Four canvases (your choice of size): 8" x 10", 10" by 10", 9" x 12," 12" x 12" or 11" x 14"

*Depending on how fast you work, will depend on how many canvases you will need for this class. I would purchase at least four canvases. One for each week, with the understanding you may need more, or less, depending on the speed of your creative process.

Acrylic paints—I love Golden brand—I would use heavy body Golden acrylics, but you can also use the high flow too. Alternatives are: Amsterdam, Liquitex, Daler & Rowney, Grumbacher, Holbein, Atelier, etc. The brand you purchase does make a difference in color and texture. Purchase colors you would like to use and include purchasing a lot of white acrylic paint. If you would like to keep costs low, you can purchase Artist's Loft paint in the large one-quart containers. You don’t need to buy many colors and the colors you use are completely up to you.

Palettes: You can use anything you like, such as another canvas, a palette, a plastic lid, etc. You will need storage containers for paints you mix. I usually use recycled plastic containers.

Water container (you may also want to use a spray bottle)
Paper towels or a towel to manipulate paint and wipe your hands/fingers
Soap (I like Palmolive)

Apron

Gloves (You may want to use gloves when you paint, considering you’re using your fingers, but I think so much of the joy and relaxing part is being able to feel the texture of the paint, and the toothiness of the canvas.)

If ordering online, be sure to purchase items in advance as there has been delays in deliveries due to the supply chain of the pandemic.
