OUR COLLECTIVE VISION
We believe in an equitable, unified early childhood system centering racial equity and ensuring families access to seamless, high-quality early child development, health, and educational services.

A Family & Provider Driven System
Families and providers are engaged and prioritized in leadership and decision-making throughout the state’s early childhood system.

A Net That Works
All families have access to an inclusive, caring, well-coordinated network that helps them meet their basic needs and support child development.

A Healthy Start
All families receive family-centered, comprehensive, whole-person physical and mental health care from pregnancy, through the early childhood years, and beyond.

Child Care For Everyone, Everywhere
All families have equitable access to affordable high-quality early care and education that is well-funded and responsive to the needs of families, children, and the educators and providers who make it possible.

Family Friendly Workplaces
All employers in Louisiana have family-friendly policies that support employees with prioritizing the well-being of their children.
