

What is event insurance?

Our partners at Duuo provide our event hosts with affordable event insurance policies in just a few clicks. Did we mention there are no service fees, cancellation penalties, or deductibles?

Why do I need it?

Event insurance is purchased to cover an event host's liability in case of an accident.

We strongly encourage our event hosts to provide proof of event insurance before allowing you to host an event in our space.

A quick, low-cost event insurance policy gives you the peace of mind you need to focus on all the other items on your event planning to-do list.

What does it cover?

With Duuo Event Insurance you're covered for:

- Event liability (Bodily Injury & Property Damage)
- Tenants' Legal Liability
- Medical payments
- Host liquor liability*

*Host liquor liability can be added to your policy for an additional cost.
