SITE INFORMATION

Do you have a plot plan or survey of your property available?

What is the total acreage of your site including home?

Does your neighborhood have HOA covenants?

What views would you prefer screened?

What views would you like to keep?

Is your property in need of retaining walls?

DESIGN GOALS

Budget?

How long do you plan to stay in your house?

Would you like your landscape done in phases?

Overall theme or image?

Are you looking to expand patios or decks?

What is the most used room of your house, and what part of your property can be seen from that room?

LANDSCAPE RENOVATION

Do you have an existing landscape?

Does it have an existing irrigation system and/or drip system?

What element of your yard would you like to keep?

What elements would you like removed first?

How long have you lived in this house?

YOUR LIKES & DISLIKES

What is your favorite season and why?

What ornamental features do you like about plants (berries, fall color, flowers, fragrance)?

Do you enjoy annual flowers?

Do you enjoy perennials (i.e. tulip, dahlia, salvia, daisy, daylily)?

What colors do you prefer?

Do you like birds?

Butterflies?

What plants do you like and why?

What plants do you NOT like and why?

Do you prefer evergreen, deciduous or a combination of plant material?

Type of trees preferred? Fruit trees? Height of trees preferred at maturity?

Type of shrubs preferred? Roses, hedges, low growing vines, fruit, ground covers?

Species names of any preferred plant material?

Do you prefer plants unique to this area? Native, mixed?

What type of boulders do you like: moss rock, granite, gold ore, cobble?

Do you like berms and lots of elevations in your landscape?

Do you prefer mulch, rock, cobblestone or a combination?

Any types of mulch or rock that you like?

Would you like a stone walkway to any special areas?

What material would you like for the surface of your hardscape areas?

Do you prefer concrete, pavers, flagstone or a combination?

USAGE & FAMILY FACTORS

Do you use your yard for entertaining? How often? How many people?

Do you like working in the yard? Would you like to see low, medium or high maintenance for your landscape (higher maintenance i.e. flower gardens, water features, etc.)?

Do you plan future structures or special areas: volley ball court, trampoline, shed?

How often do you use your yard after dark?

How much landscape lighting would you like incorporated in your landscape?

Would you like any water features? What type: statuary, natural, bubbling out of rock?

Do you prefer a water feature pond, creek or pondless?

Are you interested in an outdoor kitchen? Would you like a pergola?

Would you like a sitting wall? Would you like a hot tub area?

Would you like a firepit or outdoor fireplace area?

What type: gas, propane (portable) or natural wood burning?

What type of material do you prefer being used for an outdoor kitchen, sitting wall or firepit:

Veneer, tile, granite or natural? Do you need any fencing?

Do you have any dogs or are dogs in your future?

Does the landscape need to be kid friendly? Would you like a playground area?

Do you like to garden? Vegetables, herbs and/or flowers?

Would you like a rock garden? Size and what location?

INSTALLATION

Who will install the project: contractor, homeowner or both?

What is the timeframe for construction of your landscape project?

REFERRAL

How did you find out about Aspen Creek Landscape?
