

Dear **Senator/Congressperson**:

I am a polio survivor of the 19**XX** epidemic. I have been working for **XX** years as a **YOUR JOB** but am now unable to work because of Post-Polio Sequelae (PPS). I have been denied SSDI.

Many polio survivors are being denied SSDI because SSA personnel do not know there has been a policy in place since 1987 -- the POMS for the "The Late Effects of Poliomyelitis" (24580.01) -- allowing polio survivors to receive disability benefits. SSA adjudicators wrongly use the listing for "Acute Anterior Poliomyelitis" (11.11) to determine eligibility for SSDI for those with Post-Polio Sequelae. Polio survivors are now disabled, not by polio paralysis or "motor disorganization, but most commonly by disabling fatigue due to Post-Polio Sequelae. To insure that SSA personnel no longer inappropriately deny polio survivors, a Social Security Ruling for Post-Polio Sequelae (Social Security Ruling, SSR 03-1p.; Titles II and XVI) was released by Commissioner Barnhart on July 2, 2003 (\*please see enclosed). **Print and enclose [THIS](#)**

Would you please contact the **SSA ADJUDICATOR'S NAME and HEAD OF THE SSA OFFICE at the YOUR TOWN Social Security office, 555-555-5555, at THIS ADDRESS.** As a Member of Congress you can ask for an Administrative Review of my denial to determine if the Social Security Ruling was followed. Please ask for an **On-the-Record Administrative Review** of my denial and ask Social Security to make a decision about my disability based on the Social Security Ruling, their own procedures and guidelines, and on the actual cause of my not being able to work, **LIST CAUSE(S) HERE.**

Yours truly,
