Leader: Welcome, beloved community, to this sacred space where we gather to worship and serve our God. Joshua reminds us of our commitment and passion for serving the Lord.

People: As for us and our households, we will serve the Lord!

Leader: Let us remember the passion and dedication of Joshua, who chose to serve the Lord with unwavering faithfulness. In our daily lives, let us also choose to serve God with our whole hearts, casting aside any distractions or idols.

People: We commit to serve the Lord with passion and faithfulness!

Leader: In a world filled with many distractions, may we keep our eyes fixed on Jesus, the author and perfecter of our faith. Let our worship today reignite our passion for serving God and remind us of our holy calling.

People: We will worship the Lord with joy and serve Him with all our might!

Leader: Come, let us worship the Lord together, lifting our voices and our hearts in praise. May our passion for serving God be evident in our worship, and may our lives be a testament to His love and grace.

All: As for us and our households, we will serve the Lord. Amen.
