Sometimes we move too fast to really live, so a pause in our days is always welcomed. As once well-known Hampstead resident John Keats puts it:

“Life is but a day;
A fragile dew-drop on its perilous way,
From a tree’s summit.”

Which is why at Hampstead Bakery & Cafe, we’re bringing back the vibe of a rural area, rich with greenery and beautiful scenery for you to escape the urban life for a heartbeat, and spoil your tastebuds with sweet escape in a form of new delights with a London twist.
