# EVENTFINDA STADIUM

Reduced Mode 2,000 – 4,000pax Guide

# Thirty Year Legacy

Eventfinda Stadium is the most experienced, international level, indoor venue in Auckland, city of 1.7 million people.

Our 5,000 seat stadium serves +/- 500,000 patrons a year, attending a very wide variety of events: concerts, stage shows, sports, banquets, conferences and exhibitions. Among the concerts have been those by some of the world's greatest names from Slayer to the Human League and everything in between. Among the sports stars have been the Harlem Globetrotters, the Silver Fern netballers and the former NBL champion Breakers.

Located on Auckland's North Shore, it is at the centre of a sophisticated and high average net worth community. It is readily accessible by road and public transport, to patrons from right across Auckland. Accessible also includes being Accessible for people with disabilities.

We are within 9km of the Auckland CBD, business centre of New Zealand's largest, most prosperous city and close to the dedicated and very efficient Northern Busway. The stadium is also close to two motorway interchanges – hubs in a city-wide motorway network that brings all parts of Auckland within easy distance, by car or public transport.

Three decades of partnering with promoters/producers has made this venue almost infinitely flexible, and readily responsive to specific needs that you bring to us. In all things we seek to add value and eliminate problems.

Our partnership with sponsor Eventfinda gives us a superlative on-line ticketing and event marketing service with a massive database and global reach.

This document is a presentation of our key facts – not sales talk. It will answer most of your general questions. For fine grained detail and specific arrangements, please contact us.

Welcome to the Eventfinda Stadium where  
**Your success defines our success.**
