HIGH SCHOOL MUSICAL

5th & 6th Grade Performance

Welcome to Our Spring 2025 Performances!

The crayons have had it! Each color is tired of being used the same way every single time--they want their owner to spice things up.

Join us on this creative journey where the crayons go on strike and demand new and exciting ways to draw. Based on the children's book, *The Day the Crayons Quit*, this colorful musical will feature our youngest performers onstage.

Marlin, an over-protective clownfish, lives in the Great Barrier Reef with his kid Nemo, who longs to explore the world beyond their anemone home.

When Nemo is captured, Marlin faces his fears and sets off on an epic adventure, where he meets lovable characters and discovers how vast his love (and the ocean) really is.

When the school's most popular athlete falls for the smart girl, East High School is turned upside down.

We're all in this together as new friendships begin, starting with auditions for the school musical and redefining the boundaries of high school drama. This popular musical comes to Wolf PAC with Wildcat energy and fun!

When Ren and his mother move from Chicago to a small town, Ren is prepared for the inevitable adjustment period at his new school.

But he's not prepared for the strict rules and regulations town-wide, including a ban on dancing instituted by the local preacher. *Footloose* is a dynamic musical that celebrates the wisdom in listening to young people while guiding them with love, kindness, and some dancing!

PERFORMING
ARTS CENTER

Happy 20th Anniversary to Wolf Performing Arts Center!

What a wonderful year of celebrations!

This spring we celebrate with sensational shows!

I am beyond proud and so very grateful to all the shining stars at Wolf PAC for their dedication, support, leadership, creativity and confidence!

To all of the children on stage this beautiful season,
I give my heartfelt, thunderous applause.

Wolf PAC is a community built on love and respect -
may we continue to grow for and with our community!

*With thanks
and applause,
Bobbi*

THANK YOU

FOR ALL OF YOUR LOVE &
SUPPORT DURING OUR
20TH SEASON!

Wolf PAC is proud to go paperless with our digital playbill.

By going digital, we are offering more to our community and our environment by:

SAVING THREE TREES

Wolf PAC normally prints over 140,000 pages each season to make our playbills - this equals almost three trees! Wolf PAC is continuing our efforts to become more eco-friendly, and digital playbills help save our environment and reduce our carbon footprint.

PUTTING MONEY BACK INTO OUR PERFORMANCES

Printing playbills can cost Wolf PAC over \$4,000 each season. By skipping the printing cost, it allows us to put that money back into our performances rather than to the printer.

MAKING IT EASY TO SHARE

A printed playbill is only fun for the people in the theatre. A digital playbill can be shared with family and friends anywhere and anytime!

CUSTOMIZING PLAYBILLS FOR EACH SHOW

Wolf PAC has so many amazing shows to feature! By going digital, it allows us the flexibility to customize the playbill for each individual production.

HAVING MORE SPACE TO FEATURE YOU

A printed playbill can only have so many pages. By going digital, it allows us the space to give the attention every show, child, and advertisement deserves!

Thank you for being part of our community and please enjoy the playbill!

Continuing our efforts to help the
environment & future generations...

wolf PERFORMING ARTS CENTER

Welcome to Spring 2025 at Wolf Performing Arts Center!

Wolf PAC's 20th season of celebrating children in theater continues!

We are busy making this 20th anniversary year all that our Wolf PAC families deserve and are excited for an exciting spring 2025!

We are thrilled to see so many happy faces in our building each day, enjoying our brand-new lobby and expanded classroom space to accommodate more children in more programs. Students continue to shine in fun, supportive, educational Classes, Private Lessons, Workshops, Artist in Residence programs, Performances, and soon, Summer Theater Camp.

Additionally, we are gearing up for celebrations to commemorate 20 years, including new exclusive merchandise, a one of a kind commemorative book, a gala honoring founder Bobbi Wolf in March, and more throughout the year.

We look forward to celebrating Wolf PAC's 20 seasons of connection, warmth, creativity, education, and most importantly, a home away from home for all of our amazing students.

Cheers to 20 years,

Betsy

A NOTE FROM OUR
ARTISTIC DIRECTOR

Janine Merolla

For 20 years, Wolf Performing Arts Center has been a place of possibility—a space where young artists transform boldly into characters, step into new worlds, and discover the power of their own voices.

This season, we celebrate the stories that teach us to break free. From venturing beyond the borders of their familiar world to finding confidence under the stage lights, these spring productions are about embracing change, chasing adventure, and realizing that we are capable of more than we ever imagined.

But breaking free doesn't always mean leaving everything behind—it means growing, evolving, and carrying lessons of home, friendship, and love with us. And when these young actors step out into the world on their own, we hope they know that no matter how far they go, Wolf PAC will always be there, cheering them on from the stands.

To every child who has ever stepped onstage, to each family who has supported them and believed in the power of storytelling—this celebration is for you. Here's to 20 years of breaking free and soaring higher than ever before.

CONGRATULATIONS

*Thank you to everyone involved
in making this season a success!*

How can we help our children (and ourselves) make sense of the way life swings? We're all up and down and side to side at different times for different reasons.

The Swing of Life is the story of a little girl who wants life to feel good ALL the time. Her mother helps her to see that life is full of contrast- the "bad" and the "good" help us define our desires- and ultimately, we get to decide what meaning we give to all of it.

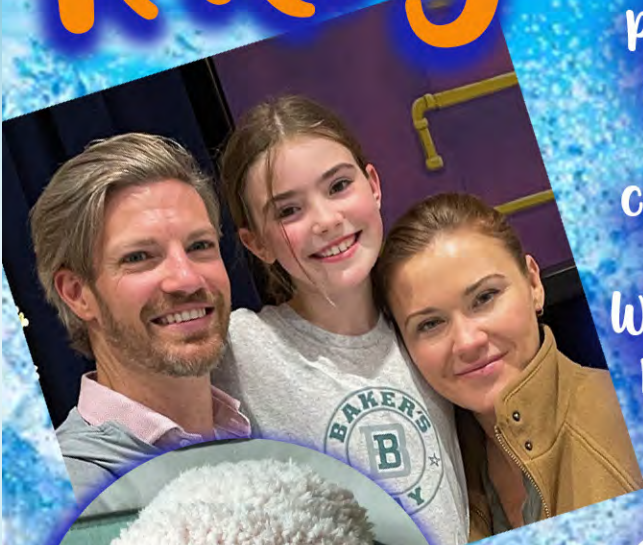

Enjoy this children's book written and illustrated by Erin Pfeiffer, the mother of Ruby Cast's Nemo- Riley!

Available for purchase online on Amazon, Target, or Barnes & Noble.

YOUR DONATION HELPS US GROW

We are excited to announce our Growth Fund that will support the infrastructure to allow our roots to expand and for Wolf PAC to further blossom. We ask you to join us in supporting this ambitious goal of \$500,000 over the next five years.

Donate today and ensure that Wolf PAC will continue to nurture and grow our community's arts and children for years to come. We are forever grateful for your support!

YOUR DONATIONS SUPPORT:

Programming

Every year, we welcome over 1,500 children and teens into performances, classes, lessons, workshops, and summer camp. Your donations provide essential equipment, performance materials, and the best educators for our programs.

Scholarship

We award over \$30,000 annually to make theater accessible to all children. Your donations sustain and expand this fund, reaching even more young artists each year.

Theatre Space

Your donations create opportunities to expand our reach, allowing us to welcome more students. From classrooms to theaters, Wolf PAC relies on your support to create the physical spaces needed to fulfill our mission.

WOLF PERFORMING ARTS CENTER

OUR MISSION

To provide a safe, inclusive space for young people to express their authentic selves through learning and experiencing theatre.

There is something for everyone!

PERFORMANCES

(Grades 1-12)

Performances feature students in a variety of musicals and plays during our fall and spring seasons. Performers rehearse every week and sessions culminate in a professional quality performance.

THEATRE CLASSES

(Grades Preschool-12)

Wolf PAC Classes are for preschool - 12th grade and provide an educational experience with a focus on singing, acting, dancing, improvisation, and a variety of theatrical skills. Our weekly classes are taught by professional Teaching Artists and are offered in the Fall, Winter, and Spring.

WORKSHOPS

(Grades Kindergarten-12)

Workshops are led by our professional Teaching Artists in unique disciplines such as puppetry, gaming, and more throughout the year. These shorter sessions provide our community opportunities to enhance theatre education by exploring unique disciplines and developing new skills.

PRIVATE LESSONS

(Grades 1-12)

Private Lessons are one-on-one and combine professional teacher expertise with a customized plan of study. Lessons include voice, acting, dance, beginner piano, musical theatre, audition technique, guitar and ukulele.

SUMMER THEATRE CAMP

(Rising K-12)

Campers and CITs are immersed in theatre programs that focus on making connections, building creativity, and gaining confidence through performance and mentoring opportunities. Our camp runs from mid-June to the end of August every summer.

TECHNICAL APPRENTICE PROGRAM (TAP)

(Grades 7-12)

The Technical Apprentice Program (TAP), is for students interested in enhancing and learning behind-the-scenes skills while working side-by-side with top theatre professionals.

ARTIST IN RESIDENCE

(Grades Preschool-12)

Our Artist in Residence programs provide individualized programming to your school, site, or organization and are designed to foster creativity, provide students with the necessary resources to develop as performers, and enhance cultural and artistic exchange within the host community. We also offer team-building opportunities within this program.
