Looking for Drop In /Skatepark Director

Weyburn Youth Center which is a part of Southeast Saskatchewan Youth for Christ (SSYFC) is looking for an energetic, motivated spirit filled individual that feels God calling them to work with youth. This individual will have as their primary responsibility of running and directing a youth drop-in and skatepark. They will work with a group of volunteers reaching out to youth, from grades 5-12, sharing with them a place of safety and love and ultimately presenting them with the gospel of Jesus Christ. Some of the other responsibilities will be that of cleaning the facility and working with the Executive Director and Board of Directors in the area of fundraising.

This position will start out a permanent part time position of 15-20 hours per week. The individual taking this position will work on raising 100% of their own income as set by the individual and the SSYFC board. This individual will be encouraged to seek other employment to help offset their living expense. Until the individual has their partnerships and their income established SSYFC **will help with “salary”**, with this being reviewed after three months. The board and YFC Canada Chapter development officer will give guidance in this and other area “walking alongside” giving expertise help as needed.

Lastly we remind individuals that we are not a church but we love the church and desire to work alongside of the church desiring that “every young person live fully in Christ.¹” As you consider this position we ask you to pray and seek God’s guidance as to whether or not you feel His leading and guiding in applying for this position.
