WE ARE THE FIRST-EVER CROSS-RACIAL COMMUNITY OF DONORS OF COLOR—A HOME FOR DONORS COMMITTED TO BUILDING THE COLLECTIVE POWER OF PEOPLE OF COLOR TO DRIVE SYSTEMS CHANGE AND ADVANCE RACIAL EQUITY.

WHAT WE BELIEVE

We believe that the fates of people of color are linked across race—and intersections of gender, sexual orientation, religion and ability—and that we can be more impactful by coming together and jointly leveraging our knowledge, resources and influence.

WHAT WE DO

+ Learn about and engage directly with racial-justice movements and the philanthropic sector, and foster connections between them.
+ Invest in long-term support of leaders of color and their transformative work to reframe and remake the future.
+ Move cultural, political and other social institutions to be more inclusive of and accountable to communities of color and our lived experiences.
+ Blaze a path for philanthropy to reflect how people of color give and how we resource our communities' priorities.
+ Enter our joyful, powerful community with humility, compassion and a desire to lift each other up as we work together toward a more equitable and just world.

A LOOK AT THE WORK OF DONORS OF COLOR NETWORK

We’re Not Here to Level the Playing Field,
We Are Creating a Whole New Field

“Demand to be seen! Demand that we get the attention and investment from the very beginning. We can’t be afterthoughts. Our strongest power move is to demand not that ONE group be seen, but that WE ALL be seen and that we receive the same level of investment and resources as other communities.”

- Stacey Abrams, speaking to the Donors of Color Network, April 2020

WE’VE BUILT A PIONEERING COMMUNITY
WE ENGAGE IN SHARED LEARNING AND ANALYSIS

WE GIVE BOLDLY TO BUILD POWER WITH COMMUNITIES OF COLOR
WE LEVERAGE OUR INDIVIDUAL INFLUENCE FOR COLLECTIVE ACTION
