CENTENNIAL: PINEY CREEK

Rich and Debbie Hall

16204 E. Prentice Place

The Meadows in Piney Creek; Take Parker Rd. south from I-225, east on Belleview, south on Chambers, east on Crestline Ave. to the Meadows subdivision, north on Lewiston St.

A specimen 20' Ponderosa pine was spaded off the western corner of this home to frame and accent the front porch and door. A large Spring Snow Crabapple completes the effect east of the driveway. Blue Angel hollies and variegated dogwoods in red cedar mulch provide a cool texture among the various flower beds.

Jeff and Lynn Koberlee

16177 E. Prentice Place

A large, red moss rock wall surrounds a spaded Ponderosa pine and goldmound spireas giving this home a beautiful front yard accent. The mulch planting bed continues along the sidewalk and driveway with accent lights, Sierra Spreader junipers and spireas.

Len and Barbara Fadda

16212 E. Prentice Lane

A unique design featuring a Blue Spruce and moss boulder berm, bordered with a cobblestone swale emerging from a thick aspen grove. Mugo pines, snowmound spireas, and accent lights frame the front entrance. Also includes a large, clump Amur Maple.

Richard and Cindy Schlager

16242 E. Prentice Lane

A unique, multi-trunked Cutleaf Weeping Birch highlights the front of this home. Aspens provide a background contrast and a Washington Hawthorn frames the home east of the driveway. Yellow-leaved Golden Vicaries complement the mailbox and a mugo pine completes the planting bed.

David and Michelle Green

5332 S. Lewiston Court

Features an island berm towards the south of the front yard complete with a large Blue Spruce, Emerald 'n Gold Euonymus, and flood lights. A purple-leaved Newport Plum provides a beautiful color contrast north of the driveway.
