The European Young Bar Association (EYBA), the Young Bar of England & Wales (YBC), Junior Lawyers Division (JLD) and London Young Lawyers Group (LYLG) are delighted to present International Weekend 2023, taking place from 28 September to 1 October 2023 in its traditional home of London, England.

The theme of this year's IW is the intersection of the law, arts, culture and the media. We are delighted to present a full programme including an educational programme featuring leading expert speakers, visits to the historic homes of the barristers and solicitors profession, several social activities and of course the traditional gala dinner, this year taking place in the historic Old Hall of Lincoln's Inn.

We are excited to welcome you to London this year.
