Painting Animal Patterns
Christine Otis

*For the first class, bring one 18” x 24” canvas & one 11” x 14” canvas, a picture of your image, and the other supplies listed.

One 18” x 24” canvas

Pack of six 11” x 14” canvases

*Keep in mind, you may need more canvases depending on how quickly you work, but I want everyone to take their time and think about their design.

High flow Golden acrylic paints (Highly recommended since they have a quick drying time and are a quality product. Of course, if you prefer, you can use regular acrylic paint. This brand also has a high pigment load, and a diverse array of colors to choose from. You decide what colors you would like to use.)

Paint brushes- I recommend a variety: angular, round tip, flat, and filbert

High gloss varnish

Ruler

Pencil

Kneaded eraser

Animal design of your choice (look at magazines and other images you might be able to print from online or other sources)

You can purchase supplies at: Jerry’s Artarama (online), Dick Blick (online), Jackson’s (online), Holbein Artist Materials (online), Michaels, and many other retailers. If ordering online, be sure to purchase items in advance as there has been delays in deliveries due to the supply chain of the pandemic.
