Dear Friends,

Thank you for inviting me to the grand opening of your expansion! I am sorry to miss this celebration with the music community of Yarmouth.

For 19 years, 317 Main Community Music Center has been providing Yarmouth and the surrounding communities with opportunities to study, practice, experience and create music. The artists and students who participate in the programs at 317 Main learn lifelong skills such as collaboration, problem-solving, and how to unleash their inner musician.

The arts instill in us all a deeper understanding of the world, and provide a window into different cultures, values, and beliefs. They allow us to express ourselves and connect with each other. While poetry is how I best express myself creatively, I am pleased that the artists and students of 317 Main now have a new and improved space to explore the wide and varying world of music education.

On behalf of the people of Maine, I congratulate you on your grand opening and I hope to see the new expansion in person soon.

Sincerely,

Janet T. Mills
Governor
