## Seminar on Complementarity, the Habré Trial, and the Evolution of Universal Jurisdiction

The historic trial and judgement of Hissène Habré by the Extraordinary African Chambers (EAC) in the courts of Senegal presented an important test case in the exercise of Complementarity to advance international criminal justice. Africa Legal Aid (AFLA) in cooperation with the Baltasar Garzon International Foundation (FIBGAR) and the Kenya Human Rights Commission, was responsible for the remarkable feat of convening a world class faculty of experts to address topical issues at this optimum time. The Seminar coincided with the Habré judgement and was a Resounding Success. We share some reflections below.
