1 panel		✓	✓	✓	✓	✓	✓	✓	✓	✓	✓

A = not available for all colors

B = Some colours have gloss elements in the surface.

Please note:

Color/Decor Trespa® Meteon® Metallics, Wood Decors and Naturals feature a directional colored surface. For more information on installation, please check our Trespa® Meteon® technical documentation. The full quantity of Trespa® Meteon® Metallics panels required for a project, should be ordered and supplied as a single instruction.

Grade Trespa® Meteon® single sided decorative Fire-Retardant grade will be faced with an identification print on the non-decorative black reverse of the panel in addition to the panel sticker.

Trespa® Meteon® double sided decorative Fire-Retardant grade can be clearly identified and distinguished on the basis of the panel sticker.

For further information or latest updates please contact Décortech. Subject to change without notice.

All Trespa samples and all Trespa panels are produced within the specified tolerances. Samples and production panels do not originate from the same production batch. The colour perception is by nature influenced by slight variations in pigments used as well as by the angle of observation.

Masterspec Section 4254TM and 4254XF
