or animals in a race or races.

(3) All tickets on a special wager shall be calculated as a separate pool. If a special wager uses a point system to determine the winning tickets, the stewards or racing judges are responsible for certifying the accuracy of the point totals for purposes of payoff calculations and pool distribution. The use of any point system must be based on objective criteria.

(b) Approval of special wager.

(1) To offer a special wager, an association must file a written request with the executive secretary. The request must be filed no later than the 30th day before the day on which the Commission is to consider the request.

(2) The request must state:

(A) the name of the wager;

(B) the type of wagering pool to be used;

(C) the method by which winning tickets will be determined; and

(D) the method for addressing dead heats, no contest races, scratches, jockey changes, coupled entries, prevention of start, and disqualifications.

(3) After reviewing the request, the executive secretary may request additional information regarding the special wager.

(4) If the Commission determines the proposed special wager will be offered in a manner that complies with the Rules and that is consistent with maintaining the integrity of pari-mutuel wagering, the Commission may approve the request. The Commission may place reasonable conditions on the approval of the special wager. The Commission has sole discretion to approve or disapprove requests for special wagers.

(5) The executive secretary shall notify

the association of the Commission's decision regarding the request no later than the fifth day after the Commission's decision.

(6) Approval of a special wager is perpetual, unless the association proposes to change the method by which winning tickets will be determined or the method for addressing dead heats, no contest races, scratches, jockey changes, coupled entries, prevention of start, and disqualifications. In that instance, the association must obtain approval for the changes in the special wager.

(c) Notice of special wager.

(1) An association shall publish notice of a special wager that is approved in its program at least 14 days before the first day the special wager will be offered. If the wager is to be offered during the first 14 days of a live race meeting, the association shall publish notice of the special wager in the program for every race day in the race meeting before the day the special wager is to be offered.

(2) The association shall post in a prominent place in the grandstand of the racetrack a full description of the special wager, including all information described in Subsection (b)(2) of this section and any conditions imposed by the Commission. (Added eff. 4/1/01; (b) amended eff. 11/6/02; (2) amended eff. 7/1/19)

**Sec. 321.320. Super Hi-Five.**

(a) The super hi-five is not a parlay and has no connection with or relation to the win, place, and show pools shown on the tote board. All tickets on the super hi-five shall be calculated as a separate pool.

(b) A person purchasing a super hi-five ticket shall select the five animals that will finish first, second, third, fourth, and fifth in one race. The pool shall be distributed only to the holders of tickets who select the same order of finish as officially posted.

(c) If no super hi-five ticket is sold for the winning combination, then the net pool shall be carried over and paid out in the following manner:

(1) The entire pool shall be carried over

and made available on the next consecutive super hi-five pool, and is combined with and added to the net pool for such qualifying pool, and made available for payout, or

(2) An association can, at its option, offer a consolation pool equal to 25% of the net pool. The offering of a consolation pool shall be announced at least 72 hours in advance of the first day upon which a consolation pool will be offered, and shall be publicized. Notice of the consolation pool may be announced, by way of example, via press release, internet, simulcast signal, and on-track announcements.

(3) If there are no ticket holders who selected first-place, second-place, third-place, fourth-place, and fifth-place finishers in order and a consolation pool is offered, then a consolation pool shall be established. The consolation pool shall be distributed as a single price pool among those ticket holders and paid out as follows:

(A) To those who selected first-place, second-place, third-place, and fourth-place finishers in order. If there are no such wagers, then

(B) To those who selected first-place, second-place, and third-place finishers in order. If there are no such wagers, then

(C) To those who selected first-place and second-place finishers in order. If there are no such wagers, then

(D) To those who selected the first-place finishers.

(E) If the super hi-five pool cannot otherwise be distributed in accordance with this section, the money in the super hi-five consolation pool shall be carried forward to the next consecutive super hi-five pool.

(d) Unique winning wager option.

(1) Unique winning wager, as used in this subsection, shall be defined as having occurred when there is one and only one winning wager whose combination finished in correct sequence as the first five betting interests based upon the official order of finish and is equal to the minimum allowable wager. In the event that there is more than one winning wager whose combination

finished in correct sequence as the first five betting interests, a unique winning wager shall be deemed to not have occurred.

(2) If an association elects to offer the unique winning wager option, the net super hi-five pool shall be distributed to winning wagers in the following order of precedence, based on the official order of finish:

(A) as a single price pool, including any applicable carryover, to the holder of a unique winning wager whose combination finished in correct sequence as the first five betting interests, but if there is no such unique winning wager, then

(B) the net pool shall be divided into two separate pools. The major pool of the net pool shall be paid as a carryover into the next regularly scheduled super hi-five pool. The remaining minor pool shall be paid as a super hi-five consolation pool, which shall be equally divided among those wager holders who correctly select the first five interests in order, but if there are no such wagers, then

(C) the entire net pool shall be carried over into the next regularly scheduled super hi-five pool.

(3) The association shall specify the minimum monetary amount of a unique winning wager with prior approval of the executive secretary.

(4) Prior to the start of the race meet, the association shall specify the percentages for a major and minor pool with prior approval of the executive secretary.

(5) A written request to distribute the super hi-five pool plus any carryover on a specific date and performance may be submitted by the association to the executive secretary for approval. The request must be for a specified date no greater than one year from the date the request is submitted and contain justification for the distribution, an explanation of the benefit to be derived, and the intended date and performance for the distribution. Should the super hi-five net pool and any applicable carryover be designated for distribution on a specified date and performance

in which there is no unique winning wager, the entire pool shall be distributed using the method described in subsection (i) of this section.

(6) Unless otherwise stated in writing by the Commission under paragraph (5) of this subsection, on the last super hi-five race on the final day of the meeting, the net pool, including any applicable carryover, shall be distributed using the method described in subsection (i) of this section.

(e) The minimum number of wagering interests required to offer super hi-five wagering in a race shall be seven actual starters. If scratches cause the number of horses in a race to fall below seven, then the super hi-five pool for that race shall be canceled.

(f) Super hi-five wagers on races in which wagering has been canceled or the race declared no contest shall be refunded. Any carryover pool added to the net pool of a super hi-five race which is canceled shall carry forward to be added to the next consecutive super hi-five wagering pool.

(g) If fewer than five animals finish and the race is declared official by the stewards or judges, payout shall be made to ticket holders selecting the finishing animals in order of finish as provided above, disregarding any selections beyond the number of betting interests.

(h) In the event of a dead heat in any finishing position, the wagers shall be paid as follows:

(1) all wagers selecting either of the dead-heat positions with the correct non-dead-heat position shall be winners and share in the pool; and

(2) payouts will be calculated by splitting the pool equally between each winning combination, then dividing split pools by the number of winning tickets. A dead heat will produce separate and distinct payouts respective to each winning combination.

(i) If on the final day of a race meeting or on a designated mandatory payout date the pool has not been distributed under subsection (b), (c), or (d) of this section, then the net pool for that performance plus any carryover from previous performances

shall be paid out in the following manner:

(1) To those who selected first-place, second-place, third place, and fourth-place finishers in order. If there are no such wagers, then:

(2) To those who selected first-place, second-place, and third-place finishers in order. If there are no such wagers, then:

(3) To those who selected first-place and second-place finishers in order. If there are no such wagers, then:

(4) To those who selected the first-place finisher.

(j) If the final or designated mandatory payoff performance is canceled or the pool has not been distributed under subsection (i) of this section the pool shall be deposited in an interest-bearing account approved by the executive secretary. The pool plus all accrued interest shall then be carried over and added to a super hi-five pari-mutuel pool in a subsequent race meeting within the following 12 months, on a date and performance designated by the association with the approval of the executive secretary. The designation of the date and performance must be made prior to the start of the association's next live racing meet.

(k) If an animal is scratched or declared a nonstarter, no further tickets may be issued designating such animal and all super hi-five tickets previously issued designating such animal shall be refunded and the money deducted from the gross super hi-five pool.

(l) For purposes of statutory deductions and commissions, the net amount does not include any amounts carried over from any previous super hi-five pool.

(m) The association may select a distinctive name for the super hi-five, with prior approval of the executive secretary. (Added eff. 3/28/11; (h) - (l) amended eff. 1/10/13; amended eff. 3/7/18; amended eff. 2/18/19; (j) amended eff. 7/1/19)

### **Sec. 321.321. Fortune Pick (n).**

(a) The fortune pick (n) wager is not a parlay and has no connection with or relation to the win, place, and show pools shown on the tote board. All

tickets on the fortune pick (n) shall be calculated as a separate pool.

(b) The fortune pick (n) pari-mutuel pool consists of amounts contributed for a selection to win only in each of six, seven, eight, nine, or 10 races designated by the association. After designating the number of races comprising the fortune pick (n), the association may not change the number during a race meeting without prior written approval of the executive director.

(c) Unique winning wager, as used in this section, shall be defined as having occurred when the total amount wagered on a winning combination selecting the first place finisher in each of the selected fortune pick (n) contests, based upon the official order of finish, is equal to the minimum allowable wager.

(d) Unique winning ticket, as used in this section, shall be defined as having occurred when there is one and only one ticket that correctly selected the first place finisher in each of the selected fortune pick (n) contests, based on the official order of finish, to be verified by the unique serial number assigned by the totalisator system that issued the winning ticket.

(e) A person purchasing a fortune pick (n) ticket shall designate the winning animal in each of the races comprising the fortune pick (n). The association shall issue to the purchaser of a fortune pick (n) ticket a ticket that reflects each of the purchaser's selections.

(f) A fortune pick (n) ticket is a contract between the holder of the ticket and the association and the ticket constitutes acceptance of this section. The association, totalisator company, and the State of Texas are not liable to a person for a fortune pick (n) ticket that is not a winning ticket under this section or for a fortune pick (n) ticket that is not delivered.

(g) A coupled entry or mutuel field in a race that is part of the fortune pick (n) races shall race as a single betting interest for the purpose of mutuel pool calculations and payoffs to the public.

(h) The fortune pick (n) pool shall be distributed as provided by this section. The net

pool in the fortune pick (n) pool is divided into a major pool and a minor pool. The association may designate the major pool percentage of the net amount wagered on the fortune pick (n). The remaining percentage constitutes the minor pool. The association shall notify the executive secretary in writing before the beginning of each race meeting of its designation regarding the division between the major and minor pools. After designating the division between the major and minor pools, an association may not change the division during a race meeting without prior written approval of the executive secretary.

(i) Prior to the start of a race meet at which an association will offer a fortune pick (n) wager, the association shall notify the executive director of its election to require a unique winning wager or a unique winning ticket, along with any specifics within that option for which it seeks approval. The association may not change fortune pick (n) options for the meet once testing has been performed based on those selections.

(j) the entire net fortune pick (n) pool and carryover, if any, shall be distributed to the holder of a unique wager or unique winning ticket, as appropriate depending on the association's election in subsection (i) of this section. If there is no unique winning wager or unique winning ticket, as appropriate based on the association's election, the minor share of the net fortune pick (n) pool shall be, at the discretion of the association and with the prior approval of the executive director, be distributed either as a single price pool to those who selected the first place finisher in the greatest number of fortune pick (n) contests or as a single price pool to those who selected the first-place finisher in all of the pick (n) contests, based on the official order of finish, and the major share shall be added to the carryover;

(k) if the fortune pick (n) minor pool cannot be distributed in accordance with subsection (j) of this section, the minor pool shall be combined with the major pool and added to the previous day's carryover. The entire pool plus carryover shall be carried forward to the next fortune pick (n) pool.

(l) If the association elects to designate the major pool at one hundred percent (100%) and the minor pool at zero percent (0%), the entire net fortune pick (n) pool and carryover, if any, shall be distributed to the holder of a unique winning wager or unique winning ticket, as appropriate based on the association's election in subsection (i) of this section. If there is no unique winning wager or unique winning ticket, as appropriate, the entire pool shall be combined with the previous day's carryover. The entire pool plus carryover shall be carried forward to the next fortune pick (n) pool.

(m) If there is a dead heat for first in any of the fortune pick (n) contests involving:

(1) contestants representing the same betting interest, the fortune pick (n) pool shall be distributed as if no dead heat occurred.

(2) contestants representing two or more betting interests, the fortune pick (n) pool shall be distributed as a single price pool with each unique winning wager receiving an equal share of the profit.

(n) Should a betting interest in any of the fortune pick (n) contests be scratched, excused, or determined to be a non-starter, the actual favorite, as shown by the largest amount wagered in the win pool at the time of the start of the race, will be substituted for the non-starting selection for all purposes, including pool calculations and payoffs. If there are two or more favorites in the win pool, both favorites will be substituted for the non-starting selection.

(o) Except as otherwise provided by this subsection, if one or more races in the fortune pick (n) are canceled or declared a "no race", the amount contributed to the major pool for that performance shall be added to the minor pool for that performance and distributed as an extra amount in the minor pool to the holders of the tickets that designate the most winners in the remaining races. All contributions to the major pool from prior performances shall remain in the major pool, to be carried forward to the next performance to be paid in the major pool for that performance. If the stewards or racing judges

cancel or declare a “no race” in three or more of the races comprising a fortune pick six, seven, or eight, four or more of the races comprising the fortune pick nine, or five or more of the races comprising the fortune pick 10, the fortune pick (n) is canceled and the association shall refund all fortune pick (n) tickets. A person may not win the major pool unless the person holds a fortune pick (n) ticket that correctly designates the official winners of all the scheduled races comprising the fortune pick (n) for that performance unless it is on the last performance of the race meeting or a designated mandatory payout performance. On the last performance of a race meeting or on a designated mandatory payout performance, if one or more races comprising the fortune pick (n) are canceled or declared a “no race”, the major pool and the minor pool for that performance shall be combined with the prior performance major pool and be paid to those holders of tickets who correctly designated the most winners of the remaining races of the fortune pick (n). If on the last performance of the race meeting or on a designated mandatory payout performance the major pool and the minor pool cannot be distributed in accordance with this subsection then the major and minor pool shall be handled in accordance with subsection (q) of the section.

(p) When the condition of the turf course warrants a change of racing surface in any of the races open to fortune pick (n) wagering, and such change has not been made known to the betting public prior to the close of wagering for the first fortune pick (n) race, the Stewards shall declare the changed races a “no contest” for fortune pick (n) wagering purposes and the pool shall be distributed in accordance with subsection (n) of this section. Following the designation of a race as a “no contest”, no tickets shall be sold selecting a horse in such “no contest” race.

(q) If on the last performance of the race meeting or on a designated mandatory payout performance the major pool is not distributable under any previous subsection of this section, the major pool and all money carried forward into

that pool from previous performances shall be combined with the minor pool and distributed to the holders of tickets correctly designating the most winners of the races comprising the fortune pick (n) for that performance.

(r) If the final or designated mandatory payoff performance is canceled or the pool has not been distributed in accordance with this section, the pool shall be deposited in an interest-bearing account approved by the executive director. The pool plus all accrued interest shall then be carried over and added to a fortune pick (n) pool with the same number of (n) contests in a subsequent race meeting within the following twelve months, on a date and performance designated by the association with the approval of the executive director. The designation of the date and performance must be made prior to the start of the association’s next live racing meet.

(s) Except for refunds required by this section, a fortune pick (n) ticket may not be sold, exchanged, or canceled after the close of wagering on the first of the fortune pick (n) races.

(t) A person may not disclose the number of tickets sold in the fortune pick (n) pool or the number or amount of tickets selecting winners of the races comprising the fortune pick (n) until the results of the last race comprising the fortune pick (n) are official. The totalisator equipment shall be programmed or constructed to suppress the publication or printing of any such information, except the total number of dollars wagered in the fortune pick (n), until the results of the last race comprising the fortune pick (n) are official. (Added eff. 3/28/11; (g) amended eff. 1/10/13; (h)-(o) amended eff. 4/8/2019; (b)-(t) amended eff. 8/17/21)

### **Sec. 321.322. Triple Trifecta.**

(a) The Triple Trifecta wager is not a parlay and has no connection with or relation to the win, place, and show pools shown on the tote board. All tickets on the Triple Trifecta wager shall be calculated as a separate pool.

(b) The association may select a distinctive name for the Triple Trifecta wager, with the prior written approval of the executive secretary.

(c) A Triple Trifecta wager is a contract between the holder of the ticket and the association and the ticket constitutes acceptance of this section. The association, totalisator company and the State of Texas are not liable to a person for a Triple Trifecta wager ticket that is not a winning ticket under this section or for a Triple Trifecta wager ticket that is not delivered.

(d) The Triple Trifecta wager requires the selection of the first three finishers, in exact order, in each of three consecutive designated contests. Payment of the ticket may be made only to the purchaser who has selected the qualifying finishers in three designated races.

(e) A coupled entry or mutuel field in a race that is part of the Triple Trifecta races shall race as a single betting interest for the purpose of mutuel pool calculations and payoffs to the public.

(f) The association must obtain written approval from the executive secretary concerning the scheduling of the Triple Trifecta contests and the designation of qualifying races. Any change to the Triple Trifecta requires prior written approval from the executive secretary and the association.

(g) If no Triple Trifecta ticket is sold for the winning combination, then 100% of the net pool shall be carried over and made available on the next consecutive Triple Trifecta pool and shall be combined with and added to the net pool for such qualifying pool, and made available for payout.

(h) Except for refunds required by this section, a Triple Trifecta wager ticket may not be sold, exchanged, or canceled after the close of wagering on the first of the Triple Trifecta wager races.

(i) Dead heats. For the purposes of determining whether a Triple Trifecta wager correctly selected the finishers in exact position, animals in a dead heat are deemed to jointly occupy both or all positions in the dead heat. For calculation purposes, the Triple Trifecta will be calculated as a place pool.

(j) The minimum number of wagering interests required to offer Triple Trifecta wagering shall be six wagering interests in each of the

Triple Trifecta races. If one of the legs of the Triple Trifecta scratches to less than six wagering interests then all wagers, less any carryover, shall be refunded.

(k) If after wagering has begun an animal entered in a Triple Trifecta race is scratched or otherwise prevented from racing, all money wagered on the affected animal shall be deducted from the Triple Trifecta pool and refunded to the holders of tickets on the affected animal.

(l) Canceled contests. If any of the Triple Trifecta contests are canceled or declared no contest, that Triple Trifecta pool, less any carryover, shall be refunded.

(m) If on the final day of a race meeting or on a designated mandatory payout date the Triple Trifecta pool has not been distributed under this section, then the net pool for that performance plus any carryover from previous performances shall be paid out in the following manner:

(1) To those who correctly selected two of three trifectas in the Triple Trifecta races. If there are no such wagers, then

(2) To those who correctly selected one of three trifectas in the Triple Trifecta races. If there are no such wagers, then

(3) As a single price pool to holders of Triple Trifecta wagers.

(n) If the final or designated mandatory payoff performance is canceled or the pool has not been distributed under subsection (m) of this section the pool shall be deposited in an interest-bearing account approved by the executive secretary. The pool plus all accrued interest shall then be carried over and added to the Triple Trifecta pari-mutuel pool in the following race meeting on a date and performance designated by the association with the approval of the executive secretary. (Added eff. 11/2/15)

(c) The host racetrack shall provide transmission equipment of acceptable broadcast quality that does not interfere with the closed circuit TV system of the guest racetrack. The host racetrack must transmit and receive wagering information via a data circuit. If the host racetrack plans to form common pools, the racetrack shall provide a direct telephone line and a facsimile machine, or other means approved by the executive secretary, located in the mutuel area to receive information from the guest racetracks in case of a system failure.

If the stop betting command from a host racetrack is not received, the totalisator operator shall issue the "stop betting" command and lock all wagering on the race at that location.

(b) The association's mutuel manager and the totalisator operator are responsible for ensuring that all wagering stops at that location when the "stop betting" command is issued from the host racetrack.

(c) If the link between the totalisator systems at the host and guest racetracks is lost, the totalisator operator at the guest racetrack shall lock all pools at the guest racetrack at zero minutes to post.

(d) An association may not permit a wager to be accepted or a ticket to be cancelled after the "stop betting" command has been issued.

(e) If a wager is accepted after the "stop betting" command has been issued:

(1) the mutuel manager, before the race is declared official, shall inform the pari-mutuel auditor that a wager was accepted after the "stop betting" command was issued; and

(2) the mutuel manager shall decide to either:

## **Division 2. Common Pool Wagering**

### **Sec. 321.451. General Provisions.**

(a) With the prior approval of the executive secretary, pari-mutuel pools offered by an association that is participating in a simulcast may be combined with corresponding wagering pools offered by the other racetracks participating in the simulcast to form a common pool.

(b) An association participating in a common pool must include in the simulcast contract:

- (1) the take out rates;
- (2) public payout rates;
- (3) contact names and phone numbers; and
- (4) settlement arrangements for liabilities incurred.

(c) The content and format of the visual display of racing and wagering information at facilities in other racing jurisdictions in the interstate common pools need not be identical to the information required to be displayed under the Rules. (Added eff. 4/1/01)

- (1) via a data circuit or frame relay;
- (2) via facsimile; or
- (3) by voice.

(b) Except as otherwise provided by this subsection, the odds and prices for a common pool shall be calculated in accordance with the laws and rules of the jurisdiction in which the host racetrack is located. In determining the amount distributable to the wagerers, the total takeout required in the jurisdiction in which the host racetrack is located

shall be used. If the association desires, the association may use the net pool pricing method for determining the payoff prices.

(c) An association shall ensure that the necessary records are maintained regarding the amounts wagered at its racetrack for accounting, auditing, and reporting purposes. (Added eff. 4/1/01)

### **Sec. 321.455. Distribution Of Common Pool.**

(b) The payoff attributable to the association shall be based on the actual winnings indicated by the totalisator system.

(c) The total takeout applicable to the wagers received in this state for a common pool shall be distributed in accordance with the Act. A gain or loss caused by a difference in takeout totals shall be part of the association’s revenue or expense from the interstate simulcast.

(d) A surcharge or other withholding other than the takeout authorized by law shall be applied only in the jurisdiction imposing the surcharge or withholding. (Added eff. 4/1/01)

### **Sec. 321.457. Breakage.**

Breakage calculation is determined by the host racetrack. (Added eff. 4/1/01)

### **Sec. 321.459. Manual Merge.**

(a) If the guest racetrack’s totalisator system fails to adequately transmit wagering data to the host racetrack, the host racetrack shall manually merge the pools if a manual merge will not endanger the pools at the host racetrack and the host racetrack permits a manual merge.

(b) To merge the pools manually, the guest racetrack’s mutuel manager shall send the host racetrack a facsimile containing the total amount in the pool, the total dollars on winning wagers, and the total dollars on losing wagers. When the manual merge is complete, for purposes of declaring the race official, the totalisator operator

at the host racetrack shall notify:

- (1) the stewards or racing judges at the host racetrack; and
- (2) the presiding steward or racing judge, or the highest ranking mutuel official if the steward or judge is not on the grounds, at the guest racetrack. (Added eff. 4/1/01)

#### **Sec. 321.461. Failure To Merge.**

(a) Except as otherwise provided by this section, if it becomes impossible to successfully merge a guest racetrack's wagers in the common pool via data circuit or manual merge, the mutuel manager shall:

- (1) refund the pools not successfully merged after announcing to the public that the pools were not merged successfully and the pools will be refunded; or
- (2) pay the winning wagerers based on the prices established at the host racetrack.

(b) The mutuel manager shall report the failure to merge any common pool to the pari-mutuel auditor. The report must be on a form prescribed by the executive secretary and be filed no later than the day after the date the common pool failed to merge.

(c) A contract for common pools entered into by an association as a host racetrack must contain a provision stating that the association is not liable if a guest racetrack's wagers are not accepted into a common pool if:

- (1) it becomes impossible to successfully merge the wagers placed in another state in the common pool; or
- (2) the mutuel manager determines that attempting to transfer pool data from the guest racetrack will endanger the common pool. (Added eff. 4/1/01)

### **Division 3. Simulcasting at Horse Racetracks**

#### **Sec. 321.501. Negotiation With Horsemen.**

(a) Except as otherwise provided by this subsection, an association shall negotiate with the officially recognized horsemen's organization in this state regarding all simulcasting. An

association and the officially recognized horsemen's organization may not agree to an allocation of simulcast revenue to purses that differs from §321.503 of this title (relating to Purses).

(b) If after a good faith effort the association and the organization cannot reach an agreement on simulcasting, either party may petition the Commission to decide the issues in dispute. The decision of the Commission is binding on all parties. (Added eff. 4/1/01)

#### **Sec. 321.503. Purses.**

(D) the effect of the proposed allocation on the state's agricultural racing horse breeding industry;

(E) the effect of the proposed allocation

on the state's agricultural racing horse training industry;

(F) the amount of Texas Bred Incentive Programs funds from simulcasting generated by each breed; and

(G) the median sales price of accredited Texas bred horses as submitted on the performance measures report as required under §303.83 of this title.

(3) Before determining the percentages, the Commission shall provide an opportunity for the official horse breed registries designated in the Act to present information in writing regarding the criteria specified in paragraph (2) of this subsection and any other information that the registries believe may be useful to the Commission.

(4) In lieu of the process outlined in paragraphs (2) and (3) of this subsection, a signed agreement between the organizations referenced in paragraph (3) of this subsection may be submitted to the Commission for consideration and approval. For the Commission to approve the agreement, the agreement must:
