The matter comes upon review of the Magistrate’s Decision filed on April 18, 2023, recommending this Court enter damages award in the amount of \$18,000,000. No objections to the Magistrate’s Decision have been filed.

The Court has conducted an independent review and analysis of the issues, appropriate rules of law applicable to the issues in this case, and the Magistrate’s Decision in this case filed pursuant to Civ.R. 53(D). Upon consideration of the Magistrate’s Decision, the Court determines there are no errors of law or defects on the face of the Magistrate’s Decision.

The Court further finds the Magistrate’s Decision of April 18, 2023, which recommends compensatory damages in the amount of \$15,000,000 on the wrongful death claim and \$1,000,000 on the survivorship claim, as well as an additional award of \$2,000,000 punitive damages, contains sufficient findings of fact and conclusions of law that the Court understands the calculations and awarding thereof the recommendation of damages.

Therefore, pursuant to Civ.R. 53(D), the Court shall adopt the Magistrate’s Decision, dated April 18, 2023, with its conclusions and findings.

**WHEREFORE**, Default Judgment has previously been entered by Order on September 8, 2022.
