

CTC to Purchase 14 Passenger Bus

Our buses are a critical part of our transportation infrastructure, especially as the Island's population grows. To meet current and future needs. CTC has purchased a new 14-passenger Joining our existing fleet, the new bus will provide a more comfortable and reliable shuttle service to and from our Route One Iot, especially in the offseason. We expect to take delivery early in October.

Winter Schedule to start October 13

CTC will once again be implementing our winter schedule from October 13, 2023 through May 19, 2024. This winter schedule eliminates the 10:30pm/10:45pm ferry, and corresponding bus trips, on Friday and Saturday evenings. This will save CTC over \$10,000 in payroll and fuel costs.
