

Online Visa Application Guide for a Visitor (subclass 600) Business Stream Visa.

How to lodge an application:

Visa applicants must apply for the Visitor (subclass) 600 visa electronically through the Department of Home Affairs' (Home Affairs) ImmiAccount portal. This is the single point of entry into the Home Affairs' online visa services.

What information is required?:

Visa applicants must provide the following information about themselves:

- personal details from their passport
- contact/address information
- current employment details
- previous travel to Australia
- adequate health insurance coverage whilst in Australia
- how they will be supported financially whilst in Australia
- health and character declarations
- any other countries they have resided in.

It is critical to the success of your visa application that you answer all questions on the application form and supply all the requested supporting documents. Failure to do so could result in a significant delay or refusal of the visa application.

Important – visa lodgement:

It is strongly recommended that applicants apply 6-8 weeks of their intended travel dates of travel to ensure timely visa processing.

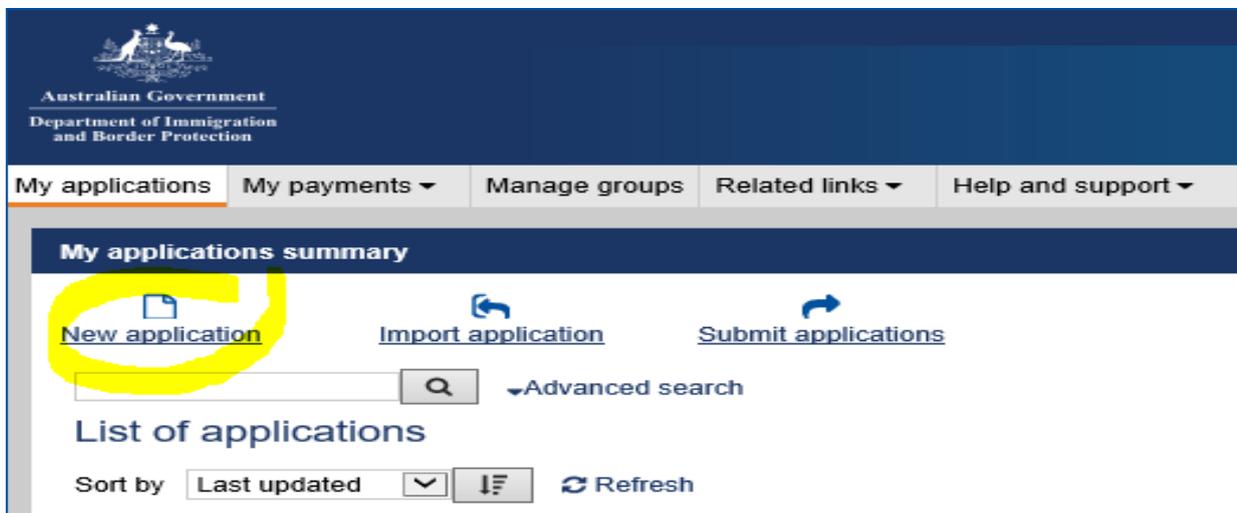

Home Affairs cannot guarantee that a visa will be finalised in time for the event if there are delays in lodging an application for a subclass 600 Visitor visa, or where an applicant does not respond to a request for further information in a timely manner.

Step 1 – Log into your ImmiAccount

Log into your ImmiAccount, and click on 'New application'

Step 2 – Applying for a Visitor Visa subclass 600

Click on 'New application'
